POITRAS EAST COMMUNITY DEVELOPMENT DISTRICT

I. BACKGROUND

The POITRAS EAST COMMUNITY DEVELOPMENT DISTRICT (District) was established under City of Orlando Ordinance No. 2018-38 adopted by the City Council with an effective date of July 9, 2018. It is located on approximately 1,061 acres of land. TDCP, LLC acts as the Master Developer (Developer) of the property, having sold land to multiple parties over the past four years for residential, commercial, and public school development projects. The District has been created as a unit of special-purpose government to construct, acquire, finance and maintain certain necessary public infrastructure improvements as described herein. This Engineer's Report and Capital Improvement Program (Report) has been prepared at the request of the District.

The District is generally located east of Boggy Creek Road, south of State Road 417 (the "Central Florida Greenway"), west of Narcoossee Road, and south of Laureate Park at Lake Nona in the City of Orlando, Florida as depicted on attached Exhibit "A." The lands within the District are currently encompassed within the Lake Nona Planned Development (PD), which was most recently approved by the City of Orlando on September 26, 2022. Roughly 778 acres within the District are considered developable for residential, commercial and institutional uses as approved in the Lake Nona PD. A map of the District is included as Exhibit "B."

The Capital Improvement Program (CIP) included herein reflects the proposed improvements within the currently approved District boundary and

miscellaneous off-site improvements, which will be discussed later in this Report.

As represented by the Developer, the currently contemplated Master Plan represents development of public infrastructure improvements to support a development program of approximately:

- 250,000 sq. ft. of retail, restaurant and other non-residential uses;
- 2,570 residential dwelling units;
- Elementary and Middle Schools;
- Community Park
- Fire station

Minor revisions to the currently contemplated development program can be implemented if consistent with the City-approved Planned Development. Ultimate build-out is presently expected to occur over an estimated period of ten (10) years from the date of District establishment.

II. OBJECTIVE

This Report has been prepared to assist with the financing and construction of various necessary public infrastructure improvements contemplated to be constructed, acquired, and/or installed to provide safe and adequate access, utilities, etc. within the District. This Report presents a narrative description of the major components included within the infrastructure systems and current Engineer's opinions of probable costs for completing the District-related improvements necessary to support the development of the lands located within the District. The CIP is anticipated to be implemented in phases and includes:

- One (1) sanitary sewage lift station and associated force main (work has not yet commenced)

The CIP reflected in this Report represents the present intentions of the Developer and the District. The implementation of any CIP discussed in this plan requires final approval by many regulatory and permitting agencies including the City of Orlando. The actual improvements described herein may vary from the CIP discussed in this Report. If additional improvements not described herein are identified, this Report may be amended to reflect such additional improvements.

Engineer's opinions of probable costs contained in this Report have been prepared based on the Engineer's opinion and interpretation of the best available information at this time. The actual costs of construction, engineering design, planning, approvals and permitting may vary from the cost opinions presented herein.

III. TRANSPORTATION IMPROVEMENTS

Several new roadways are required to develop the District. The roadway improvements comprising the primary roadway infrastructure include approximately nineteen thousand (19,000) linear feet of roads, including one major east-west roadway and three (3) north-south roadways that will provide ingress and egress throughout the District, interconnectivity with adjacent development, and connectivity with additional collector roads that will serve future residential, commercial, and support development within the District. Approximately one thousand fifty (1,050) linear feet of these roads will be constructed outside of the District boundaries for regional connectivity with the Lake Nona transportation infrastructure to the north and the Osceola County roadway system to the south.

Amended and Restated Engineer's Report and Capital Improvement Program
Page 6

The primary roadway infrastructure includes those roadways necessary to provide safe and adequate access to the lands within the District. A graphic depiction of these primary roadways is set forth in Exhibit "C." Sheet 1 of Exhibit "C" contains a depiction of improvements listed above as "Initial Phase" construction. Sheet 2 of Exhibit "C" includes a depiction of the "Future Phase" construction.

All roads constructed by the District will be public roadways and are proposed to be constructed using asphalt concrete surface with curb sections and sidewalks. Some will have on-street parking, asphalt trails and/or bicycle paths. Luminary Boulevard, Centerline Drive and Selten Way will include landscaped parkways and/or medians while Pearson Avenue is intended to be more urban in nature. The roads constructed by the District will ultimately be owned, operated and maintained by the City of Orlando; however, the District will maintain the landscaping and irrigation within the City rights-of-way. In addition to the roads constructed by the District, alleys constructed by the Developer will be dedicated to the District for ownership, operation, and maintenance. It is anticipated that dedication of alleys to the District will be at no cost to the District.

In addition to roadways, the Developer and/or District also intend to undertake improvements that will facilitate enhanced and/or alternative mobility solutions, including but not limited to shared mobility lanes, dedicated rights-of-way, recovery zones for user equipment repairs, rest and hydration, a head-end mobility hub, sheltered waiting areas, upgrading of existing pedestrian and bicycle paths, naturally shaded and streetscaped environments, wayfinding, etc.

An allowance has been included for the cost to acquire the right-of-way required to construct the necessary roadway improvements. The actual value

of the right-of-way will be determined by appraisal and approved by the District's Board of Supervisors prior to acquisition at a cost not to exceed the appraised value. For the purposes of this report and based on guidance from the Developer, the District's monetary cost for right-of-way is assumed to be \$85,000.00 per acre and is utilized for the estimates presented herein.

IV. POTABLE WATER, RECLAIMED WATER, & SANITARY SEWER FACILITIES

The potable water distribution system for the District will include a potable water main extension that connects to the Orlando Utilities Commission (OUC) water mains in Narcoossee Road and in Centerline Drive. Distribution mains will run generally within the primary roadway corridors described above with the objective that the potable water distribution system will serve as a source of potable water and fire protection water for all of the development within the District. The potable water facilities constructed by the District will ultimately be owned, operated and maintained by the Orlando Utilities Commission.

The reclaimed water distribution system for the District will include a reclaimed water main extension that connects to the City of Orlando reclaimed water mains in Narcoossee Road and in Centerline Drive. Like the potable water mains, the reclaimed water distribution mains will run generally within the primary roadway corridors described above with the objective that the reclaimed water distribution system will ultimately serve as a source of non-potable (irrigation) water for all of the development within the District. The District will only fund the operating cost of providing reclaimed water to District-owned common areas and landscaped right-of-way areas. The reclaimed water facilities constructed by the District will ultimately be owned, operated and maintained by the City of Orlando.

The sanitary sewer system for the District includes three wastewater lift stations and the associated sanitary sewer force mains. This system will connect to a new District-constructed 20-inch Orange County Utilities (OCU) force main running generally parallel to Narcoossee Road, extending northerly from the District to Tavistock Lakes Boulevard, where it will connect to an existing 16-inch force main in Narcoossee, which is to be upgraded in the future to a 20-inch force main by OCU. The cost of this parallel force main extending from Luminary Boulevard to Tavistock Lakes Boulevard is to be borne by the District and is therefore included in the District's CIP. Two of the lift stations (LS-B and LS-C) are included in the Initial Phase of the CIP while the remaining lift station (LS-D) is included as a Future Phase improvement. These sanitary sewer facilities, along with contributing gravity sewer collection systems, will act as the wastewater collection and transmission systems for all development within the District. The sanitary sewer facilities constructed by the District will ultimately be owned, operated and maintained by Orange County or the District.

V. ELECTRICAL DUCT BANK AND STREET LIGHT CONDUIT

The infrastructure roadway corridors will accommodate a plastic pipe duct bank system and plastic pipe street light conduits, manholes and pull boxes. This duct bank system and conduit network will enable the efficient distribution of electric power provided by Orlando Utilities Commission (OUC) to the development, including power to the street lights. The proposed duct bank system will run within the rights-of-way or easements established for the primary roadway corridors and be placed as part of the initial roadway construction to significantly limit the amount of disruption required to provide these needed services as development progresses. Street light conduit and the street light network are also intended to be completed concurrent with the roadway construction. Off-site connections to the OUC transmission facilities

will occur around the project boundary at strategic locations to be defined by OUC. These duct bank and conduit systems are included in the CIP. The electrical duct banks and conduits constructed by the District will ultimately be owned, operated, and maintained by the Orlando Utilities Commission.

VI. STORMWATER MANAGEMENT AND DRAINAGE FACILITIES

To enable construction of the public infrastructure improvements required to support the District, a site-wide master stormwater management system will be implemented. This master stormwater management system will consist of a series of surface water retention/detention ponds enabling treatment and attenuation of stormwater runoff from development within the District. The surface water retention/detention ponds will be constructed by the Developer; therefore, this CIP does not include costs for those improvements. Drainage works consisting of roadway inlets, collector pipes, manholes, outfall pipes, etc. to be constructed within the proposed infrastructure roadways will collect stormwater runoff and convey it to the master stormwater management system. These drainage improvements are included in this CIP and are identified as "Drainage Works" in the estimates that follow.

At present, no allowance is included in the attached estimates for acquisition of the retention/detention stormwater management area tracts (real estate) required to construct the necessary master stormwater management improvements given the current understanding that the ponds will be owned, operated and maintained by the Developer or their successors in title. Discussions are ongoing regarding the ultimate ownership, operation and maintenance of the stormwater retention/detention pond system, which may ultimately be by the District, the City of Orlando, the Developer, or applicable owners' association(s).

VII. RECREATION FACILITIES AND AMENITIES

One of the major components of creating a community is the implementation of special common area and recreation facility improvements. The proposed development plan for the project includes the creation of several special amenities and “places,” which will help create a sense of community. These areas include park facilities and select land clearing and wetland edge cleaning. The District fully supports an elevated level of quality throughout the Lake Nona PD; however, the CIP does not anticipate District funding of recreational facilities or amenities beyond the District’s intent to incorporate upgraded street sign poles, upgraded street lighting, and enhanced streetscaping, including community identification monuments. All other recreational facilities and/or amenities are anticipated to be funded by the Developer or their successor in title.

VIII. DESIGN/PERMITTING AND CONTINGENCY

Estimated soft costs associated with the CIP are included in the Opinion of Probable Costs included herein. These include but are not limited to:

- design/engineering/permitting;
- land surveying;
- legal consulting;
- environmental consulting;
- regulatory permitting;
- materials testing;
- as-built surveying; and
- observation during construction to assure the site is constructed as designed and maintained in a safe and secure manner until sufficient infrastructure is in place to allow for dedication to the appropriate jurisdictional or regulatory agency.

A project contingency estimate has also been included.

IX. COST ESTIMATES FOR DEVELOPMENT IMPROVEMENTS

A summary of the Engineer's Opinion of Probable Costs is provided as Table 1. A listing of the entities expected to receive the dedication of various improvements along with the entities expected to assume responsibility for operation and maintenance of the facilities is provided in Table 2.

The opinions of probable costs provided in this Report represent only those facilities to be designed, constructed, and/or installed by the District. Costs are based upon the Engineer's opinion and interpretation of the best available information; however, costs will vary based on final site planning, final engineering, approvals from regulatory agencies and economic factors.

In our opinion, the estimated costs identified herein are reasonable and sufficient for the design, construction and/or installation of the CIP.

SUPPLEMENTAL ASSESSMENT METHODOLOGY REPORT PHASE 1 PROJECT AREA, SERIES 2023 BONDS POITRAS EAST COMMUNITY DEVELOPMENT DISTRICT

December 13, 2022

1.0 Introduction

1.1 Purpose

This “Supplemental Assessment Methodology Report Phase 1 Project, Series 2023 Bonds” (“Supplemental Report”) provides a methodology for allocating the assessments securing the repayment of the planned Series 2023 Capital Improvement Revenue Bonds (“Series 2023 Bonds” or “Bonds”) to be issued by the Poitras East Community Development District (the, “District”). This Supplemental Report applies and operates pursuant to the “District’s “Master Assessment Methodology Report,” dated May 18, 2020 (“Master Methodology”).

This Supplemental Report provides a system for the allocation of non-ad valorem special assessments securing the repayment of bond debt planned to be issued by the District to fund beneficial public infrastructure improvements and facilities within the District. The methodology described herein has two goals: (1) quantifying the special benefits received by properties within the District as a result of the construction of the District’s improvements and facilities, and (2) equitably allocating the costs incurred by the District to provide these benefits to properties in the District.

The District plans to implement its Phase 1 Capital Improvement Program (“Series 2023 Project”) that will allow for the development of property within the District. The Series 2023 represents a portion of the of the Capital Improvement Plan (“CIP”) as described in the “Amended and Restated Engineer’s Report and Capital Improvement Program Poitras East Community Development District,” dated November 18, 2022 (the “Engineer’s Report”), as prepared by Donald W. McIntosh Associates, Inc. (“District Engineer”). The District plans to fund the majority of its CIP through bond debt financing. The bond debt will be repaid from the proceeds of non-ad valorem special assessments levied by the District. These special assessments will serve as liens against properties within the boundary of the District that receive a special benefit from the CIP, including the Series 2023 Project. This Methodology is designed to conform to the requirements of Chapters 170, 190 and 197 of the Florida Statutes with respect to special assessments and is consistent with our understanding of the case law on this subject.

1.2 Background

The District was created on July 9, 2018. The District encompasses approximately 1,061 acres within its boundaries. The District is generally located east of Boggy Creek Road, south of State Road 417, west of Narcoossee Road, and south of Lake Nona in the City of Orlando, Florida. As outlined in more detail in the Engineer's Report; the CIP is designed to support the following development: 250,000 non-residential square feet, 2,570 residential units, an elementary/middle school, community park, fire station and related infrastructure. The land use plan as provided in the Engineer's Report is found in Table 1. The development volumes within Table 1 represent overall master plan development volumes; however, the TDCP, LLC ("Developer") reserves the right to modify the development plan consistent with the City of Orlando-approved Planned Development, which could result in a different overall development plan.

In August 2020, the District funded (and continues to fund) a portion of the CIP using a Bond Anticipation Note ("BAN") from Synovus Bank in an amount not-to-exceed \$25,000,000 at a 4.25% interest rate, providing for a period of capitalized interest, with a term not to exceed 4-years (the "2020 BAN"). The 2020 BAN is a draw down note, so interest is only charged on the drawn balance. In addition, the District pays an "Unused Fee" equal to 0.25% on that portion of the Note that has not been drawn upon. The Unused Fee is due semi-annually along with interest. The Series 2023 Bonds will paydown the 2020 BAN to a zero balance as part of this financing.

1.3 Projected Land Use Plan for the Series 2023 Bonds

As detailed in the Engineer's Report, the number of units permitted per the current development plan is 2,570 units. The Series 2023 Bonds are anticipated to be absorbed by the land uses the Developer plans for the lands within Phase 1. Phase 1 is planned for 1,267 single family residential units, 306 apartment units and 144,437 square feet of non-residential space. Table 2 details the mix of residential units and non-residential space planned for Phase 1. However, until either: (a) parcels of land along with their development entitlements are sold by the landowner to the new landowner and entitlements conveyed or (b) plats are filed, the precise land uses are unknown.

The District initially will impose assessments securing the Series 2023 Bonds ("Series 2023 Assessments") on a per gross acre basis within the District based on the land use plan outlined in Table 2 (or in any updates issued from time to time), and on any sold or platted property in accordance with its actual land use or contractual entitlement as transferred to the new landowner from the landowner. As of the date of issuance, there are 1,001 platted lots for a planned 1,267 residential units in Phase 1 ("Platted Phase 1 Units"). The balance of Phase 1 residential lots to be platted will be in 1) Laurel Point in the amount of 66 lots and 2) Laureate Park South (N-2 PH 1) in the amount of 200 lots ("Remaining Phase 1 Units"). In addition to the Platted Phase 1 Units and the Remaining Phase 1 Units, there is 144,437 square feet of retail/office space and 306 multi-family units; however, as addressed in this Report, the Developer intends to contribute Series 2023 Project infrastructure in advance of the issuance of the Series 2023 Bonds in exchange for assessment credits that will be applied by the Developer to eliminate bond debt services assessment on these properties associated with this initial financing within the District.

There is one important proviso. The debt per acre on the properties that remain unplatted in the District is not allowed to increase above its Ceiling Amount. The Ceiling Amount is set whenever the District issues debt. It is calculated by dividing the unplatted acres of the properties into the debt allocated to the unplatted properties. In addition, this requirement will be tested at four intervals based upon the

percentage of total acres that are developed. The intervals are at 25%, 50%, 75% and 100% of the gross acres.

1.4 CIP - Infrastructure Installation

The District will acquire or construct its public infrastructure and improvements as outlined in the Engineer's Report. The District infrastructure and improvements for the Series 2023 Project are presented in Table 3 under the 'Initial Phase, Estimate' column. Of the \$39,639,000 in Series 2023 Project Costs, \$16,359,297 has been spent to date.

1.5 Requirements of a Valid Assessment Methodology

In PFM Financial Advisors LLC, the Assessment Consultant's ("PFM" and/or "AC") experience, there are two primary requirements for special assessments to be valid under Florida law. First, the properties assessed must receive a special benefit from the improvements paid for via the assessments. Second, the assessments must be fairly and reasonably allocated to the properties being assessed. If these two characteristics of valid special assessments are adhered to, Florida law provides some latitude to legislative bodies, such as the District's Board of Supervisors, in approving special assessments. Indeed, Florida courts have found that the mathematical perfection of calculating special benefit is impossible, and, accordingly, a special assessment is valid as long as there is a logical relationship between the services provided and the benefit to real property. A court must give deference to the District's determinations regarding the levy of special assessments, and such special assessments are only invalid if the District's determinations are found to be arbitrary.

1.6 Special Benefits and General Benefits

Improvements undertaken by the District create both special benefits and general benefits to property owners located within and surrounding the District. However, in PFM's opinion, the general benefits to the public at large are incidental in nature and are readily distinguishable from the special benefits which accrue to property located within the District. The infrastructure improvements included in the Series 2023 Project create both: (1) special benefits to the developable property within the District and (2) general benefits to properties outside the District. However, as discussed below, these general benefits are incidental in nature and are readily distinguishable from the special benefits which accrue to the developable property within the District. The Series 2023 Project described in the District Engineer's Report enables the developable property within the District to be developed. Without the District's CIP, there would be no infrastructure to support development of the developable property within the District.

2.0 CIP Plan of Finance

The District's Series 2023 Bonds will have a total par value of \$24,880,000. Table 4 presents the details for the Series 2023 Bonds.

(1) Gross assessments represent the assessment placed on the County tax roll each year, if the District elects to use the Uniform Method of collecting non-ad valorem assessments authorized by Chapter 197 of the Florida Statutes. Gross assessments include a 4.0% gross-up to account for the fees of the County Property Appraiser and Tax Collector and the statutory early payment discount.

3.0 Assessment Methodology

3.1 Assessment Foundation

The assessment methodology associated with the allocation of the costs of the Series 2023 Project is a four-step process. First, the District Engineer determines the costs for the District's infrastructure and related improvements. Second, an estimate of the amount of bonds required to finance the infrastructure improvements is calculated. Third, the District Engineer outlines which parcels benefit from the provision of the infrastructure and improvements. Finally, the as-financed costs of the infrastructure and related improvements are allocated to the benefiting properties based on the approximate relative benefit each unit receives.

3.2 Allocation of Specific Assessments

The discussion offered below illustrates the process by which the District will allocate bond debt it incurs to fund its Series 2023 Project. The District's benefit allocation associated with the issuance of \$24,880,000 of Series 2023 Bonds is detailed in Table 5. The District's bond debt will be secured by special assessments allocated to properties in the District based on and proportional to the benefits that each property receives from the CIP. As described above, until such time as either: (a) properties are sold along with their entitlements or (b) plats are recorded; the specific land uses in the District are not known with certainty. Therefore, at the outset, the debt is allocated to the platted lots and to the unplatted lots on an acreage basis across all benefited acres in the District. Ultimately however, the Series 2023 Bonds are expected to be absorbed by the Platted Phase 1 Units and the Remaining Phase 1 Units.

As noted above, as long as two basic principles are adhered to, Florida law generally allows the District Board some latitude in determining the appropriate methodology to allocate the costs of its CIP to benefiting properties in the District. The two principles are: (1) the properties being assessed must receive a special benefit from the CIP and (2) the assessments allocated to each property must be fairly and reasonably apportioned among the benefiting properties.

In allocating special assessments to benefiting property, Florida governments have used a variety of methods including, but not limited to, front footage, area, trip rates, equivalent residential units ("ERU"), dwelling units, and acreage. These ERU values equate the benefit received by a stated amount of such particular land use category to the benefit received by a typical single-family residence. The use of ERU values to estimate the benefit derived from infrastructure improvements is recognized as a simple, fair, and reasonable method for apportioning benefit. The Florida Supreme Court concluded that the ERU method was a valid methodology in its decision in *Winter Springs v. State*.¹ In addition, the ERU methodology is widely used in other similar CDDs.

Table 5 contains the allocation of the District's CIP costs, as financed, to the Development Units planned for the District based on the ERU value assigned to each Development Unit. Table 6 shows the annual bond debt service assessments associated with the bond par allocations found in Table 5. Table 6 becomes important as the land within the District is platted, as specific bond debt service assessments will be assigned to the individual Development Units at that time.

¹ City of Winter Springs v. State, 776 So.2d 255 (Fla 2003)

In order to facilitate the marketing of the various product types within the District, the Developer does not intend to sell bonds to fund the entire CIP and instead intends to limit the amount of annual assessments for debt service on the Series 2023 Bonds to certain maximum levels. In order for debt service assessments to be consistent with the Master Methodology, developer Contributions will be recognized as summarized in Section 4 Table 8, resulting in the Series 2023 Assessments identified in Table 6.

3.3 True-Up Mechanism

Although the District does not process plats, it does have an important role to play during development. Whenever a parcel's land use and development density and intensity is determined with sufficient certainty, the District must allocate a portion of its debt to the parcel according to the procedures outlined in Section 3.2 above. In addition, the District must also prevent any buildup of debt on land that has not yet been developed. Otherwise, the land could be fully subdivided without all of the debt being allocated.

To preclude this, a test is conducted when development thresholds are reached within the District. If the development at these thresholds does not cause the debt on the remaining land to increase above a debt "Ceiling Level" illustrated in Table 7 below, then no further action is necessary. However, if the debt on the remaining land does increase, a debt reduction payment will be necessary.

The ceiling level of debt is established at the time each series of bonds is issued. The District plans to issue \$24,880,000 in Series 2023 Bonds to fund the Series 2023 Project. Based on the platting of the 1,001 platted lots and the allocation of assessment debt associated with the 66 lots in Laurel Point (parcel ID 312431487606001, the remaining Series 2023 Bonds will be assigned to the 248.70+/- developable acres on an equal acreage amount, which will include the lands associated with the 200 unplatted lots with Laureate Park (N-2 PH 1). At the time of platting, the 200 lots will be allocated the remaining assessment debt consistent with this Supplemental Report.

The initial ceiling level of debt the remaining lands within the District is \$17,015 per acre (\$4,231,704 / 248.70). This ceiling level is based upon the best information available at the time of this report, is subject to change, and will only be finalized at the time of the District's first bond issuance. A test will be conducted when 25%, 50%, 75%, and 90% of the acreage as the District is developed. Table 7 illustrates when the true-up test will be applied to determine if debt reduction payments are required. However, a true-up payment may be suspended at the District's discretion. If the property owner can demonstrate to the District, and the District finds in its discretion (consistent with the opinion of the District Engineer), that all necessary land use approvals, including applicable zoning, can reasonably and economically support development totaling greater than or equal to 1,267 residential units for the District on the remaining unplatted developable acreage within the remaining acres, a true-up payment may be suspended.

4.0 Contribution of District Infrastructure and/or Improvements

The costs of the District's CIP will likely be funded by two mechanisms. The first mechanism is the issuance of special assessment bonds. The second mechanism is the contribution of funds or CIP components to the District ("Contribution"). Property owners within the District will have the opportunity to make such a Contribution upon approval by the District. Consistent with the Master Methodology, the Developer anticipates contributing a portion of the District's CIP both on an as-financed basis and in advance of the financing to the District in order to remove debt service assessments on the apartments and non-residential square feet associated with the financing. Table 8 summarizes the Contribution.

Certain properties within the District have now been the subject of City of Orlando-approved SPMPs. As outline above, property owners within the District have the opportunity to make a Contribution of funds or CIP components to the District prior to the issuance of any District bond debt funding the CIP in exchange for assessment credits that reduce or eliminate debt service assessments on properties within the District. Certain District property owners have informed the District that they will make (and the District has agreed to accept) pre-financing Contributions in order to satisfy the assessments assigned to units of development outlined in certain approved SPMPs. Specifically with respect to the Contributions in advance of financing, Table 9 summarizes the allocation of Contribution on a parcel identification number basis.

(v) a form of Continuing Disclosure Agreement (the “Continuing Disclosure Agreement”), among the District, TDCP, LLC, and PFM Group Consulting LLC, as dissemination agent (the “Dissemination Agent”), attached hereto as **Exhibit E**; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Poitras East Community Development District, as follows:

Section 1. Definitions. All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meanings ascribed to them in the Indenture.

Section 2. Authorization. There are hereby authorized and directed to be issued the Series 2023 Bonds, in the aggregate principal amount of not to exceed \$26,500,000, for the purpose, among others, of providing long-term financing for the payment of all or a portion of the Costs of the initial phase of the Capital Improvement Program. The purchase price of the Series 2023 Bonds shall be received and receipted by the District, or the Trustee on behalf of the District, and the Trustee shall apply the proceeds of the Series 2023 Bonds as set forth in the First Supplement and the Limited Offering Memorandum (as defined below). The Series 2023 Bonds shall be dated, have such interest payment dates, have such maturities, have such redemption provisions and bear interest at such rates, all as provided in the Indenture.

Section 3. Trust Indenture. The Master Indenture and the First Supplement are hereby approved in substantially the forms set forth as **Exhibit A** and **Exhibit B**, respectively, and the Chair or the Vice Chair of the Board is hereby authorized and directed to execute and deliver such Master Indenture and First Supplement on behalf of and in the name of the District and the Secretary or any Assistant Secretary of the Board is hereby authorized to attest such execution, with such additions and deletions therein as may be made and/or approved by the Chair or the Vice Chair executing the same, such execution to be conclusive evidence of such approval.

Section 4. Appointment of Underwriter; Negotiated Sale. MBS Capital Markets, LLC (the “Underwriter”) is hereby appointed as the underwriter for the Series 2023 Bonds. The Series 2023 Bonds shall be sold pursuant to a negotiated sale to the Underwriter. It is hereby determined by the Board that a negotiated sale of the Series 2023 Bonds to the Underwriter is in the best interests of the District because of prevailing market conditions, because delays caused by soliciting competitive bids could adversely affect the District’s ability to issue and deliver the Series 2023 Bonds at presently favorable interest rates, and because the nature of the security for the Series 2023 Bonds and the source(s) of payment of Debt Service on the Series 2023 Bonds requires the participation of the Underwriter in structuring the Series 2023 Bond issue.

Section 5. Purchase Contract. The Board hereby approves the Purchase Contract submitted by the Underwriter in substantially the form attached as **Exhibit C** hereto. The Chair or Vice Chair of the Board is hereby authorized to execute the Purchase Contract and to deliver the Purchase Contract to the Underwriter with such changes, amendments, modifications, omissions and additions as may be approved by the executing Chair or Vice Chair; provided, however, that (i) the principal amount of the Series 2023 Bonds shall not exceed \$26,500,000, (ii) the average net interest cost on the Series 2023 Bonds shall not exceed the maximum allowable by Section 215.84, Florida Statutes, (iii) the Series 2023 Bonds shall have a maturity date no later than May 1, 2055, or as provided by law, and (iv) the Underwriter’s discount shall not exceed 1.50% of the aggregate principal amount of the Series 2023 Bonds. Execution by the Chair or Vice Chair of the Purchase Contract shall be deemed to be conclusive evidence of approval of such changes.

Section 6. Preliminary Limited Offering Memorandum; Final Limited Offering Memorandum. The Board hereby approves the form of the Preliminary Limited Offering Memorandum submitted to the Board meeting and attached hereto as **Exhibit D** and authorizes its distribution and use in connection with the limited offering for the sale of the Series 2023 Bonds. If between the date hereof and the mailing of the Preliminary Limited Offering Memorandum it is necessary to make insertions, modifications and changes to the Preliminary Limited Offering Memorandum, the Chair or Vice Chair is hereby authorized to approve such insertions, changes and modifications, and the Chair or Vice Chair is hereby authorized to deem the Preliminary Limited Offering Memorandum “final” within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934 (the “Rule”). The preparation of a final Limited Offering Memorandum is hereby authorized and approved and the Chair or Vice Chair is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the Series 2023 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the Series 2023 Bonds. The Limited Offering Memorandum shall be substantially in the form of the final Preliminary Limited Offering Memorandum, with such changes as shall be approved by the Chair or Vice Chair as necessary to conform to the details of the final pricing of the Series 2023 Bonds and such other insertions, modifications and changes as may be approved by the Chair or Vice Chair.

Section 7. Continuing Disclosure. The District does hereby authorize and approve the execution and delivery of the Continuing Disclosure Agreement by the Chair or Vice Chair in substantially the form presented to the Board and attached hereto as **Exhibit E**. For the purpose of providing funds for paying all or part of the Cost of a Series Project, Bonds of a Series, without limitation as to aggregate principal amount, may be issued under this Master Indenture subject to the conditions hereinafter provided in Section 207 of this Article. Debt Service on each Series of Bonds shall be payable solely from the Pledged Revenues and Pledged Funds pledged to such Series of Bonds in the Supplemental Indenture authorizing the issuance of such Series of Bonds and, as may be provided in such Supplemental Indenture, all of the provisions of this Master Indenture shall be for the benefit and security of the present and future Owners of such Series of Bonds so issued, without preference, priority or distinction, as to lien or otherwise, of any one Bond of such Series over any other Bond of such Series. The District may also issue from time to time, Additional Bonds, Completion Bonds and Refunding Bonds of a Series under and pursuant to the terms of the Supplemental Indenture authorizing the issuance of such Series of Bonds.

Section 202. Details of Bonds. Bonds of a Series shall be in such denominations, numbered consecutively, shall bear interest from their date until their payment at rates not exceeding the maximum rate permitted by law, shall be dated, shall be stated to mature in such year or years in accordance with the Act, and shall be subject to redemption prior to their respective maturities, subject to the limitations hereinafter provided, as provided for in the Supplemental Indenture authorizing the issuance of such Series of Bonds. Bonds of a Series may be Current Interest Bonds, Variable Rate Bonds, Capital Appreciation Bonds, Option Bonds or any combination thereof and may be secured by a Credit Facility or Liquidity Facility, all as shall be provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds. Any payment of principal, Maturity Amount or Redemption Price shall be made only upon presentation of the Bond at the designated corporate trust office of the Paying Agent in Orlando, Florida; provided, however, that presentation shall not be required if the Bonds are in book-entry only form. Payment of interest shall be made by check or draft (or by wire transfer to

Unless otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, interest on a Series of Bonds will be computed on the basis of a 360-day year of twelve 30-day months.

Section 203. Execution and Form of Bonds. The Bonds shall be signed by, or bear the facsimile signature of, the Chair, shall be attested and countersigned by the Secretary, and the certificate of authentication appearing on the face of the Bonds shall be signed by, or bear the facsimile signature of, the Trustee; provided, however, that each Bond shall be manually signed by either the Chair, the Secretary or the Trustee. The official seal of the District shall be imprinted or impressed on each Bond. In case any officer whose signature or a facsimile of whose signature appears on any Bond shall cease to be such officer before the delivery of such Bond, such signature or such facsimile shall nevertheless be valid for all purposes the same as if he or she had remained in office until such delivery. Any Bond may bear the facsimile signature of, or may be signed by, such persons as at the actual time of the execution of such Bond shall be proper officers to execute such Bond although at the date of such Bond such persons may not have been such officers. The Bonds, and the provisions for registration and transfer to be endorsed on such Bonds, shall be substantially in the form set forth in a Supplemental Indenture. The Trustee may appoint one or more authenticating agents.

Section 204. Negotiability, Registration and Transfer of Bonds. The Bonds shall be and have all the qualities and incidents of negotiable instruments under the laws of the State, and each successive Owner, in accepting any of the Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the laws of the State.

Section 205. Ownership of Bonds. The person in whose name any Bond shall be registered shall be deemed the absolute Owner thereof for all purposes, and payment of Debt Service shall be made only to or upon the order of the registered Owner thereof or his attorney

or legal representative as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. The Trustee, the District, the Bond Registrar and the Paying Agent may deem and treat the registered owner of any Bond as the absolute Owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment thereof and for all other purposes whatsoever, and neither the Trustee, the District, the Bond Registrar nor the Paying Agent shall be affected by any notice to the contrary.

Section 206. Special Obligations. Each Series of Bonds shall be a special and direct obligation of the District. Neither the Bonds nor the interest and premium, if any, payable thereon shall constitute a general obligation or general indebtedness of the District within the meaning of the Constitution and laws of the State. The Bonds and the interest and premium, if any, payable thereon do not constitute either a pledge of the full faith and credit of the District or a lien upon any property of the District other than as provided herein or in the Supplemental Indenture authorizing the issuance of such Series of Bonds. No Owner or any other person shall ever have the right to compel the exercise of any ad valorem taxing power of the District or any other public authority or governmental body to pay Debt Service or to pay any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds. Rather, Debt Service and any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds, shall be payable solely from, and shall be secured solely by, the Series Pledged Revenues and the Series Pledged Funds pledged to such Series of Bonds, all as provided herein and in such Supplemental Indenture.

Section 207. Authorization of Bonds. (a) There shall be issued from time to time in Series, under and secured by this Master Indenture, Bonds without limitation as to aggregate principal amount for the purposes of: (i) paying all or part of the Cost (as provided in Section 403 hereof) of a Series Project or Series Projects or refunding a Series of Bonds or any portion thereof then Outstanding; (ii) depositing the Series Reserve Account Requirement to the Series Reserve Account for such Series of Bonds; (iii) paying the costs and expenses of issuing such Series of Bonds; and (iv) undertaking other acts permitted by the Act.

(b) Each Series of Bonds, upon initial issuance thereof, shall be executed by the District for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the District or upon its order, but only upon the further receipt by the Trustee of the following:

- (i) an executed and attested original or certified copy of this Master Indenture;
- (ii) an executed and attested original or certified copy of the Supplemental Indenture fixing the amount of and security for the Series of Bonds authorized to be issued thereby and establishing, among other things, the dates on which, and the amounts in which, such Series of Bonds will mature (provided that the final maturity date of such Series of Bonds shall be not later than permitted by the Act with respect to such Series of Bonds), designating the Paying Agent and Bond Registrar, fixing the Amortization Installments, if any, for the Term Bonds of such Series, awarding the Series of Bonds, specifying the interest rates or the method

for calculating such interest rates with respect to such Series of Bonds, specifying the redemption provisions and prices thereupon, specifying other details of such Series of Bonds, and directing the delivery of such Series of Bonds to or upon the order of the initial purchaser thereof upon payment of the purchase price therefor set forth in such Supplemental Indenture;

(iii) an opinion of counsel for the District substantially to the effect that the signer is of the opinion that this Master Indenture and the Supplemental Indenture relating to such Series of Bonds have been duly and validly authorized in accordance with the terms hereof and of the Act, and have been duly approved and adopted, that the issuance of such Series of Bonds has been duly authorized, and that this Master Indenture and the Supplemental Indenture (assuming due authorization, execution and delivery by the Trustee) constitute binding obligations of the District, enforceable against the District in accordance with their terms except as enforcement thereof may be affected by bankruptcy and other similar laws relating to creditor's rights generally and subject to equitable principles, whether in a proceeding at law or in equity and that the Assessments are legal, valid, and binding liens upon the property against which the Assessments are made, coequal with the lien of all State, County and municipal ad valorem taxes and superior in priority to all other liens, titles and claims against said property then existing or thereafter created, until paid; and

(iv) an opinion of Bond Counsel for the District substantially to the effect that the signer is of the opinion that the Bonds of such Series are valid, binding and enforceable obligations of the District and, if such Series of Bonds are Tax Exempt Bonds, that interest thereon is excludable from gross income of the Owners under the income tax laws of the United States in effect on the date such Series of Bonds are delivered to the initial purchasers.

Execution of a Series of Bonds by the District shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the District and payment to the Trustee of the initial purchase price for a Series of Bonds shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the underwriter of such Series of Bonds.

The Trustee shall be provided with reliance letters with respect to the opinions required in paragraphs (iii) and (iv) above. When the documents mentioned in subsections (i) through (iv) above shall have been received, and when the Bonds of such Series shall have been executed and authenticated as required by this Master Indenture, such Series of Bonds shall be delivered to, or upon the order of, the District, but only upon payment to the Trustee of the purchase price of such Series of Bonds, together with accrued interest, if any, thereon as set forth in a certificate of delivery and payment executed by the Chair or Vice Chair of the District.

(c) The proceeds (including accrued interest and any premium) of each Series of Bonds shall be applied as soon as practicable upon delivery thereof to the Trustee as provided by Supplemental Indenture for such Series of Bonds.

Section 208. Mutilated, Destroyed or Lost Bonds. If any Bonds become mutilated, destroyed or lost, the District may cause to be executed and delivered a new Bond in substitution therefor upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, and upon payment by the Owner of the reasonable expenses and charges of the District and the Trustee in connection therewith and, in the case of a Bond destroyed or lost, upon the Owner filing with the Trustee evidence satisfactory to it that such Bond was destroyed or lost and of his or her ownership thereof, and upon furnishing the District and the Trustee with indemnity satisfactory to them.

Section 209. Parity Obligations Under Credit Agreements. As may be provided for or required in any Supplemental Indenture, the District may incur financial obligations under a Letter of Credit Agreement or a Liquidity Agreement payable on parity with respect to the lien on the Trust Estate pledged to a Series of Bonds issued under this Master Indenture and a Supplemental Indenture, without meeting any financial test or requirement set forth in this Master Indenture or the corresponding Supplemental Indenture, but only if the Letter of Credit Agreement or Liquidity Agreement supports a related Series of Bonds then being issued which does meet such tests or requirements.

Section 210. Bond Anticipation Notes. Whenever the District shall authorize the issuance of a Series of Bonds, the District may by resolution authorize the issuance of Bond Anticipation Notes in anticipation of the sale of such authorized Series of Bonds in a principal amount not exceeding the principal amount of such Series. The aggregate principal amount of Bonds of such Series and all other Bonds previously authenticated and delivered to pay the Cost of the Series Project or Series Projects for which the proceeds of the Bond Anticipation Notes will be applied shall not exceed such Cost. The interest on such Bond Anticipation Notes may be payable out of the related Series Interest Account to the extent provided in the resolution of the District authorizing such Bond Anticipation Notes. The principal of and interest on such Bond Anticipation Notes and renewals thereof shall be payable from any moneys of the District available therefor or from the proceeds of the sale of the Series of Bonds in anticipation of which such Bond Anticipation Notes are issued. The proceeds of sale of Bond Anticipation Notes shall be applied to the purposes for which the Bonds anticipated by such Bond Anticipation Notes are authorized and shall be deposited in the appropriate Fund or Account established by the Indenture for such purposes; provided, however, that the resolution or resolutions authorizing such Bond Anticipation Notes may provide for the payment of interest on such Bond Anticipation Notes from the proceeds of sale of such Bond Anticipation Notes and for the deposit, in the related Series Capitalized Interest Account. In the event that the District adopts a resolution authorizing the issuance of Bond Anticipation Notes, the District will promptly furnish to the Trustee a copy of such resolution, certified by an Authorized Officer, together with such information with respect to such Bond Anticipation Notes as the Trustee may reasonably request, including, without limitation, information as to the paying agent or agents for such Bond Anticipation Notes. The Trustee shall have no duties or obligations to the holders of such Bond Anticipation Notes unless specifically so authorized by the resolution of the District authorizing the issuance of such Bond Anticipation Notes and unless the Trustee accepts in writing such duties and obligations.

Section 211. Tax Status of Bonds. Any Series of Bonds issued under this Master Indenture may be issued either as Tax Exempt Bonds or Taxable Bonds. The intended tax status of any Series of Bonds to be issued may be referenced in any Supplemental Indenture authorizing the issuance of such Series of Bonds.

ARTICLE III REDEMPTION OF BONDS

Section 301. Redemption Generally. The Bonds of any Series shall be subject to redemption, either in whole on any date or in part on any Interest Payment Date, and at such times, in the manner and at such prices, as may be provided by the Supplemental Indenture authorizing the issuance of such Series of Bonds. The District shall provide written notice to the Trustee of any optional redemption on or before the forty-fifth (45th) day next preceding the date to be fixed for such optional redemption. Notwithstanding any other provision of this Master Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, if less than all of the Bonds of a Series shall be called for redemption, the particular Bonds of such Series to be redeemed shall be selected by lot in such reasonable manner as the Bond Registrar in its discretion may determine. The portion of any Series of Bonds to be redeemed shall be in an Authorized Denomination and, in selecting the Bonds of such Series to be redeemed, the Bond Registrar shall treat each such Bond as representing that number of Bonds of such Series which is obtained by dividing the principal amount of such Bond by an Authorized Denomination (such amount being hereinafter referred to as the "unit of principal amount").

If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then upon notice of intention to redeem such unit or units of principal amount as provided below, the registered Owner of such Bond, upon surrender of such Bond to the Paying Agent for payment to such registered Owner of the Redemption Price of the unit or units of principal amount called for redemption, shall be entitled to receive a new Bond or Bonds of such Series in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of such Series representing the unredeemed balance of the principal amount shall be issued to the Owner thereof without any charge therefor. If the Owner of any Bond of a denomination greater than the unit of principal amount to be redeemed shall fail to present such Bond to the Paying Agent for payment in exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption.

Subject to the provisions of Section 506(b) hereof, the District may purchase a Bond or Bonds of a Series in the open market at a price no higher than the highest Redemption Price

(including premium) for the Bond to be so purchased with any funds legally available therefor and any such Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of Bonds of such Series as provided in Section 506(b) hereof or as otherwise provided in the Supplemental Indenture relating to such Series.

Section 302. Notice of Redemption; Procedure for Selection. The District shall establish each redemption date, other than in the case of a mandatory redemption, in which case the Trustee shall establish the redemption date, and the District or the Trustee, as the case may be, shall notify the Bond Registrar in writing of such redemption date on or before the forty-fifth (45th) day next preceding the date fixed for redemption, which notice shall set forth the terms of the redemption and the aggregate principal amount of Bonds so to be redeemed. Except as provided below, notice of redemption shall be given by the Bond Registrar not less than thirty (30) nor more than forty-five (45) days prior to the date fixed for redemption by first-class mail, postage prepaid, to any Paying Agent for the Bonds to be redeemed and to the registered Owner of each Bond to be redeemed, at the address of such registered Owner on the registration books maintained by the Bond Registrar (and, for any Owner of \$1,000,000 or more in principal amount of Bonds, to one additional address if written request therefor is provided to the Bond Registrar prior to the Record Date); and a second notice of redemption shall be sent by registered or certified mail at such address to any Owner who has not submitted his Bond to the Paying Agent for payment on or before the date sixty (60) days following the date fixed for redemption of such Bond, in each case stating: (a) the numbers of the Bonds to be redeemed, by giving the individual certificate number of each Bond to be redeemed (or stating that all Bonds between two stated certificate numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption); (b) the CUSIP numbers of all Bonds being redeemed; (c) in the case of a partial redemption of Bonds, the principal amount of each Bond being redeemed; (d) the date of issue of each Bond as originally issued and the complete official name of the Bonds including the Series designation; (e) the rate or rates of interest borne by each Bond being redeemed; (f) the maturity date of each Bond being redeemed; (g) the place or places where amounts due upon such redemption will be payable; (h) any condition or conditions to be met prior to the redemption of the Bonds being redeemed; and (i) the notice date, redemption date, and Redemption Price. The notice shall require that such Bonds be surrendered at the designated corporate trust office of the Paying Agent for redemption at the Redemption Price and shall state that further interest on such Bonds will not accrue from and after the redemption date; provided, however, that such presentation shall not be required while such Bonds are held in a book-entry only format. CUSIP number identification with appropriate dollar amounts for each CUSIP number also shall accompany all redemption payments.

Notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Failure to give notice by mailing to the Owner of any Bond designated for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of any other Bond.

Section 303. Effect of Calling for Redemption. On the date designated for redemption of any Bonds, notice having been filed and mailed in the manner provided above, the Bonds called for redemption shall be due and payable at the Redemption Price provided for the redemption of such Bonds on such date and, moneys for payment of the Redemption Price being held in a separate account by the Paying Agent in trust for the Owners of the Bonds to be redeemed, interest on the Bonds called for redemption shall cease to be entitled to any benefit under this Master Indenture, and the Owners of such Bonds shall have no rights in respect thereof, except to receive payment of the Redemption Price thereof, and interest, if any, accrued thereon to the redemption date, and such Bonds shall no longer be deemed to be Outstanding.

Section 304. Cancellation. Bonds called for redemption shall be canceled upon the surrender thereof.

ARTICLE IV ACQUISITION AND CONSTRUCTION FUND

Section 401. Acquisition and Construction Fund. There is created and established by Section 502 hereof a fund designated as the "Acquisition and Construction Fund" which shall be held by the Trustee and there shall be deposited to the credit of the Series Acquisition and Construction Accounts the amounts specified in the Supplemental Indenture relating to such Series of Bonds.

Section 402. Payments from Acquisition and Construction Fund. Payments of the Cost of constructing and acquiring a Series Project shall be made from the Acquisition and Construction Fund as herein provided. All such payments shall be subject to the provisions and restrictions set forth in this Article and in Article V hereof, and the District covenants that it will not request any sums to be paid from the Acquisition and Construction Fund except in accordance with such provisions and restrictions. Moneys in the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in Section 503(b) hereof.

Section 403. Cost of a Series Project. For the purposes of this Master Indenture, the Cost of a Series Project shall include, without intending thereby to limit or to restrict or expand any proper definition of such cost under the Act, other applicable provisions of State law, or this Master Indenture, the following:

(a) *Expenses of Bond Issuance.* All expenses and fees relating to the issuance of the Bonds, including, but not limited to, initial Credit Facility or Liquidity Facility fees and costs, attorneys' fees, underwriting fees and discounts, the Trustee's acceptance fees, costs, and

Notwithstanding the deposit of Capitalized Interest into the related Series Capitalized Interest Account or Series Interest Account, Capitalized Interest shall also include any amount directed by the District to the Trustee in writing to be withdrawn from the related Series Acquisition and Construction Account and deposited into such Series Capitalized Interest Account or Series Interest Account, provided that such direction includes a certification that such amount represents earnings on amounts on deposit in the related Series Acquisition and Construction Account and that, after such deposit, the amount on deposit in such Series Acquisition and Construction Account, together with earnings thereon will be sufficient to complete the related Series Project which is to be funded from such Series Acquisition and Construction Account.

(c) *Acquisition Expenses.* The costs of acquiring, by purchase or condemnation, all of the land, structures, improvements, rights-of-way, franchises, easements, plans and specifications and similar items and other interests in property, whether real or personal, tangible or intangible, which themselves constitute a Series Project or which are necessary or convenient to acquire, install and construct a Series Project and payments, contributions, dedications, taxes, assessments or permit fees or costs and any other exactions required as a condition to receive any government approval or permit necessary to accomplish any District purpose.

(d) *Construction Expense.* All costs incurred including interest charges, for labor and materials, including equipment, machinery and fixtures, by contractors, builders, and materialmen in connection with the acquisition, installation and construction of a Series Project, and including without limitation costs incident to the award of contracts.

(e) *Other Professional Fees and Miscellaneous Expenses.*

(i) All legal, architectural, engineering survey, and consulting fees, as well as all financing charges, taxes, insurance premiums, and miscellaneous expenses, not specifically referred to in this Master Indenture that are incurred in connection with the acquisition and construction of a Series Project.

 - (ix) Costs incurred to enforce remedies against contractors, subcontractors, any provider of labor, material, services or any other person for a default or breach under the corresponding contract, or in connection with any dispute.
 - (x) Premiums for contract bonds and insurance during construction and costs on account of personal injuries and property damage in the course of construction and insurance against the same.
 - (xi) Expenses of management and supervision of a Series Project.
 - (xii) Costs of effecting compliance with any and all governmental permits relating to the Series Project.
 - (xiii) Any other "cost" or expense as provided by the Act.
- (f) *Refinancing Costs.* All costs described in (i) through (xiii) above or otherwise permitted by the Act associated with refinancing or repaying any loan or other debt obligation of the District.

Section 404. Disposition of Balances in Acquisition and Construction Fund. On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved for the payment of any remaining part of the Cost of the Series Project shall be transferred by the Trustee to the credit of the Series Redemption Account or as otherwise provided in the Supplemental Indenture, and used for the purposes set forth for such Account in the Supplemental Indenture relating to such Series of Bonds.

ARTICLE V

ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF

Section 501. Lien. There is hereby irrevocably pledged for the payment of the Bonds of each Series issued hereunder, subject only to the provisions of this Master Indenture and any Supplemental Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in this Master Indenture and any such Supplemental Indenture with respect to each Series of Bonds, the Trust Estate; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the

Series Trust Estate securing such Series of Bonds, the Pledged Funds and Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and shall not secure any other Bonds or Series of Bonds.

The foregoing pledge shall be valid and binding from and after the date of initial delivery of the Bonds and the proceeds of sale of the Bonds and all the moneys, securities and funds set forth in this Section 501 shall immediately be subject to the lien of the foregoing pledge, which lien is hereby created, without any physical delivery thereof or further act. Such lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the District or the Trustee, irrespective of whether such parties have notice thereof. Such lien shall be prior and superior to all other liens now existing or hereafter created.

Section 502. Establishment of Funds. The following funds are hereby established and shall be held by the Trustee:

(a) Acquisition and Construction Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Acquisition and Construction Account and a separate Series Costs of Issuance Account for each Series of Bonds issued hereunder;

(b) Revenue Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Revenue Account for each Series of Bonds issued hereunder;

(c) Debt Service Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Debt Service Account and within such Series Debt Service Account,

(i) a Series Interest Account,

(ii) a Series Principal Account,

(iii) a Series Sinking Fund Account,

(iv) a Series Redemption Account and therein a Series Prepayment Subaccount and a Series Optional Redemption Subaccount, and

(v) a Series Capitalized Interest Account

for each such Series of Bonds issued hereunder;

(d) Reserve Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Reserve Account for each such Series of Bonds issued hereunder and any Bonds issued on a parity with any such Series of Bonds hereunder; and

(e) Rebate Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Rebate Account for each such Series of Tax Exempt Bonds issued hereunder.

Notwithstanding the foregoing, the Supplemental Indenture authorizing any Series of Bonds may establish such other Accounts or dispense with the Accounts set forth above as shall be deemed advisable by the District in connection with such Series of Bonds.

Section 503. Acquisition and Construction Fund.

(a) *Deposits.* The District shall pay to the Trustee, for deposit into the related Series Acquisition and Construction Account in the Acquisition and Construction Fund, as promptly as practicable, the following amounts received by it:

- (i) any amounts set forth in the Supplemental Indenture relating to such Series of Bonds;
- (ii) subject to Section 806 hereof, payments made to the District from the sale, lease or other disposition of the Series Project or any portion thereof;
- (iii) the balance of insurance proceeds with respect to the loss or destruction of the Series Project or any portion thereof; and
- (iv) amounts received from a governmental entity pursuant to an interlocal agreement or other similar agreement between the District and such governmental entity providing for the payment by such governmental entity of a portion of the Costs of a Series Project.

Amounts in such Series Acquisition and Construction Account shall be applied to the Cost of the Series Project; provided, however, that if any amounts remain in such Series Acquisition and Construction Account after the Date of Completion, and if such amounts are not reserved for payment of any remaining part of the Cost of the Series Project, such amounts shall be applied in the manner set forth in Section 404 above.

(b) *Disbursements.* Unless otherwise provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds, payments from a Series Acquisition and Construction Account shall be paid in accordance with the provisions of this subsection (b). Before any such payment shall be made, the District shall file with the Trustee a requisition substantially in the form of Exhibit A attached hereto, signed by an Authorized Officer.

Upon receipt of each such requisition and accompanying certificate the Trustee shall promptly withdraw from the Series Acquisition and Construction Account and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate the accuracy or validity of the items delivered pursuant

to this Section 503(b) or to determine that the requisition is for payment of a Cost for which payment is permitted hereunder.

(c) *Inspection.* All requisitions and certificates received by the Trustee pursuant to this Article shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the District during the normal business hours of the Trustee, the Consulting Engineer, the Owner of any Bonds of the related Series, and the agents and representatives thereof.

(d) *Completion of Series Project.* On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved by the District for the payment of any remaining part of the Cost of the Series Project shall be applied in accordance with the provisions of Section 404 hereof. The Trustee shall have no duty to determine whether the Date of Completion has occurred and the Trustee shall not be deemed to have knowledge that the Date of Completion has occurred until the Trustee has received the certificate of the Consulting Engineer establishing such Date of Completion as specified in the definition of Date of Completion in Section 101 hereof.

Section 504. Revenue Fund. The District hereby covenants and agrees that it will assess, impose, establish and collect the Pledged Revenues with respect to each Series of Bonds in amounts and at times sufficient to pay, when due, the principal of, premium, if any, and interest on such Series of Bonds. The District hereby covenants and agrees to immediately deposit upon receipt of all such Pledged Revenues (except Prepayments), when received, into the related Series Revenue Account and to immediately deposit all Prepayments, when received, into the related Series Redemption Account, unless otherwise provided for in the Supplemental Indenture relating to a Series of Bonds. The Trustee may assume that any payments made by the District are not Prepayments and are to be deposited into the applicable Series Revenue Account absent written notification to the contrary to the Trustee at the time such funds are deposited with the Trustee.

Section 505. Debt Service Fund.

(a) *Principal, Maturity Amount, Interest and Amortization Installments.* Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, on the Business Day preceding each Interest Payment Date on the Bonds, the Trustee shall withdraw from the Series Revenue Account and, from the amount so withdrawn, shall make the following deposits in the following order of priority:

(i) to the related Series Interest Account, an amount which, together with other amounts, if any, then on deposit therein will equal the amount of interest payable on such Series of Bonds on such Interest Payment Date;

(ii) to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the principal amount, if any, payable with respect to Serial Bonds of such Series of Bonds on such Interest Payment Date;

(iii) in each Bond Year in which Term Bonds of such Series of Bonds are subject to mandatory redemption from Amortization Installments, to the related Series Sinking Fund Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Amortization Installment payable on the Term Bonds of such Series of Bonds on such Interest Payment Date;

(iv) in each Bond Year in which Capital Appreciation Bonds of such Series mature, to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Maturity Amount payable with respect to the Capital Appreciation Bonds of such Series of Bonds maturing on such Interest Payment Date;

(v) to the credit of the Series Reserve Account, an amount, if any, which, together with the amount then on deposit therein, will equal the Series Reserve Account Requirement; and

(vi) to the Series Rebate Account the Rebate Amount, if any, required to be deposited therein pursuant to the Supplemental Indenture related to such Series of Tax Exempt Bonds.

Notwithstanding the foregoing, so long as there are moneys on deposit in the related Series Capitalized Interest Account on the date required for any transfer into the Series Interest Account as set forth above, the Trustee shall, prior to making any transfer into the related Series Interest Account from the related Series Revenue Account, transfer to the related Series Interest Account from the related Series Capitalized Interest Account, the lesser of the interest on such Series of Bonds coming due on the next succeeding Interest Payment Date or the amount remaining on deposit in the related Series Capitalized Interest Account.

(b) *Disposition of Remaining Amounts on Deposit in Series Revenue Account.* The District shall authorize the withdrawal, from time to time, from the Series Revenue Account an amount sufficient to pay the fees and charges of the Trustee, Bond Registrar, and Paying Agent, when due. Subject to the provisions of Section 604 hereof, if (i) the amount on deposit in the Series Interest Account, Series Principal Account, Series Sinking Fund Account, and Series Redemption Account in each Bond Year equals the interest payable on the Bonds of such Series in such Bond Year, the principal amount of all Serial Bonds payable in such Bond Year, the Maturity Amount of all Capital Appreciation Bonds due in such Bond Year and the Amortization Installments required to be paid into the Series Sinking Fund Account in such Bond Year, and (ii) any amounts remain in the Series Revenue Account, then such amounts shall, at the written direction of the District, be applied to pay the commissions, fees, costs and any other charges of the Tax Collector and the Property Appraiser, or, if such commissions, fees, costs, or other charges have been paid by the District, then to reimburse the District for such payment upon written request of an Authorized Officer. Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, if, after such amounts have been withdrawn, paid and provided for as provided above, any amounts remain in the Series Revenue Account, such amounts shall be disbursed to the District on written request of an Authorized Officer and applied to pay the operating,

administrative and maintenance costs and expenses of the District, or for any other lawful purpose of the District. After making the payments provided for in this subsection (b), the balance, if any, remaining in the Series Revenue Account shall be retained therein or, at the written direction of an Authorized Officer to the Trustee, transferred into the Series Redemption Account.

(c) *Series Reserve Account.* Moneys held for the credit of a Series Reserve Account shall be used for the purpose of paying interest or principal or Amortization Installment or Maturity Amount on the Bonds of the related Series whenever amounts on deposit in the Series Debt Service Account shall be insufficient for such purpose and as provided in Section 905 hereof.

(d) *Series Debt Service Account.* Moneys held for the credit of a Series Interest Account, Series Principal Account and Series Sinking Fund Account in a Series Debt Service Account shall be withdrawn therefrom by the Trustee and transferred by the Trustee to the Paying Agent in amounts and at times sufficient to pay, when due, the interest on the Bonds of such Series, the principal of Serial Bonds of such Series, the Maturity Amount of Capital Appreciation Bonds of such Series and the Amortization Installments of Term Bonds of such Series, as the case may be.

(e) *Series Redemption Account.* Moneys representing Prepayments on deposit in a Series Redemption Account to the full extent of a multiple of an Authorized Denomination shall, unless otherwise provided in the Supplemental Indenture relating to such Series of Bonds, be used by the Trustee to redeem Bonds of such Series on the earliest date on which such Bonds are permitted to be called without payment of premium by the terms hereof (including extraordinary or extraordinary mandatory redemption) and of the Supplemental Indenture relating to such Series of Bonds. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption. Moneys other than from Prepayments shall be held and applied in a Series Redemption Account as provided in Section 506(a) hereof.

(f) *Payment to the District.* When no Bonds of a Series remain Outstanding, and after all expenses and charges herein and in the related Supplemental Indenture required to be paid have been paid as certified to the Trustee in writing by an Authorized Officer, and after all amounts due and owing to the Trustee have been paid in full, the Trustee shall pay any balance in the Accounts for such Series of Bonds to the District upon the written direction of an Authorized Officer, free and clear of any lien and pledge created by this Master Indenture; provided, however, that if an Event of Default has occurred and is continuing in the payment of the principal or Maturity Amount of, or interest or premium on the Bonds of any other Series, the Trustee shall pay over and apply any such excess pro rata (based upon the ratio of the aggregate principal amount of such Series of Bonds to the aggregate principal amount of all Series of Bonds then Outstanding and for which such an Event of Default has occurred and is continuing) to each other Series of Bonds for which such an Event of Default has occurred and is continuing.

Section 506. Optional Redemption.

(a) *Excess Amounts in Series Redemption Account.* The Trustee shall, but only at the written direction of an Authorized Officer on or prior to the forty-fifth (45th) day preceding the date of redemption, call for redemption on each Interest Payment Date on which Bonds are subject to optional redemption, from moneys on deposit in a Series Redemption Account such amount of Authorized Denominations of Bonds of such Series then subject to optional redemption as, with the redemption premium, if any, will exhaust such amount as nearly as may be practicable. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption.

(b) *Purchase of Bonds of a Series.* The District may purchase Bonds of a Series then Outstanding at any time, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to maturity, option to redeem, rate and price, such price not to exceed the principal of such Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Bonds under the provisions of this Master Indenture and the Supplemental Indenture pursuant to which such Series of Bonds was issued if such Bonds were called for redemption on such date. Before making each such purchase, the District shall file with the Trustee a statement in writing directing the Trustee to pay the purchase price of the Bonds of such Series so purchased upon their delivery and cancellation, which statement shall set forth a description of such Bonds, the purchase price to be paid therefor, the name of the seller and the place of delivery of the Bonds. The Trustee shall pay the interest accrued on such Bonds to the date of delivery thereof from the related Series Interest Account and the principal portion of the purchase price of Serial Bonds from the related Series Principal Account, but no such purchase shall be made after the Record Date in any Bond Year in which Bonds have been called for redemption. To the extent that insufficient moneys are on deposit in a related Series Interest Account to pay the accrued interest portion of the purchase price of any Bonds or in a related Series Principal Account to pay the principal amount of the purchase price of any Serial Bond, the Trustee shall transfer into such Accounts from the related Series Revenue Account sufficient moneys to pay such respective amounts. In the event that there are insufficient moneys on deposit in the related Series Principal Account with which to pay the principal portion of the purchase price of any Term Bonds, the Trustee may, at the written direction of the District, transfer moneys into such related Series Principal Account from the related Series Revenue Account to pay the principal amount of such purchase price, but only in an amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year calculated after giving effect to any other purchases of Term Bonds during such Bond Year. The Trustee may pay the principal portion of the purchase price of Bonds from the related Series Redemption Account, but only upon delivery of written instructions from an Authorized Officer of the District to the Trustee accompanied by a certificate of an Authorized Officer: (A) stating that sufficient moneys are on deposit in the Series Redemption Account to pay the purchase price of such Bonds; (B) setting forth the amounts and maturities of Bonds of such Series which are to be redeemed from such amounts; and (C) containing cash flows which demonstrate that, after giving effect to the

purchase of Bonds in the amounts and maturities set forth in clause (B) above, the Pledged Revenues to be received by the District in the current and each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. The Trustee may pay the principal portion of the purchase price of any Term Bonds from the related Series Principal Account, but only Term Bonds of a maturity having Amortization Installments in the current Bond Year and in the principal amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year (calculated after giving effect to any other purchases of Term Bonds during such Bond Year). The Trustee may pay the principal portion of the purchase price of Term Bonds having maturities different from or in amounts greater than set forth in the next preceding sentence from amounts on deposit in the related Series Principal Account and the Trustee may transfer moneys from the related Series Revenue Account to the related Series Principal Account for such purpose, but only upon delivery of written instructions from an Authorized Officer to the Trustee accompanied by a certificate of an Authorized Officer: (x) stating that sufficient moneys are on deposit in the Series Principal Account, after giving effect to any transfers from the related Series Revenue Account, to pay the principal portion of the purchase price of such Term Bonds; (y) setting forth the amounts and maturities of Term Bonds of such Series which are to be redeemed from such amounts and the Amortization Installments against which the principal amount of such purchases are to be credited; and (z) containing cash flows which demonstrate that, after giving effect to the purchase of Term Bonds in the amounts and having the maturities and with the credits against Amortization Installments set forth in clause (y) above and any transfers from the related Series Revenue Account, the Pledged Revenues to be received by the District in the current and in each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. If any Bonds are purchased pursuant to this subsection (b), the principal amount of the Bonds so purchased shall be credited as follows:

(i) if the Bonds are to be purchased from amounts on deposit in the Prepayment Subaccount of a Series Redemption Account, against the principal coming due or Amortization Installments set forth in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(ii) if the Bonds are Term Bonds of a Series, against the Amortization Installments for Bonds of such Series first coming due in the current Bond Year, or, if such Term Bonds so purchased are to be credited against Amortization Installments coming due in any succeeding Bond Year, against the Amortization Installments on Term Bonds of such Series maturing on the same date and designated in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(iii) against the principal or Maturity Amount of Serial Bonds coming due on the maturity date of such Serial Bonds.

Section 507. Rebate Fund.

(a) *Creation.* There is created and established by Section 502 hereof a Rebate Fund, and within the Rebate Fund a Series Rebate Account for each Series of Tax Exempt Bonds. Moneys deposited and held in the Rebate Fund shall not be subject to the pledge of this Master Indenture.

(b) *Payment to United States.* The Trustee shall pay to the District upon written request of the District, the Rebate Amount required to be paid to the United States at the times, in the manner and as calculated in accordance with the Supplemental Indenture related to a Series of Tax Exempt Bonds. The Trustee shall have no responsibility for computation of the Rebate Amount and instead the District shall cause the Rebate Amount to be calculated by the Rebate Analyst and shall cause the Rebate Analyst to deliver such computation to the Trustee as provided in the Supplemental Indenture related to a Series of Tax Exempt Bonds but before the date of any required payment of the Rebate Amount to the Internal Revenue Service. The fees of, and expenses incurred by, the Rebate Analyst in computing the Rebate Amount shall be paid by the District, which amount shall be treated as administrative and operating expenses of the District payable or reimbursable from the Series Revenue Account in accordance with Section 505(b) hereof.

(c) *Deficiencies.* If the Trustee does not have on deposit in the Series Rebate Account sufficient amounts to make the payments required by this Section 507, the District shall pay, from any legally available source, the amount of any such deficiency to the United States as provided in paragraph (b) above. The Trustee shall have no duty to pay any such deficiency from its own funds.

(d) *Survival.* The covenants and agreements of the District in this Section 507, Section 809, and any additional covenants related to compliance with provisions necessary in order to preserve the exclusion of interest on the Tax-Exempt Bonds of a Series from gross income for federal income tax purposes shall survive the defeasance of the Bonds of such Series in accordance with Article XII hereof.

Section 508. Investment of Funds and Accounts. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, moneys held for the credit of the Accounts for such Series of Bonds shall be invested as hereinafter in this Section 508.

(a) *Series Acquisition and Construction Account, Series Revenue Account and Series Debt Service Account.* Moneys held for the credit of a Series Acquisition and Construction Account, a Series Revenue Account, and a Series Debt Service Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer, which Investment Obligations shall mature, or shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates, as estimated by an Authorized Officer, when moneys held for the credit of each such Account will be required for the purposes intended.

(b) *Series Reserve Account.* Moneys held for the credit of a Series Reserve Account shall be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer.

(c) *Investment Obligations as a Part of Funds and Accounts.* Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, and the interest accruing thereon and profit realized from such investment shall be credited as provided in Section 510 hereof. Any loss resulting from such investment shall be charged to such Fund or Account. The foregoing notwithstanding, for purposes of investment and to the extent permitted by law, amounts on deposit in any Fund or Account may be commingled for purposes of investment, provided adequate care is taken to account for such amounts in accordance with the prior sentence. The Trustee may, upon the written direction of an Authorized Officer, transfer investments within such Funds or Accounts without being required to sell such investments. The Trustee shall, to the extent permitted by law, sell at the best price obtainable or present for redemption any obligations so purchased whenever it shall be necessary to do so in order to provide moneys to meet any payment or transfer from any such Fund or Account. The Trustee shall not be liable or responsible for any loss resulting from any such investment or for failure to make an investment (except failure to make an investment in accordance with the written direction of an Authorized Officer) or for failure to achieve the maximum possible earnings on investments. The Trustee shall have no obligation to invest funds without written direction from an Authorized Officer.

(d) *Valuation.* In computing the value of the assets of any Fund or Account, investments and earnings thereon shall be deemed a part thereof. Unless otherwise provided in a Supplemental Indenture related to a Series of Bonds, the Trustee shall value the assets in each of the Funds and Accounts established hereunder as of September 30 of each Fiscal Year, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder, with the exception of a Series Reserve Account, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the Redemption Price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of a Series Reserve Account, obligations in which money in such Account shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (1) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (2) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

Section 509. Deficiencies and Surpluses in Funds and Accounts. For purposes of this Section 509: (a) a "deficiency" shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is less than the Series Reserve Account Requirement (but only after the Bond Year in which the amount on deposit therein first equals the Series Reserve Account Requirement), and (b) a "surplus" shall mean in the case of a Series Reserve Account, that the amount on deposit therein is in excess of the applicable Series Reserve Account Requirement.

At the time of any withdrawal from a Series Reserve Account that results in a deficiency therein, the Trustee shall promptly notify the District of the amount of any such deficiency and the Trustee shall withdraw the amount of such deficiency from the related Series Revenue Account, and, if amounts on deposit therein are insufficient therefor, the District shall pay the amount of such deficiency to the Trustee, for deposit in such Series Reserve Account, from the first legally available sources of the District.

The Trustee, as of the close of business on the last Business Day in each Bond Year, after taking into account all payments and transfers made as of such date, shall compute, in the manner set forth in Section 508(d), the value of the Series Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such Series Reserve Account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the Series Reserve Account, from any legally available sources of the District. The Trustee, as soon as practicable after such computation, shall deposit any surplus, at the written direction of an Authorized Officer, to the credit of the Series Redemption Account or the Series Principal Account or as otherwise provided in the related Supplemental Indenture.

Section 510. Investment Income. Unless otherwise provided in a Supplemental Indenture, earnings on Investments in a Series Acquisition and Construction Account, a Series Interest Account and a Series Revenue Account shall be deposited, as realized, to the credit of such Account and used for the purpose of such Account. Unless otherwise provided in a Supplemental Indenture relating to a Series of Bonds, earnings on investments in a Series Principal Account and Series Redemption Account shall be deposited, as realized, to the credit of such Series Interest Account and used for the purpose of such Account.

Earnings on investments in a Series Reserve Account shall, unless otherwise provided in a Supplemental Indenture relating to a Series of Bonds, be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series Reserve Account since such date, then earnings on investments in the Series Reserve Account shall be deposited to the Series Revenue Account.

(b) if as of the last date on which amounts on deposit in the Series Reserve Account were valued by the Trustee there was a deficiency (as defined in Section 509 above) in the Series Reserve Account, or if after such date withdrawals have been made from the Series Reserve

Account and have created such a deficiency, then earnings on investments in the Series Reserve Account shall be deposited to the Series Reserve Account until the amount on deposit therein equals the Series Reserve Account Requirement and thereafter shall be deposited to the Series Revenue Account.

Section 511. Cancellation of Bonds. All Bonds paid, redeemed or purchased, either at or before maturity, shall be canceled upon the payment, redemption or purchase of such Bonds. All Bonds canceled under any of the provisions of this Master Indenture shall be destroyed by the Paying Agent, which shall, upon request of the District, execute a certificate in duplicate describing the Bonds so destroyed. One executed certificate shall be filed with the Trustee and the other executed certificate shall be retained by the Paying Agent.

ARTICLE VI CONCERNING THE TRUSTEE

Section 601. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article, to all of which the parties hereto and the Owners agree. The Trustee shall have only those duties and obligations expressly set forth herein, and no duties or obligations shall be implied against the Trustee.

Section 602. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture, in any Supplemental Indenture or in the Bonds, save only the Trustee's authentication certificate, if any, upon the Bonds, have been made by the District and not by the Trustee, and the Trustee shall be under no responsibility for the correctness thereof.

Section 603. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Gross Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of counsel concerning all questions hereunder, and the Trustee shall not be answerable for the negligence or misconduct of any attorney, agent or employee selected by it with reasonable care. In performance of its duties hereunder, the Trustee may conclusively rely on the advice of counsel and shall not be held liable for actions taken in reliance on the advice of counsel. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture or any Supplemental Indenture nor for anything whatsoever in connection with the trust hereunder, except only its own gross negligence or willful misconduct.

Section 604. Compensation and Indemnity. The District shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, and, to the extent permitted under State law, and without waiving any limitations of liability set forth in Section 768.28, Florida Statutes, or other applicable law, shall indemnify the Trustee and hold the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder except with respect to the Trustee's own negligence or misconduct. The

Trustee shall have no duty in connection with its responsibilities hereunder to advance its own funds nor shall the Trustee have any duty to take any action hereunder without first having received indemnification satisfactory to it. If the District defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys received or held by the Trustee under this Master Indenture or any Supplemental Indenture and payable to the District other than moneys from a Credit Facility or Liquidity Facility. This provision shall survive termination of this Master Indenture and any Supplemental Indenture, and as to any Trustee, its resignation or removal thereof. As security for the foregoing, the District hereby grants to the Trustee a security interest in and to the amounts of deposit in all Series Funds and Accounts (other than the Rebate Fund) thereby, in effect, granting the Trustee a first charge against these moneys following an Event of Default for its fees and expenses (including legal counsel and default administration costs and expenses), subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 905(a) or (b) hereof, as the case may be, upon the occurrence of an Event of Default. Notwithstanding the foregoing, the indemnification provided by this Section 604 shall not be applicable in cases of the Trustee's gross negligence or willful misconduct, and shall not cause the District to waive any limitations of liability as may be set forth in Section 768.28, Florida Statutes, or other applicable law.

Section 605. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the District to require or effect or renew insurance or to report or file claims of loss thereunder.

Section 606. Notice of Default; Right to Investigate. The Trustee shall give written notice, as soon as practicable, by first-class mail to registered Owners of Bonds of all defaults of which the Trustee has actual knowledge, unless such defaults have been remedied (the term "defaults" for purposes of this Section 606 and Section 607 being defined to include the events specified as "Events of Default" in Section 902 hereof, but not including any notice or periods of grace provided for therein) or if the Trustee, based upon the advice of counsel upon which the Trustee is entitled to conclusively rely, determines that the giving of such notice is not in the best interests of the Owners of the Bonds. The Trustee will be deemed to have actual knowledge of any payment default under this Master Indenture or under any Supplemental Indenture and, after receipt of written notice thereof by a Credit Facility issuer or a Liquidity Facility issuer of a default under its respective reimbursement agreement, but shall not be deemed to have actual knowledge of any other default unless notified in writing of such default by the Owners of at least 25% in aggregate principal amount of the Bonds then Outstanding affected by such default. The Trustee may, however, at any time require of the District full information as to the performance of any covenant hereunder; and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the District, an investigation into the affairs of the District.

Section 607. Obligation to Act on Default. Before taking any action under this Master Indenture or any Supplemental Indenture in respect of an Event of Default, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to

which it may be put and to protect it against all liability, except liability resulting from its own gross negligence or willful misconduct in connection with any such action.

Section 608. Reliance by Trustee. The Trustee may conclusively rely upon in acting on any requisition, resolution, notice, telegram, request, consent, waiver, opinion, certificate, statement, affidavit, voucher, bond, or other paper or document or telephone message which it in good faith believes to be genuine and to have been passed, signed or given by the proper persons or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture or any Supplemental Indenture, and the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

Section 609. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owners may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture or any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the District.

Section 610. Construction of Ambiguous Provision. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture or any Supplemental Indenture and any construction by the Trustee shall be binding upon the Owners. The Trustee shall give prompt written notice to the District of any intention to make such construal.

Section 611. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture by written resignation filed with the Secretary of the District not less than sixty (60) days before the date when such resignation is to take effect; provided that notice of such resignation shall be sent by first-class mail to each Owner as its name and address appears on the Bond Register and to any Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee has already been appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within sixty (60) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed.

Section 612. Removal of Trustee. Any Trustee hereunder may be removed at any time upon thirty (30) days' notice, with or without cause, by a written instrument appointing a successor to the Trustee so removed, upon application of the District; provided, however, that if an Event of Default has occurred hereunder and is continuing with respect to a Series of Bonds, then the Trustee hereunder may be removed only by an instrument appointing a successor to the

Trustee so removed executed by the Majority Owners of the Series of Bonds as to which such Event of Default exists and filed with the Trustee and the District.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any material provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the District; provided that no Event of Default has occurred hereunder and is continuing, or upon the application of the Owners of not less than 20% in aggregate principal amount of the Bonds then Outstanding.

Section 613. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the District shall appoint a successor and shall mail notice of such appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Register, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer; provided, however, that the District shall not appoint a successor Trustee if an Event of Default has occurred and is continuing, unless the District shall have received the prior written consent, which consent shall not be unreasonably withheld, of any Credit Facility issuer and any Liquidity Facility issuer, to the appointment of such successor Trustee. If an Event of Default has occurred hereunder and is continuing and the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and a successor may be appointed by any court of competent jurisdiction upon the application of the Owners of not less than twenty percent (20%) in aggregate principal amount of the Bonds then Outstanding and such successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer.

Section 614. Qualification of Successor Trustee. A successor Trustee shall be a national bank with trust powers or a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

Section 615. Instruments of Succession. Except as provided in Section 616 hereof, any successor Trustee shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder and certifying that it is qualified to serve as successor Trustee hereunder, and thereupon such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. After withholding from the funds on hand any amounts owed to itself hereunder, the Trustee ceasing to act hereunder shall pay over to the successor Trustee all moneys held by it

hereunder; and the Trustee ceasing to act and the District shall execute and deliver an instrument or instruments transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the Trustee ceasing to act except for the rights granted under Section 604 hereof. The successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer.

Section 616. Merger of Trustee. Any corporation, entity or purchaser into which any Trustee hereunder may be merged or with which it may be consolidated or sold or into which all or substantially all of its corporate trust assets shall be sold or its operations conveyed, or any corporation, entity or purchaser resulting from any merger or consolidation or sale to which any Trustee hereunder shall be a party, shall be the successor Trustee under this Master Indenture, without the execution or filing of any paper or any further act on the part of the parties thereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation, entity or purchaser continuing to act as Trustee hereunder shall meet the requirements of Section 614 hereof, and if such corporation, entity or purchaser does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article VI.

Section 617. Resignation of Paying Agent or Bond Registrar. The Paying Agent or Bond Registrar may resign and be discharged of the duties created by this Master Indenture by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the District and the Trustee not less than sixty (60) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation mailed not less than sixty (60) days prior to such resignation date to each Owner as its name and address appear on the registration books of the District maintained by the Bond Registrar. Such resignation shall take effect on the date specified in such notice, unless a successor Paying Agent or Bond Registrar is previously appointed in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Bond Registrar. If the successor Paying Agent or Bond Registrar shall not have been appointed within a period of sixty (60) days following the giving of notice, then the Trustee may appoint a successor Paying Agent or Bond Registrar as provided in Section 619 hereof.

Section 618. Removal of Paying Agent or Bond Registrar. The Paying Agent or Bond Registrar may be removed at any time prior to any Event of Default by the District by filing with the Paying Agent or Bond Registrar to be removed and the Trustee, an instrument or instruments in writing executed by an Authorized Officer appointing a successor. Such removal shall be effective thirty (30) days after delivery of the instrument (or such longer period as may be set forth in such instrument); provided, however, that no such removal shall be effective until the successor Paying Agent or Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder.

Section 619. Appointment of Successor Paying Agent or Bond Registrar. In case at any time the Paying Agent or Bond Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Bond Registrar, as the case may be, and a successor shall be appointed by the District; and in case at any time the Paying Agent or Bond Registrar shall resign, then a successor shall be appointed by the District. Upon any such appointment, the District shall give written notice of such appointment to the predecessor Paying Agent or Bond Registrar, the successor Paying Agent or Bond Registrar, the Trustee and all Owners. Any new Paying Agent or Bond Registrar so appointed shall immediately and without further act supersede the predecessor Paying Agent or Bond Registrar.

Section 620. Qualifications of Successor Paying Agent or Bond Registrar. Every successor Paying Agent or Bond Registrar shall be a commercial bank or trust company (a) duly organized under the laws of the United States or any state or territory thereof, authorized by law to perform all the duties imposed upon it by this Master Indenture, and capable of meeting its obligations hereunder, and (b) have a combined net capital and surplus of at least \$50,000,000.

Section 621. Acceptance of Duties by Successor Paying Agent or Bond Registrar. Except as provided in Section 622 hereof, any successor Paying Agent or Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor Paying Agent or Bond Registrar, without any further act, deed or conveyance, shall become duly vested with all the estates, property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Bond Registrar herein. Upon request of such Paying Agent or Bond Registrar, such predecessor Paying Agent or Bond Registrar and the District shall execute and deliver an instrument transferring to such successor Paying Agent or Bond Registrar all the estates, property, rights and powers hereunder of such predecessor Paying Agent or Bond Registrar and such predecessor Paying Agent or Bond Registrar shall pay over and deliver to the successor Paying Agent or Bond Registrar all moneys and other assets at the time held by it hereunder.

Section 622. Successor by Merger or Consolidation. Any corporation, entity or purchaser into which any Paying Agent or Bond Registrar hereunder may be merged or converted or sold or with which it may be consolidated or into which substantially all of its corporate trust assets shall be sold or otherwise conveyed, or any corporation, entity or purchaser resulting from any merger, sale or consolidation or purchase to which any Paying Agent or Bond Registrar hereunder shall be a party, shall be the successor Paying Agent or Bond Registrar under this Master Indenture without the execution or filing of any paper or any further act on the part of the parties hereto, anything in this Master Indenture to the contrary notwithstanding.

Section 623. Brokerage Statements. The District acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive individual confirmations of security transactions at no additional cost,

as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish or otherwise make available to the District periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

Section 624. Patriot Act Requirements of the Trustee. To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust, or other legal entity, the Trustee will ask for documentation to verify such non-individual person's formation and existence as a legal entity. The Trustee may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

ARTICLE VII FUNDS CONSTITUTE TRUST FUNDS

Section 701. Trust Funds. Subject to the provisions of Section 604 and Section 905(a) hereof, all amounts on deposit in Funds or Accounts for the benefit of a Series of Bonds shall:

(a) be used only for the purposes and in the manner herein and in the Supplemental Indenture relating to such Series of Bonds provided and, pending such application, be held by the Trustee in trust for the benefit of the Owners of such Series of Bonds;

(b) be irrevocably pledged to the payment of such Series of Bonds, except for amounts on deposit in the Series Rebate Account in the Rebate Fund;

(c) be held and accounted for separate and apart from all other Funds and Accounts, including Accounts for other Series of Bonds, and other funds and accounts of the Trustee and the District;

(d) until applied for the purposes provided herein, be subject to a first lien in favor of the Owners of such Series of Bonds and any parity obligations to issuers of Credit Facilities or Liquidity Facilities with respect to such Series of Bonds, which lien is hereby created, prior and superior to all other liens now existing or hereafter created, and to a second lien in favor of the Trustee as security for the reasonable compensation for the services of the Trustee hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, subordinate and inferior to the security interest granted to the Owners of such Series of Bonds and any parity obligations to issuers of Credit Facilities or Liquidity Facilities with respect to such Series of Bonds, but nevertheless payable in the order of priority as set forth in Section 905(a) or (b) hereof, as applicable, upon the occurrence of an Event of Default; and

(e) shall not be subject to lien or attachment by any creditor of the Trustee or any creditor of the District or any other Series of Bonds other than the Owners of such Series of Bonds and the issuers of Credit Facilities or Liquidity Facilities with respect to such Series of Bonds.

ARTICLE VIII COVENANTS AND AGREEMENTS OF THE DISTRICT

Section 801. Payment of Bonds. The District shall duly and punctually pay or cause to be paid, but only from the Series Trust Estate with respect to each Series of Bonds, Debt Service on the dates, at the places, and in the amounts stated herein, in any Supplemental Indenture, and in the Bonds of such Series.

Section 802. Extension of Payment of Bonds. Except as provided in Section 901 hereof, the District shall not directly or indirectly extend the time for payment of the interest on any Bonds. The time for payment of Bonds of any Series shall be the time prescribed in the Supplemental Indenture relating to such Series of Bonds.

Section 803. Further Assurance. At any and all times the District shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, moneys, securities and funds hereby pledged or assigned, or intended so to be, or which the District may become bound to pledge or assign after the date of execution of this Master Indenture; provided, however, that nothing herein shall be construed as a pledge of the full faith and credit of the District or a general obligation of the District.

Section 804. Power to Issue Bonds and Create a Lien. The District hereby represents to the Trustee and to the Owners that it is and will be duly authorized under all applicable laws to issue the Bonds of each Series, to execute this Master Indenture, to adopt Supplemental Indentures, and to pledge its moneys, securities and funds in the manner and to the extent provided herein. Except as provided herein, the District hereby represents that such moneys, securities and funds of the District are and will be free and clear of any pledge, lien, charge or encumbrance thereon and all action on the part of the District to that end has been and will be duly and validly taken. The Bonds of each Series, this Master Indenture and any Supplemental Indenture are and will be the valid and legally enforceable obligations of the District, enforceable in accordance with their terms except to the extent that enforcement thereof may be subject to bankruptcy and other similar laws affecting creditors' rights generally. The District shall at all times, to the extent permitted by law, but without intending to waive any limitations on liability set forth in Section 768.28, Florida Statutes, or other applicable law, defend, preserve and protect the pledge and lien created by this Master Indenture and all the rights of the Owners hereunder against all claims and demands of all other persons whomsoever.

Section 805. Power to Undertake Series Projects and to Collect Pledged Revenues. The District has or will have upon the date of issuance of each Series of Bonds, and will have so long as any Bonds are Outstanding, good right and lawful power: (a) to undertake the Series Projects, or it will take such action on its part required which it deems reasonable in order to obtain licenses, orders, permits or other authorizations, if any, from any agency or regulatory

body having lawful jurisdiction which must be obtained in order to undertake such Series Project; and (b) to fix, levy and collect or cause to be collected any and all Pledged Revenues.

Section 806. Sale of Series Projects. The District covenants that, until such time as there are no Bonds of a Series Outstanding, it will not sell, lease or otherwise dispose of or encumber the related Series Project or any part thereof other than as provided herein. The District may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments, or other movable property acquired by the District in connection with a Series Project, or any materials used in connection therewith, if the District shall determine that such articles are no longer needed or are no longer useful in connection with the acquisition, construction, operation or maintenance of a Series Project, and the proceeds thereof may be applied to the replacement of the properties so sold or disposed of and, if not so applied, shall be deposited to the credit of the related Series Acquisition and Construction Account or, after the Date of Completion of the Series Project, applied as provided in the corresponding Supplemental Indenture. The District may from time to time sell or lease such other property forming part of a Series Project which it may determine is not needed or serves no useful purpose in connection with the maintenance and operation of such Series Project, if the Consulting Engineer shall in writing approve such sale or lease; the proceeds of any such sale shall be disposed of as hereinabove provided for the proceeds of the sale or disposal of movable property. The proceeds of any lease as described above shall be applied as provided in the corresponding Supplemental Indenture.

Notwithstanding the foregoing, the District may: (a) dispose of all or any part of a Series Project, other than a Series Project the revenues to be derived from the operation of which are pledged to a Series of Bonds, by gift or dedication thereof to any unit of local government, or to the State or any agency or instrumentality of either of the foregoing or the United States Government; and/or (b) impose, declare or grant title to or interests in the Series Project or a portion or portions thereof in order to create ingress and egress rights and public and private utility easements as the District may deem necessary or desirable for the development, use and occupancy of the property within the District; and/or (c) impose or declare covenants, conditions and restrictions pertaining to the use, occupancy and operation of the Series Projects.

Section 807. Completion and Maintenance of Series Projects. The District shall complete the acquisition and construction of a Series Project with all practical dispatch and in a sound and economical manner. So long as any Series Project is owned by the District, the District shall maintain, preserve and keep the same or cause the same to be maintained, preserved and kept, with the appurtenances and every part and parcel thereof, in good repair, working order and condition, and shall from time to time make, or cause to be made, all necessary and proper repairs, replacements and renewals so that at all times the operation thereof may be properly and advantageously conducted.

Section 808. Accounts and Reports.

(a) **Accounts Report.** The Trustee shall, within ninety (90) days after the close of each Fiscal Year so long as any Bonds are Outstanding, file with or otherwise make available to the

District a summary with respect to each Fund and Account of the deposits thereto and disbursements therefrom during such Fiscal Year and the amounts held therein at the end of such Fiscal Year, or at the option of the Trustee, such summary can be made on a monthly basis. For purposes of the foregoing, the term "Requesting Owner" shall mean the Owner (or Beneficial Owner in the case of book-entry Bonds) of more than \$1,000,000 aggregate principal amount of any Series of Bonds who requests such information from the District in writing to the District.

(b) **Inspection.** The reports, statements and other documents required to be furnished by the District to the Trustee and by the Trustee to the District pursuant to any provisions hereof shall be available for inspection by any Owner at the designated corporate trust office of the Trustee upon the giving of at least five (5) days advance written notice to the Trustee.

(c) **Reports Pursuant to Uniform Special District Accountability Act of 1989.** The District covenants and agrees that it will comply with the provisions of Chapter 189, Florida Statutes, as amended, the Uniform Special District Accountability Act of 1989, to the extent applicable to the District, including any reporting requirements contained therein which are applicable to the District. The District may contract with a service provider selected by the District to ensure such compliance.

Section 809. Arbitrage and Other Tax Covenants. The District hereby covenants that it will not take any action, and will not fail to take any action, which action or failure would cause the Tax Exempt Bonds to become "arbitrage bonds" as defined in Section 148 of the Internal Revenue Code of 1986. The District further covenants that it will take all such actions after delivery of any Tax Exempt Bonds as may be required in order for interest on such Tax Exempt Bonds to remain excludable from gross income (as defined in Section 61 of the Internal Revenue Code of 1986) of the Owners. Without limiting the generality of the foregoing, the District hereby covenants that it will, to the extent not remitted by the Trustee from funds held in a Series Rebate Account, remit to the United States the Rebate Amount at the time and place required by this Master Indenture, any Supplemental Indenture, and the Tax Regulatory Covenants. Notwithstanding the foregoing, nothing shall require the District to impose additional assessments, taxes, or other similar amounts, the imposition of which would require an action of the Governing Body.

Section 810. Enforcement of Payment of Assessments. The District will assess, levy, collect or cause to be collected and enforce the payment of Assessments and/or any other sources which constitute Pledged Revenues for the payment of any Series of Bonds in the manner prescribed by this Master Indenture, any Supplemental Indenture and all resolutions, ordinances or laws thereunto appertaining at times and in amounts as shall be necessary in order to pay, when due, the principal of and interest on the Series of Bonds to which such Pledged Revenues are pledged; and to pay or cause to be paid the proceeds of such Assessments as received to the Trustee in accordance with the provisions hereof.

Section 811. Method of Collection of Assessments. The District shall levy and collect Assessments in accordance with applicable State law, including the Act.

Section 812. Delinquent Assessments. If the owner of any lot or parcel of land shall be delinquent in the payment of any Assessment pledged to a Series of Bonds, then such Assessment shall be enforced in accordance with the provisions of the Act and Chapters 170 and/or 197, Florida Statutes, as amended, including but not limited to the sale of tax certificates and tax deeds as regards such Delinquent Assessment. In the event the provisions of Chapter 197, Florida Statutes, are inapplicable or unavailable, then upon the delinquency of any Assessment, the District, either on its own behalf or through the actions of the Trustee, may, and shall, if so directed in writing by the Majority Owners of the Bonds of such Series then Outstanding, declare the entire unpaid balance of such Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapter 173, and Sections 190.026 and/or 170.10, Florida Statutes, or otherwise as provided by law.

Notwithstanding anything to the contrary herein, the District shall be entitled to recover from any foreclosure or other enforcement action before such proceeds are applied to the payment of principal or interest on the Bonds, all fees and costs expended in connection with such foreclosure, regardless of whether such fees and costs are included as part of the Assessments or Pledged Revenues. The foregoing is not intended and does not create a right for the District to be paid prior to the Trustee's right as provided in Section 905 hereof.

Section 813. Deposit of Proceeds from Sale of Tax Certificates. If any tax certificates relating to Delinquent Assessments which are pledged to secure the payment of the principal of and interest on a Series of Bonds are sold by the Tax Collector pursuant to the provisions of Section 197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Delinquent Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the related Series Revenue Account.

Section 814. Sale of Tax Deed or Foreclosure of Assessment Lien. If any property shall be offered for sale for the nonpayment of any Assessment, which is pledged to a Series of Bonds, and no person or persons shall purchase such property for an amount greater than or equal to the full amount due on the Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may, but is not required to, then be purchased by the District for an amount equal to or less than the balance due on the Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series of Bonds to which such Assessments were pledged; provided that the Trustee shall have the right, acting at the written direction of the Majority Owners of the applicable Series of Bonds secured by such Assessment, but shall not be obligated, to direct the District with respect to any action taken pursuant to this paragraph. The District, either through its own actions or actions caused to be taken through the Trustee, shall have the power to lease or sell such property and deposit all of the net proceeds of any such lease or sale

into the related Series Revenue Account. Not less than ten (10) days prior to the filing of any foreclosure action as herein provided, the District shall cause written notice thereof to be mailed to any designated agents of the Owners of the related Series of Bonds. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the District, it shall give written notice thereof to such representatives. The District, either through its own actions or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for the listing for sale of property acquired by it as trustee for the benefit of the Owners of the related Series of Bonds within sixty (60) days after the receipt of the request therefor signed by the Majority Owners or the Trustee, acting at the written request of such Majority Owners, of the Bonds of such Series then Outstanding.

Section 815. Other Obligations Payable from Assessments. Except as otherwise provided in a Supplemental Indenture, the District will not issue or incur any obligations payable from the proceeds of Assessments securing a Series of Bonds nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge upon such Assessments except for fees, commissions, costs, and other charges payable to the Property Appraiser or to the Tax Collector pursuant to State law.

Section 816. Re-Assessments. If any Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Assessment when it might have done so, the District shall either: (a) take all necessary steps to cause a new Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement; or (b) in its sole discretion, make up the amount of such Assessment from legally available moneys, which moneys shall be deposited into the related Series Revenue Account. In case any such subsequent Assessment shall also be annulled, the District shall obtain and make other Assessments until a valid Assessment shall be made.

Section 817. General. The District shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the District under law and this Master Indenture, in accordance with the terms of such provisions.

Upon the date of issuance of each Series of Bonds, all conditions, acts and things required by law and this Master Indenture and any Supplemental Indenture to exist, to have happened and to have been performed precedent to and in the issuance of such Series of Bonds shall exist, have happened and have been performed and upon issuance, such Series of Bonds shall be within every debt and other limit prescribed by the laws of the State applicable to the District.

The District shall not enter into any contract or take any action by which the rights of the Trustee or the Owners may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the District shall maintain its

corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Series Projects, and all parts thereof owned by the District to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

ARTICLE IX EVENTS OF DEFAULT AND REMEDIES

Section 901. Extension of Interest Payment. If the time for payment of interest of a Bond of any Series shall be extended, whether or not such extension be by or with the consent of the District, such interest so extended shall not be entitled, in case of a default hereunder, to the benefit or security of this Master Indenture unless the aggregate principal amount of and all accrued interest on all Bonds then Outstanding, the time for payment of which shall not have been extended, shall have previously been paid in full.

Section 902. Events of Default. Each of the following events is hereby declared an Event of Default with respect to a Series of Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

- (a) Any payment of Debt Service on such Series of Bonds is not made when due;
- (b) The District shall for any reason be rendered incapable of fulfilling its obligations hereunder or under the Supplemental Indenture relating to such Series of Bonds;
- (c) The District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of a related Series Project;
- (d) The District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;
- (e) The District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;
- (f) Under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof,

and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;

(g) Any portion of the Assessments pledged to a Series of Bonds shall have become Delinquent Assessments and, as the result thereof, the Trustee has withdrawn funds in an amount greater than twenty-five percent (25%) of the amount on deposit in a Series Reserve Account to pay Debt Service on the corresponding Series of Bonds;

(h) More than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to Assessments pledged to a Series of Bonds are not paid by the date such are due and payable, and such default continues for sixty (60) days after the date when due; and

(i) The District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds on the part of the District to be performed (other than a default in the payment of Debt Service on the related Series of Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Bonds of such Series then Outstanding and affected by such default; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such thirty (30) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as, the District shall commence such performance within such thirty (30) day period and shall diligently and continuously prosecute the same to completion.

Section 903. Acceleration of Maturities of Bonds of a Series Under Certain Circumstances. Upon the happening and continuance of any Event of Default specified in clauses (a) through (i) of Section 902 above with respect to a Series of Bonds, the Trustee shall, upon written direction of the Majority Owners of the Bonds of such Series then Outstanding, by a notice in writing to the District, declare the aggregate principal amount of all of the Bonds of such Series then Outstanding (if not then due and payable) to be due and payable immediately and, upon such declaration, the same shall become and be immediately due and payable, anything contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture authorizing such Series to the contrary notwithstanding; provided, however, that no such declaration of acceleration shall occur in the case of Bonds of a Series secured by Assessments, except to the extent that the Assessments have been accelerated and are currently due and payable in accordance with applicable law; and provided further, however, that if at any time after the aggregate principal amount of the Bonds of any Series then Outstanding shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the

enforcement of any other remedy under this Master Indenture or the related Supplemental Indenture, moneys shall have accumulated in the related Series Revenue Account sufficient to pay the principal of all matured Bonds of such Series and all arrears of interest, if any, upon all Bonds of such Series then Outstanding (except the aggregate principal amount of any Bonds of such Series then Outstanding that is only due because of a declaration under this Section 903, and except for the interest accrued on the Bonds of such Series since the last Interest Payment Date), and all amounts then payable by the District hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Paying Agent, and every other default (other than a default in the payment of the aggregate principal amount of the Bonds of such Series then Outstanding that is due only because of a declaration under this Section 903) shall have been remedied, then the Trustee or, if the Trustee is unable or unwilling to act, the Majority Owners of such Series of Bonds then Outstanding not then due except by virtue of a declaration under this Section 903, may, by written notice to the District, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

Section 904. Enforcement of Remedies. Upon the happening and continuance of any Event of Default specified in Section 902 above with respect to a Series of Bonds, the Trustee may protect and enforce the rights of the Owners of the Bonds of such Series under State law, and under this Master Indenture, the related Supplemental Indenture and the Bonds of such Series, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein or in the related Supplemental Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Bonds of such Series then Outstanding shall, subject to the requirements of Section 607 hereof, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee hereunder, provided that such directions shall not be in conflict with any rule of law or this Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series of Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this second paragraph of this Section 904.

No Owner of such Series of Bonds shall have any right to pursue any other remedy under this Master Indenture or such Series of Bonds unless: (a) an Event of Default shall have occurred and is continuing; (b) the Majority Owners of such Series of Bonds then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the first paragraph of this Section 904 or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so,

within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such 60-day period by the Majority Owners of the Bonds of such Series then Outstanding. The provisions of the immediately preceding sentence of this Section 904 are conditions precedent to the exercise by any Owner of such Series of Bonds of any remedy hereunder. The exercise of such rights is further subject to the provisions of Sections 907, 909, 910 and the second paragraph of this Section 904. No Owner or Owners of such Series of Bonds shall have any right in any manner whatsoever to enforce any right under this Master Indenture, except in the manner herein provided.

The District covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Bonds of a Series. Notwithstanding anything to the contrary herein, and unless otherwise directed by the Majority Owners of the Bonds of a Series and allowed pursuant to federal or State law, the District acknowledges and agrees that (i) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within one hundred twenty (120) days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (ii) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Section 905. Pro Rata Application of Funds Among Owners of a Series of Bonds. Anything in this Master Indenture to the contrary notwithstanding, if at any time the moneys in the Series Funds and Accounts shall not be sufficient to pay Debt Service on the related Series of Bonds when due, such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows:

(a) Unless the aggregate principal amount of all the Bonds of such Series shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 903 of this Article, all such moneys shall be applied:

FIRST: to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid;

SECOND: to payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds of such Series, in the order in which such installments become due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to

the persons entitled thereto, without any discrimination or preference except as to any difference in the rates of interest specified in the Bonds of such Series; and

THIRD: to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds of such Series which shall have become due (other than Bonds of such Series called for redemption for the payment of which sufficient moneys are held pursuant to this Master Indenture), in the order of their due dates, with interest upon the Bonds of such Series at the rates specified therein from the dates upon which they become due to their payment date, and, if the amount available shall not be sufficient to pay in full the principal of Bonds of such Series due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Owners of the Bonds of such Series entitled thereto without any discrimination or preference except as to any difference in the foregoing rates of interest.

(b) If the aggregate principal amount of all the Bonds of a Series shall have become due and payable in accordance with their terms or shall have been declared due and payable pursuant to the provisions of Section 903 of this Article, all such moneys shall be applied first to the payment of any fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid, and, then the payment of the whole amount of principal and interest then due and unpaid upon the Bonds of such Series, without preference or priority of principal or of interest or of any installment of interest over any other, or of any Bond over any other Bond of such Series, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds of such Series.

(c) If the principal of all the Bonds of a Series shall have been declared due and payable pursuant to the provisions of Section 903 of this Article, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of Section 903 of this Article, then, if the aggregate principal amount of all of the Bonds of such Series shall later become due or be declared due and payable pursuant to the provisions of Section 903 of this Article, the moneys remaining in and thereafter accruing to the related Series Revenue Fund shall be applied in accordance with subsection (b) above.

The provisions of this Section 905 are in all respects subject to the provisions of Section 901 of this Article.

Whenever moneys are to be applied pursuant to this Section 905, such moneys shall be applied by the Trustee at such times as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application. The deposit of such moneys with the Paying Agent shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to any Owner or to any other person for any delay in applying any such funds, so long as the Trustee acts with reasonable diligence, having due regard to the

circumstances, and ultimately applies such moneys in accordance with such provisions of this Master Indenture as may be applicable at the time of application. Whenever the Trustee shall exercise such discretion in applying such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date, and shall not be required to make payment to any Owner until such Bond shall be surrendered to him for appropriate endorsement.

Section 906. Effect of Discontinuance of Proceedings. If any proceeding taken by the Trustee or any Owner on account of any default shall have been discontinued or abandoned for any reason, then the District and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Owners shall continue as though no such proceeding had been taken.

Section 907. Restriction on Individual Owner Actions. Except as provided in Section 910 below, no Owner of any of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Master Indenture or any Supplemental Indenture, or to enforce any right hereunder or thereunder except in the manner herein or therein provided, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Owners of the Bonds of such Series.

Section 908. No Remedy Exclusive. No remedy conferred upon the Trustee or the Owners is intended to be exclusive of any other remedy herein or in any Supplemental Indenture provided, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereunder.

Section 909. Delay Not a Waiver. No delay or omission of the Trustee or any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given to the Trustee and the Owners may be exercised from time to time and as often as may be deemed expedient.

Section 910. Right to Enforce Payment of Bonds. Nothing in this Article shall affect or impair the right of any Owner to enforce the payment of Debt Service on the Bond of which such person is the registered Owner, or the obligation of the District to pay Debt Service to the Owner at the time and place specified in such Bond.

Section 911. No Cross Default Among Series. The occurrence of an Event of Default hereunder or under any Supplemental Indenture with respect to any Series of Bonds shall not constitute an Event of Default with respect to any other Series of Bonds, unless the event giving rise to the Event of Default also constitutes an Event of Default hereunder or under the Supplemental Indenture with respect to such other Series of Bonds.

Section 912. Indemnification. Other than to make proper draws under a Credit Facility, the Trustee shall be under no obligation to institute any suit or to take any remedial

proceeding under this Master Indenture or any Supplemental Indenture or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to advance its own money, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability. Notwithstanding the foregoing, the indemnification provided by this Section 912 shall not be applicable in cases of the Trustee's gross negligence or willful misconduct. In the case of an indemnity from the District, such indemnity may only be provided by the District to the extent permitted by State law, and shall not cause the District to waive any limitations of liability as may be set forth in Section 768.28, Florida Statutes, or other applicable law.

Section 913. Provisions Relating to Bankruptcy or Insolvency of Landowner. (a) The provisions of this Section 913 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least three percent (3%) of the Assessments pledged to the Bonds of a Series then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

(b) The District acknowledges and agrees that, although the Bonds of a Series were issued by the District, the Owners of the Bonds of a Series are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District hereby agrees that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds of a Series then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Majority Owners of the Bonds of a Series then Outstanding shall be deemed to have consented to the proposed action if the District does not receive a written response from the Majority Owners or the Trustee, acting at the direction of such Majority Owners, within sixty (60) days following delivery to the Majority Owners and the Trustee of a written request for consent);

(ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture that

are inconsistent with any written consent received (or deemed received) from the Trustee or the Majority Owners;

(iii) the District hereby agrees that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Majority Owners of the Bonds of a Series then Outstanding shall be deemed to have consented to the proposed action if the District does not receive a written response from the Majority Owners and the Trustee within sixty (60) days following delivery to the Majority Owners or the Trustee of a written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Assessments relating to the Bonds of a Series then Outstanding would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Assessments relating to the Bonds of a Series then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the District shall not challenge the validity or amount of any claim submitted in good faith in such Proceeding by the Trustee or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Assessments relating to the Bonds of a Series then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Assessments pledged to the Bonds of a Series then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

(c) Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this Section 913 shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be

free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Assessments relating to the Bonds of a Series then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) above.

ARTICLE X EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF OWNERSHIP OF BONDS

Section 1001. Execution of Instruments by Owners and Proof of Ownership of Bonds. Any request, direction, consent or other instrument in writing required or permitted by this Master Indenture or any Supplemental Indenture to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor and may be signed or executed by Owners or their attorneys or legal representatives. Proof of the execution of any such instrument shall be sufficient for any purpose of this Master Indenture and shall be conclusive in favor of the District with regard to any action taken by it under such instrument if verified by any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

Nothing contained in this Article shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future owner of the same Bond in respect of anything done by the Trustee or the District in pursuance of such request or consent.

Section 1002. Deposit of Bonds. Notwithstanding the foregoing, neither the District nor the Trustee shall be required to recognize any person as an Owner of any Bond or to take any action at his request unless such Bond shall be deposited with the Trustee.

ARTICLE XI SUPPLEMENTAL INDENTURES

Section 1101. Supplemental Indentures Without Owners' Consent. The Governing Body from time to time may authorize such indentures supplemental hereto or amendatory hereof as shall not be inconsistent with the terms and provisions hereof (which supplemental indenture shall thereafter form a part hereof), without the consent of the Owners, for the following purposes:

- (a) to provide for the initial issuance of a Series of Bonds or Refunding Bonds; or

(b) to make any change whatsoever to the terms and provisions of this Master Indenture, but only as such change relates to a Series of Bonds upon the original issuance thereof (or upon the original issuance of Refunding Bonds which defease and discharge the Supplemental Indenture of the Series of Bonds to be refunded) under and pursuant to the terms of the Supplemental Indenture effecting such change; or

(c) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Master Indenture; or

(d) to grant to the Owners or to the Trustee on behalf of the Owners any additional rights or security that may lawfully be granted; or

(e) to add to the covenants and agreements of the District in this Master Indenture other covenants and agreements thereafter to be observed by the District to the benefit of the Owners of the Bonds then Outstanding; or

(f) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190, 197 and 298, Florida Statutes, or any other Florida Statutes, so long as, in the opinion of counsel to the District, such changes either: (i) do not have a material adverse effect on the Owners of each Series of Bonds to which such changes relate; or (ii) if such changes do have a material adverse effect, that they nevertheless are required to be made as a result of such amendments; or

(g) to modify the provisions of this Master Indenture or any Supplemental Indenture provided that such modification does not, in the written opinion of Bond Counsel, materially adversely affect the interests of the Owners of the Bonds then Outstanding, upon which opinion the Trustee may conclusively rely.

Section 1102. Supplemental Indentures With Owner Consent.

(a) Subject to the provisions contained in this Section 1102, and not otherwise, the Majority Owners of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental hereto or amendatory hereof as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of this Master Indenture; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds then Outstanding and affected by such supplement or amendment,

(i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond;

(ii) a reduction in the principal, premium, or interest on any Bond;

(iii) a preference or priority of any Bond over any other Bond; or

(iv) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture.

(b) In addition to the foregoing, the Majority Owners of any Series then Outstanding shall have the right, from time to time, anything contained in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental to the Supplemental Indenture relating to such Series of Bonds or amendatory thereof, but not hereof, as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of such Supplemental Indenture or of any indenture supplemental thereto; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds of such Series then Outstanding and affected by such amendment,

(i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond of such Series;

(ii) a reduction in the principal, premium, or interest on any Bond of such Series;

(iii) a preference or priority of any Bond of such Series over any other Bond of such Series;

(iv) a reduction in the aggregate principal amount of the Bonds of such Series required for consent to such indenture supplemental to the Supplemental Indenture; or

(v) any amendments to this Article XI.

(c) If at any time the District shall determine that it is desirable to approve any Supplemental Indenture pursuant to this Section 1102, the District shall cause the Trustee to mail, at the expense of the District, notice of the proposed approval to the Owners whose approval is required. Such notice shall be prepared by the District and shall briefly set forth the nature of the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture and shall state that copies thereof are on file with the Secretary for inspection by all affected Owners. The District shall not, however, be subject to any liability to any Owner by reason of its failure to cause the notice required by this Section 1102 to be mailed and any such failure shall not affect the validity of such Supplemental Indenture or indenture supplemental to a Supplemental Indenture when consented to and approved as provided in this Section 1102.

(d) Whenever, at any time within one (1) year after the date of the first mailing of such notice, there shall be delivered to the District an instrument or instruments in writing purporting to be executed by the Owners of the requisite principal amount of the Bonds of such Series then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the

copy thereof referred to in such notice, thereupon, but not otherwise, the Governing Body and the Trustee may approve such Supplemental Indenture and cause it to be executed, in substantially such form, without liability or responsibility to any Owner.

Section 1103. Opinion of Bond Counsel With Respect to Supplemental Indenture. In addition to the other requirements herein set forth with respect to Supplemental Indentures or indentures supplemental to a Supplemental Indenture, no such indentures shall be effective unless and until there shall have been delivered to the Trustee the opinion of Bond Counsel to the effect that such indenture is permitted pursuant to this Master Indenture and that such indenture is the valid and binding obligation of the District enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or general equitable principles, upon which opinion the Trustee may conclusively rely. In addition, if such indenture relates to a Series of Tax Exempt Bonds, such opinion shall also state that such indenture will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the related Series of Bonds. The opinions required by the foregoing shall be obtained at the expense of the District.

Section 1104. Supplemental Indenture Part of Indenture. Any supplemental indenture executed in accordance with this Article and approved as to legality by counsel to the District shall thereafter, except as otherwise provided therein, form a part of this Master Indenture. Except as applicable only to Bonds of a Series, all of the terms and conditions contained in any such supplemental indenture amendatory of this Master Indenture shall be part of the terms and conditions hereof.

Section 1105. Insurer or Issuer of a Credit Facility or Liquidity Facility as Owner of Bonds.

(a) As long as a Credit Facility or Liquidity Facility securing all or a portion of the Bonds of a Series Outstanding is in effect and the issuer thereof is not in default of any of its obligations under such Credit Facility or Liquidity Facility, as the case may be, the issuer of the Credit Facility or Liquidity Facility or the Insurer, to the extent so authorized in the applicable Supplemental Indenture, will be deemed to be the Owner of the Bonds of such Series secured by the Credit Facility or Liquidity Facility: (i) at all times for the purpose of the execution and delivery of a supplemental indenture or of any amendment, change or modification of the Master Indenture or the applicable Supplemental Indenture or the initiation by Owners of any action to be undertaken by the Trustee at the Owner's written request, which under the Master Indenture or the applicable Supplemental Indenture requires the written approval or consent of or can be initiated by the Majority Owners of the Bonds of such Series then Outstanding; (ii) at all times for the purpose of the mailing of any notice to Owners under the Master Indenture or the applicable Supplemental Indenture; and (iii) following an Event of Default for all other purposes.

(b) Notwithstanding the foregoing, neither an Insurer nor the issuer of a Credit Facility or Liquidity Facility with respect to a Series of Bonds will be deemed to be an Owner of the Bonds of such Series with respect to any such Supplemental Indenture or of any amendment,

change or modification of the Master Indenture which would have the effect of permitting: (i) a change in the terms of redemption or maturity of any Bonds of a Series then Outstanding or of any installment of interest thereon; or (ii) a reduction in the principal amount or the Redemption Price thereof or in rate of interest thereon; or (iii) reducing the percentage or otherwise affecting the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment; or (iv) creating any preference or priority of any Bond of a Series over any other Bond of such Series.

ARTICLE XII DEFEASANCE

Section 1201. Defeasance and Discharge of the Lien of this Master Indenture and Supplemental Indentures.

(a) If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon and the obligations under any Letter of Credit Agreement and any Liquidity Agreement, at the times and in the manner stipulated therein and in this Master Indenture and any Letter of Credit Agreement and any Liquidity Agreement and pays or causes to be paid all other moneys owing hereunder and under any Supplemental Indenture (including, without limitation the fees and expenses of the Trustee, including reasonable counsel fees and expenses), then the lien of this Master Indenture and all covenants, agreements and other obligations of the District to the Owners and the issuer of any Credit Facility or Liquidity Facility shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee upon the written request of the District shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee and the Paying Agent shall pay over or deliver, as directed in writing by the District, all moneys or securities held by them pursuant to this Master Indenture which are not required for the payment of principal or Redemption Price, if applicable, on Bonds not theretofore surrendered for such payment or redemption or for payment of obligations under any Letter of Credit Agreement and any Liquidity Agreement. If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds then Outstanding or of a particular maturity, of a particular Series or of any part of a particular maturity or Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Master Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture, and all covenants, agreements and obligations of the District to the Owners of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Anything to the contrary in this Section 1201 notwithstanding, this Master Indenture shall not be discharged nor shall any Bonds with respect to which moneys or Federal Securities have been deposited in accordance with the provisions of this Section 1201 cease to be entitled to the lien, benefit or security under this Master Indenture, except to the extent that the lien, benefit and security of this Master Indenture and the obligations of the District hereunder shall be limited solely to and such Bonds shall be secured solely by and be payable solely from the moneys or Federal Securities so deposited.

(b) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit pursuant to this Master Indenture of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in this Section 1201. All Bonds of any particular maturity or Series then Outstanding shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section 1201 if: (i) in case any of such Bonds are to be redeemed on any date prior to their maturity, the District shall have given to the Trustee or the Bond Registrar irrevocable instructions accepted in writing by the Trustee or the Bond Registrar to mail as provided in Article III notice of redemption of such Bonds on such date; (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Federal Securities, the principal of and the interest on which when due shall, as demonstrated in an Accountant's Certificate, provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be; (iii) the District shall have given the Trustee or the Bond Registrar in form satisfactory to it irrevocable instructions to mail, postage prepaid, to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice to the registered Owners of such Bonds and to the Bond Registrar that the deposit required by (ii) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section 1201 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on such Bonds; and (iv) an opinion of Bond Counsel to the effect that such defeasance is permitted under this Master Indenture and the Supplemental Indenture relating to the Series of Bonds so defeased and that, in the case of Tax Exempt Bonds, such defeasance will not adversely affect the tax exempt status of such Series of Bonds.

(c) Neither Federal Securities nor moneys deposited with the Trustee pursuant to this Section 1201 nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on such Bonds; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee: (i) to the extent such cash shall not be required at any time for such purpose as evidenced by an Accountant's Certificate or, and to the extent all obligations under any Letter of Credit Agreement and/or any Liquidity Agreement are satisfied, as determined by an Insurer or an issuer of any Credit Facility or Liquidity Facility securing the Bonds with respect to which such Federal Securities have been so deposited, shall be paid over upon the direction of the District as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing such Bonds or otherwise existing under this Master Indenture; and (ii) to the extent such cash shall be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on such Bonds, or obligations under any Letter of Credit

Agreement and/or any Liquidity Agreement, on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over as received by the Trustee to the District, free and clear of any lien, pledge or security interest securing such Bonds or otherwise existing under this Master Indenture. For the purposes of this provision, Federal Securities means and includes only such securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof.

(d) As to any Variable Rate Bonds, whether discharged and satisfied under the provisions of subsection (a) or (b) above, the amount required for the interest thereon shall be calculated at the maximum rate permitted by the terms of the provisions which authorized the issuance of such Variable Rate Bonds; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than such maximum rate for any period, the total amount of moneys and Investment Obligations on deposit for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds in order to fully discharge and satisfy such Bonds and obligations under any Letter of Credit Agreement and any Liquidity Agreement pursuant to the provisions of this Section 1201, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing said Variable Rate Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(e) Notwithstanding any of the provisions of this Master Indenture to the contrary, Option Bonds may only be fully discharged and satisfied either pursuant to subsection (a) above or by depositing in the Series Interest Account, the Series Principal Account, the Series Sinking Fund Account and the Series Redemption Account, or in such other accounts which are irrevocably pledged to the payment of the Option Bonds, as the District may create and establish by Supplemental Indenture, moneys which together with other moneys lawfully available therefor shall be sufficient at the time of such deposit to pay when due the maximum amount of principal of and Redemption Price, if any, and interest on such Option Bonds which could become payable to the Owners of such Bonds upon the exercise of any options provided to the Owners of such Bonds; provided however, that if, at the time a deposit is made pursuant to this subsection (e), the options originally exercisable by the Owner of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this subsection (e). If any portion of the moneys deposited for the payment of the principal of and Redemption Price, if any, and interest on Option Bonds is not required for such purpose and is not needed to reimburse an Insurer or an issuer of any Credit Facility and/or Liquidity Facility, for obligations under any Letter of Credit Agreement or any Liquidity Agreement, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing such Option Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(f) Anything in this Master Indenture to the contrary notwithstanding, any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for two (2) years after the date when such Bonds have become

due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bonds became due and payable, shall, at the written request of the District, be repaid by the Trustee or Paying Agent to the District as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of such Bonds; provided, however, that before being required to make any such payment to the District, the Trustee or Paying Agent shall, at the expense of the District, cause to be mailed, postage prepaid, to any Insurer or any issuer of any Credit Facility or Liquidity Facility, and to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice that such moneys remain unclaimed and that, after a date named in such notice, which date shall be not less than thirty (30) days after the date of the mailing of such notice, the balance of such moneys then unclaimed shall be returned to the District.

(g) In the event that the principal and Redemption Price, if applicable, and interest due on the Bonds shall be paid by the Insurer pursuant to a municipal bond insurance policy, the assignment and pledge and all covenants, agreements and other obligations of the District to the Owners of such Bonds shall continue to exist and the Insurer shall be subrogated to the rights of such Owners.

(h) Anything in this Master Indenture to the contrary notwithstanding, the provisions of the foregoing subsections (b) through (g) shall apply to the discharge of Bonds of a Series and to the discharge of the lien of any Supplemental Indenture securing such Series of Bonds as though each reference to the "Master Indenture" were a reference to such "Supplemental Indenture" and as though each reference to "Bonds then Outstanding" were a reference to the "Bonds of such Series then Outstanding."

Section 1202. Moneys Held in Trust. All moneys and obligations held by an escrow or paying agent or trustee pursuant to this Section 1202 shall be held in trust and the principal and interest of said obligations when received, and said moneys, shall be applied to the payment, when due, of the principal, interest and premium, if any, of the Bonds to be paid or to be called for redemption.

ARTICLE XIII MISCELLANEOUS PROVISIONS

On the earliest date on which there is on deposit in the Series 2023 Reserve Account, sufficient monies, after taking into account other monies available therefor, to pay and redeem all of the Outstanding Series 2023 Bonds, together with accrued interest on such Series 2023 Bonds to the earliest date of redemption permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2023 Reserve Account into the Series 2023 Prepayment Subaccount in the Series 2023 Redemption Account to pay and redeem all of the Outstanding Series 2023 Bonds on the earliest date permitted for redemption therein and herein.

Anything in the Master Indenture or herein to the contrary notwithstanding, amounts on deposit in the Series 2023 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Section 406. Amortization Installments. (a) The Amortization Installments established for the Series 2023 Bonds shall be as set forth in the form of Series 2023 Bonds attached hereto.

(b) Upon any redemption of Series 2023 Bonds (other than Series 2023 Bonds redeemed in accordance with scheduled Amortization Installments and other than Series 2023 Bonds redeemed at the direction of the District accompanied by a cash flow certificate as required by Section 506(b) of the Master Indenture), the District shall cause the Amortization Installments for the Outstanding Series 2023 Bonds to be recalculated in such manner as shall amortize all of the Outstanding Series 2023 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of each Series 2023 Bond.

Section 407. Tax Covenants and Rebate Account. The District shall comply with the Tax Regulatory Covenants set forth in the tax certificate of the District issued in connection with the

issuance of the Series 2023 Bonds, as amended and supplemented from time to time in accordance with their terms.

Section 408. Series 2023 Revenue Account; Application of Revenues and Investment Earnings. (a) The Trustee is hereby authorized and directed to deposit into the Series 2023 Revenue Account any and all amounts required to be deposited therein by this Section 408 or by any other provision of the Master Indenture or this First Supplemental Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2023 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2023 Revenue Account the Series 2023 Pledged Revenues other than Series 2023 Prepayment Principal, which shall be identified by the District to the Trustee as such in writing upon deposit and which shall be deposited into the Series 2023 Prepayment Subaccount in the Series 2023 Redemption Account, and any other revenues required by other provisions of the Indenture to be deposited therein. The Trustee may conclusively rely on the assumption that, unless otherwise instructed in writing by the District at the time of deposit to the Trustee, Series 2023 Pledged Revenues paid to the Trustee shall be deposited into the Series 2023 Revenue Account, and that Series 2023 Pledged Revenues which the District informs the Trustee constitute Series 2023 Prepayment Principal shall be deposited into the Series 2023 Prepayment Subaccount of the Series 2023 Redemption Account.

(c) On the forty-fifth (45th) day preceding each Quarterly Redemption Date with respect to the Series 2023 Bonds (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2023 Prepayment Subaccount of the Series 2023 Redemption Account and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2023 Revenue Account for deposit into the Series 2023 Prepayment Subaccount, an amount sufficient to increase the amount on deposit therein to the next highest integral multiple of \$5,000 (provided that there are sufficient funds remaining therein to pay Debt Service coming due on the Series 2023 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2023 Bonds in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2023 Prepayment Subaccount in accordance with the provisions for extraordinary redemption of the Series 2023 Bonds set forth in the form of Series 2023 Bonds attached hereto, Section 301 hereof, and Article III of the Master Indenture.

[(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day next preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2023 Capitalized Interest Account to the Series 2023 Interest Account the lesser of (x) the amount of interest coming due on the Series 2023 Bonds on such May 1 or November 1, less the amount already on deposit therein, or (y) the amount remaining in the Series 2023 Capitalized Interest Account.]

Following the foregoing transfers, on each May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day next preceding such May 1 or November 1), the Trustee shall then transfer from the amounts on deposit in the Series 2023 Revenue Account to the Funds and Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2023 Interest Account of the Series 2023 Debt Service Account, an amount equal to the amount of interest payable on all Series 2023 Bonds then Outstanding on such May 1 or November 1, less any amount transferred from the Series 2023 Capitalized Interest Account in accordance with Sections 403(b) and 408(d) hereof, and less any other amount already on deposit in the Series 2023 Interest Account not previously credited;

SECOND, on May 1, 20__, and each May 1 thereafter, to the Series 2023 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2023 Bonds subject to mandatory sinking fund redemption on such May 1, and the amount already on deposit in the Series 2023 Sinking Fund Account not previously credited;

THIRD, to the Series 2023 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2023 Reserve Account Requirement; and

FOURTH, the balance shall be retained in the Series 2023 Revenue Account.

(e) On any date required by the Tax Regulatory Covenants, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2023 Revenue Account to the Series 2023 Rebate Account established for the Series 2023 Bonds in the Rebate Fund in accordance with the Master Indenture, the amount due and owing, if any, to the United States, which amount shall be paid, to the United States, when due, in accordance with such Tax Regulatory Covenants.

(f) Anything herein or in the Master Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2023 Bonds shall be invested only in Investment Obligations, and further, earnings on the Series 2023 Acquisition and Construction Account, the Series 2023 Interest Account [and the Series 2023 Capitalized Interest Account] shall be retained, as realized, in such Accounts and used for the purpose of such Account. Earnings on investments in the Funds and Accounts other than the Series 2023 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2023 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2023 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2023 Reserve Account as of the most recent date on which amounts on deposit in the Series 2023 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2023 Reserve Account since such date which have created a

deficiency, then earnings on investments in the Series 2023 Reserve Account shall be deposited [into the Series 2023 Capitalized Interest Account through [_____] 1, 2023, and thereafter earnings in the Series 2023 Reserve Account shall be allocated to and deposited] into the Series 2023 Revenue Account and used for the purpose of such Account; and

(ii) if as of the last date on which amounts on deposit in the Series 2023 Reserve Account were valued by the Trustee there was a deficiency (as defined in Section 509 of the Master Indenture), or if after such date withdrawals have been made from the Series 2023 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2023 Reserve Account shall be deposited into the Series 2023 Reserve Account until the amount on deposit therein is equal to the Series 2023 Reserve Account Requirement, and then earnings on investments in the Series 2023 Reserve Account shall be deposited [into the Series 2023 Capitalized Interest Account through [_____] 1, 2023, and thereafter shall be allocated to and deposited into] the Series 2023 Revenue Account and used for the purpose of such Account.

Notwithstanding the foregoing, if there is a deficiency in the Series 2023 Reserve Account, prior to the deposit of any earnings in the Series 2023 Revenue Account, the amount of such proposed transfer shall instead be deposited into the Series 2023 Reserve Account until the balance on deposit therein is equal to the Series 2023 Reserve Account Requirement.

Anything herein or in the Master Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the Completion Agreement and the True-Up Agreement upon demand of the Majority Owners, or the Trustee at

On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2023 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2023 Bonds or such portions thereof on such date, interest on such Series 2023 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2023 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2023 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

The Owner of this Bond shall have no right to enforce the provisions of the Master Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Series 2023 Bonds then Outstanding under the Indenture may become and may be declared due and payable before the stated maturities thereof, with the interest accrued thereon.

Modifications or alterations of the Master Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Master Indenture.

Any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for two (2) years after the date when such Bond has become due and payable, either at its stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bond became due and payable, shall be paid to the District, and thereupon and thereafter no claimant shall have any rights against the Paying Agent to or in respect of such moneys.

If the District deposits or causes to be deposited with the Trustee cash or Federal Securities sufficient to pay the principal or Redemption Price of any Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of the Series 2023 Bonds as to the Series 2023 Trust Estate shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

This Bond is issued with the intent that the laws of the State of Florida shall govern its construction.

All acts, conditions and things required by the Constitution and laws of the State of Florida and the ordinances and resolutions of the District to happen, exist and be performed precedent to and in the issuance of this Bond and the execution of the Indenture, have happened, exist and have been performed as so required. Ladies and Gentlemen:

MBS Capital Markets, LLC (the "Underwriter") offers to enter into this Bond Purchase Agreement ("Purchase Agreement") with the Poitras East Community Development District (the "District"). This offer is made subject to written acceptance hereof by the District at or before 11:59 p.m., New York time, on the date hereof. If not so accepted, this offer will be subject to withdrawal by the Underwriter upon written notice delivered to the District at any time prior to the acceptance hereof by the District. Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such term in the Limited Offering Memorandum or in the Indenture, as applicable, each as defined herein.

1. Purchase and Sale. Upon the terms and conditions and in reliance on the representations, warranties, covenants and agreements set forth herein, the Underwriter hereby agrees to purchase from the District, and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$[Bond Amount] Poitras East Community Development District Special Assessment Revenue Bonds, Series 2023 (2023 Assessment Area) (the "Series 2023 Bonds"). The Series 2023 Bonds shall be dated as of the date of their delivery and shall be payable on the dates and principal amounts, bear such rates of interest and be subject to redemption, all as set forth in Exhibit A attached hereto. Interest on the Series 2023 Bonds is payable semi-annually on May 1 and November 1 each year, commencing May 1, 2023. The purchase price for the Series 2023 Bonds shall be \$[PP] (representing the aggregate par amount of the Series 2023 Bonds of \$[Bond Amount].00, [less/plus] [net] original issue [discount/premium] of \$[OID/OIP] and less an Underwriter's discount of \$[UD]).

The disclosure statement required by Section 218.385, Florida Statutes, is attached hereto as Exhibit B.

2. The Series 2023 Bonds. The Series 2023 Bonds are authorized and issued pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes (the "Act"), the Florida Constitution, and other applicable provisions of law, and Ordinance No. 2018-38, enacted by the City Council of the City of Orlando, Florida, on July 9, 2018 (the "Ordinance"). The District was established for the purposes, among other things, of financing and managing the acquisition, construction, installation,

maintenance, and operation of the major infrastructure within and without the boundaries of the District. The Series 2023 Bonds are being issued pursuant to the Act and a Master Trust Indenture, dated as of January 1, 2023 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture, dated as of January 1, 2023, between the District and the Trustee (the "Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), and Resolution Nos. 2020-05 and 2023-04, adopted by the Board of Supervisors of the District (the "Board") on May 19, 2020 and December 13, 2022, respectively (collectively, the "Bond Resolution"), authorizing the issuance of the Series 2023 Bonds. The Series 2023 Assessments comprising the Series 2023 Pledged Revenues have been levied by the District on the lands within the District specially benefited by the Series 2023 Project pursuant to Resolution Nos. 2020-02 and 2020-03 adopted by the Board on May 19, 2020, Resolution No. 2020-12 adopted by the Board on July 21, 2020, and a resolution to be adopted by the Board on or about [January __], 2023 (collectively, the "Assessment Resolutions").

Consistent with the requirements of the Indenture and the Act, the Series 2023 Bonds are being issued to (a) finance a portion of the Cost of the Series 2023 Project, (b) pay down the revolving line of credit secured by the Series 2020 BAN, (c) pay certain costs associated with the issuance of the Series 2023 Bonds, (d) make a deposit into the Series 2023 Reserve Account to be held for the benefit of all of the Series 2023 Bonds, without privilege or priority of one Series 2023 Bond over another, and (e) pay a portion of the interest to become due on the Series 2023 Bonds.

The principal and interest on the Series 2023 Bonds are payable from and secured by the Series 2023 Trust Estate, which includes the Series 2023 Pledged Revenues and the Series 2023 Pledged Funds. The Series 2023 Pledged Revenues consist primarily of the revenues received by the District from the Series 2023 Assessments levied against certain lands in the District that are subject to assessment as a result of the Series 2023 Project or any portion thereof. The Series 2023 Pledged Funds include all of the Funds and Accounts (except for the Series 2023 Rebate Account) established by the Indenture.

At the time of issuance of the Series 2023 Bonds, the District and/or TDCP, LLC, a Florida limited liability company (the "Master Developer") will enter into:

(a) the Continuing Disclosure Agreement (the "Continuing Disclosure Agreement") among the District, the Master Developer and PFM Group Consulting LLC (the "Dissemination Agent") dated as of the date of Closing (hereinafter defined);

(b) the [True-Up Agreement] (the "True Up Agreement") between the District and the Master Developer dated as of the date of Closing;

(c) the [Collateral Assignment] (the "Collateral Assignment") between the District and the Master Developer dated as of the date of Closing;

(d) the [Completion Agreement] (the "Completion Agreement") between the District and the Master Developer dated as of the date of Closing;

(e) the [Acquisition Agreement] (the "Acquisition Agreement") between the District and the Master Developer dated as of the date of Closing; and

(f) the [Declaration of Consent] (the "Declaration of Consent") by the Master Developer dated as of the date of Closing;

For purposes hereof, this Purchase Agreement, the Indenture, the Continuing Disclosure Agreement, the True-Up Agreement, the Collateral Assignment, the Completion Agreement, the Acquisition Agreement, and the Declaration of Consent, are referred to herein collectively as the "Financing Documents."

3. Delivery of Limited Offering Memorandum and Other Documents.

(a) Prior to the date hereof, the District provided to the Underwriter for its review the Preliminary Limited Offering Memorandum, dated [PLOM Date] (the "Preliminary Limited Offering Memorandum"), that the District deemed final as of its date, except for certain permitted omissions (the "permitted omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (the "SEC Rule") in connection with the pricing of the Series 2023 Bonds. The District hereby confirms that the Preliminary Limited Offering Memorandum was deemed final as of its date, except for the permitted omissions.

(b) The District shall deliver, or cause to be delivered, at its expense, to the Underwriter, within seven (7) business days after the date hereof, or use good faith to deliver within such shorter period as may be requested by the Underwriter and at least one (1) business day prior to the date of Closing, or within such other period as the Underwriter may inform the District which is necessary for the Underwriter to comply with regulations of the Municipal Securities Rulemaking Board ("MSRB") in order to accompany any confirmation that requests payment from any customer, sufficient copies of the final Limited Offering Memorandum (the "Limited Offering Memorandum") to enable the Underwriter to fulfill its obligations pursuant to the securities laws of the State of Florida (the "State") and the United States, in form and substance satisfactory to the Underwriter. In determining whether the number of copies to be delivered by the District are reasonably necessary, at a minimum, the number shall be determined by the Underwriter and conveyed to the District as shall be sufficient to enable the Underwriter to comply with the requirements of the SEC Rule, all applicable rules of the MSRB, and to fulfill its duties and responsibilities under State and federal securities laws generally.

The Underwriter agrees to file the Limited Offering Memorandum in accordance with applicable MSRB rules.

The District authorizes, or ratifies as the case may be, the use and distribution of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum in connection with the limited public offering and sale of the Series 2023 Bonds. The Underwriter agrees that it will not confirm the sale of any Series 2023 Bonds unless the confirmation of sale requesting payment is accompanied or preceded by the delivery of a copy of the Limited Offering Memorandum.

(c) From the date hereof until the earlier of (1) ninety (90) days from the "end of the underwriting period" (as defined in the SEC Rule), or (2) the time when the Limited Offering Memorandum is available to any person from the MSRB (but in no case less than twenty-five (25) days following the end of the underwriting period), if the District has knowledge of the occurrence of any event which may make it necessary to amend or supplement the Limited Offering Memorandum in order to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall notify the Underwriter and if, in the reasonable opinion of the District or the Underwriter, such event requires the preparation and publication of an amendment or supplement to the Limited Offering Memorandum, the District, at its expense (unless such event was caused by the Underwriter), shall promptly prepare an appropriate amendment or supplement thereto (and file, or cause to be filed, the same with the MSRB, and mail such amendment or supplement to each record owner of Series 2023 Bonds) so that the statements in the Limited Offering Memorandum as so amended or supplemented will not, in light of the circumstances under which they were made, be misleading, in a form and in a manner reasonably approved by the Underwriter. The District will promptly notify the Underwriter of the occurrence of any event of which it has knowledge which, in its opinion, is an event described in the preceding sentence. The amendments or supplements that may be authorized for use with respect to the Series 2023 Bonds are hereinafter included within the term "Limited Offering Memorandum."

4. Authority of the Underwriter. The Underwriter is duly authorized to execute this Purchase Agreement and to perform its obligations hereunder. The Underwriter hereby represents that neither it nor any "person" or "affiliate" has been on the "convicted vendor list" during the past 36 months, as all such terms are defined in Section 287.133, Florida Statutes.

5. Offering and Sale of Series 2023 Bonds. The Underwriter agrees to make a bona fide limited offering to "accredited investors" representing the general public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) of all of the Series 2023 Bonds at not in excess of the initial public offering price or prices (or below the yield or yields) set forth in Exhibit A attached hereto; provided, however, that the Underwriter may (i) offer and sell the Series 2023 Bonds to certain bond houses, brokers or to similar persons or organizations acting in the capacity of underwriters or wholesalers at prices lower than the public offering prices set forth in Exhibit A attached hereto, or (ii) change such initial offering prices (or yields) as the Underwriter deems necessary in connection with the marketing of the Series 2023 Bonds. The Underwriter agrees to assist the District in establishing the issue price as provided in Section 20 hereof.

The District hereby authorizes the Underwriter to use the Limited Offering Memorandum in connection with the limited public offering and sale of the Series 2023 Bonds and ratifies and confirms the distribution and use by the Underwriter prior to the date hereof of the Preliminary Limited Offering Memorandum in connection with such limited public offering and sale.

6. District Representations, Warranties, Covenants and Agreements. The District represents and warrants to and covenants and agrees with the Underwriter that, as of the date hereof and as of the date of Closing:

(c) The District has, or by Closing will have, duly authorized and approved (1) the execution and delivery, or adoption, as the case may be, and performance of the Bond Resolution, the Assessment Resolutions, the Financing Documents to which it is a party, the Series 2023 Assessments and the Series 2023 Bonds, (2) the use and distribution of the Preliminary Limited Offering Memorandum and the delivery and distribution of the Limited Offering Memorandum, and (3) the taking of any and all such action as may be required on the part of the District to carry out, give effect to and consummate the transactions contemplated by the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Series 2023 Assessments, the Series 2023 Bonds and the Limited Offering Memorandum.

(d) Each of the Financing Documents to which the District is a party constitutes, or will constitute at Closing, a legally valid and binding obligation of the District enforceable in accordance with its terms and, upon due authorization, execution and delivery thereof by the parties thereto, will constitute a legally valid and binding obligation of the District enforceable in accordance with its terms.

(e) When delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Purchase Agreement, the Series 2023 Bonds will have been duly authorized, executed, authenticated, issued and delivered and will constitute legally valid and binding special obligations of the District, conforming to the Act, and entitled to the benefit and security of the Indenture.

(j) Except as disclosed in the Limited Offering Memorandum, there is no action, suit, hearing, inquiry or investigation, at law or in equity, before or by any court, public board, agency or body, pending or, to the best knowledge of the District, threatened against or affecting the District or any of its supervisors in their respective capacities as such, in which an unfavorable decision, ruling or finding would, in any material way, adversely affect (1) the transactions contemplated by the Bond Resolution, the Assessment Resolutions, the Financing Documents or the Series 2023 Bonds, (2) the organization, existence or powers of the District or any of its supervisors or officers in their respective capacities as such, (3) the business, properties or assets or the condition, financial or otherwise, of the District, (4) the validity or enforceability of the Series 2023 Bonds, the Financing Documents to which it is a party, the Series 2023 Assessments or any other agreement or instrument to which the District is a party and which is used or contemplated for use in the transactions contemplated hereby or by the Indenture, (5) the exclusion from gross income for federal income tax purposes of the interest on the Series 2023 Bonds, (6) the exemption under the Act of the Series 2023 Bonds and the interest thereon from taxation imposed by the State, (7) the legality of investment in the Series 2023 Bonds for certain investors as provided in the Act, (8) the issuance, sale or delivery of the Series 2023 Bonds, or (9) the collection of the Series 2023 Assessments and the pledge thereof under the Indenture to pay the principal, premium, if any, or interest on the Series 2023 Bonds.

warranties of the District herein contained and of the information contained in the Limited Offering Memorandum and the due performance and satisfaction by the District at or prior to such time of all agreements then to be performed and all conditions then to be satisfied by it.

All of the opinions, letters, certificates, instruments and other documents mentioned above or elsewhere in this Purchase Agreement shall be deemed to be in compliance with the provisions hereof if, but only if, they are in form and substance as set forth herein or as described herein or as otherwise satisfactory to the Underwriter. Receipt of, and payment for, the Series 2023 Bonds shall constitute evidence of the satisfactory nature of such as to the Underwriter. The performance of any and all obligations of the District hereunder and the performance of any and all conditions herein for the benefit of the Underwriter may be waived by the Underwriter in their sole discretion.

If the District shall be unable to satisfy the conditions to the obligations of the Underwriter to cause the purchase, acceptance of delivery and payment for the Series 2023 Bonds contained in this Purchase Agreement, or if the obligations of the Underwriter to cause the purchase, acceptance of delivery and payment of the Series 2023 Bonds shall be terminated for any reason permitted by this Purchase Agreement, this Purchase Agreement shall terminate, and neither the Underwriter nor the District shall be under further obligation hereunder; provided, however, that the respective obligations of the Underwriter and the District set forth in Section 10 hereof shall continue in full force and effect.

9. Termination. The Underwriter may terminate this Purchase Agreement by written notice to the District in the event that between the date hereof and the date of Closing:

(a) the marketability of the Series 2023 Bonds or the market price thereof, in the reasonable opinion of the Underwriter, has been materially adversely affected by (1) an amendment to the Constitution of the United States, (2) any legislation (other than any actions taken by either House of Congress on or prior to the date hereof) (A) enacted or adopted by the United States, (B) recommended to the Congress or otherwise endorsed for passage, by press release, other form of notice or otherwise, by the President of the United States, the Chairman or ranking minority member of the Committee on Finance of the United States Senate or the Committee on Ways and Means of the United States House of Representatives, the Treasury Department of the United States or the Internal Revenue Service, or (C) favorably reported out of the appropriate Committee for passage to either House of the Congress by any full Committee of such House to which such legislation has been referred for consideration, (3) any decision of any court of the United States, (4) any order, rule or regulation (final, temporary or proposed) on behalf of the Treasury Department of the United States, the Internal Revenue Service or any other authority or regulatory body of the United States, (5) a release or announcement or communication issued or sent by the Treasury Department of the United States or the Internal Revenue Service, or (6) any comparable legislative, judicial or administrative development affecting the federal tax status of the District, its property or income, obligations of the general character of the Series 2023 Bonds, as contemplated hereby, or the interest thereon; or

(b) any legislation, rule, or regulation shall be introduced in, or be enacted or adopted in the State, or a decision by any court of competent jurisdiction within the State shall be rendered which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2023 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2023 Bonds to be purchased by it; or

(c) any amendment to the Limited Offering Memorandum is proposed by the District or deemed necessary by Bond Counsel or the Underwriter which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2023 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2023 Bonds to be purchased by it; or

(d) there shall have occurred any outbreak or escalation of hostility, declaration by the United States of a national emergency or war or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Underwriter, impractical or inadvisable to proceed with the offering or delivery of the Series 2023 Bonds as contemplated by the Limited Offering Memorandum (exclusive of any amendment or supplement thereto); or

(e) legislation shall be enacted or adopted, or any action shall be taken by, or on behalf of, the Securities and Exchange Commission (the "SEC") which, in the reasonable opinion of Bond Counsel, has the effect of requiring the contemplated distribution of the Series 2023 Bonds to be registered under the Securities Act of 1933, as amended (the "1933 Act"), or the Indenture to be qualified under the Trust Indenture Act of 1939, as amended (the "1939 Act"), or any laws analogous thereto relating to governmental bodies, and compliance therewith cannot be accomplished prior to the Closing; or

(f) legislation shall be introduced by amendment or otherwise in or be enacted by the House of Representatives or the Senate of the Congress of the United States, or a decision by a court of the United States shall be rendered, or a stop order, ruling, release, regulation, official statement or no-action letter by or on behalf of the SEC or any other governmental authority having jurisdiction of the subject matter of the Series 2023 Bonds shall have been proposed, issued or made (which is beyond the control of the Underwriter or the District to prevent or avoid) to the effect that the issuance, offering or sale of the Series 2023 Bonds as contemplated hereby or by the Limited Offering Memorandum, or any document relating to the issuance, offering or sale of the Series 2023 Bonds is or would be in violation of any of the federal securities laws at Closing, including the 1933 Act, as amended and then in effect, the Securities Exchange Act of 1934, as amended and then in effect, or the 1939 Act, as amended and then in effect, or with the purpose or effect of otherwise prohibiting the offering and sale of either the Series 2023 Bonds as contemplated hereby, or of obligations of the general character of the Series 2023 Bonds; or

(g) there shall have occurred, after the signing hereof, either a financial crisis or a default with respect to the debt obligations of the District or proceedings under the federal or State bankruptcy laws shall have been instituted by the District, in either case the effect of which, in the reasonable judgment of the Underwriter, is such as to materially and adversely affect the market price or the marketability of the Series 2023 Bonds, or the ability of the Underwriter to enforce contracts for the sale of the Series 2023 Bonds; or

(h) a general banking moratorium shall have been declared by the United States, New York or State authorities which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2023 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2023 Bonds to be purchased by it; or

(i) any national securities exchange or any governmental authority shall impose, as to the Series 2023 Bonds or obligations of the general character of the Series 2023 Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the establishment of material restrictions upon trading of securities, including limited or minimum prices, by any governmental authority or by any national securities exchange which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2023 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2023 Bonds to be purchased by it; or

(j) legal action shall have been filed against the District wherein an adverse ruling would materially adversely affect the transactions contemplated hereby or by the Limited Offering Memorandum or the validity of the Series 2023 Bonds, the Bond Resolution, the Assessment Resolutions or any of the Financing Documents; provided, however, that as to any such litigation, the District may request and the Underwriter may accept an opinion by Bond Counsel, or other counsel acceptable to the Underwriter, that in such counsel's opinion the issues raised by any such litigation or proceeding are without substance or that the contentions of any plaintiffs therein are without merit; or

(k) there shall have occurred or any notice shall have been given of any intended review, downgrading, suspension, withdrawal, or negative change in credit watch status by any national rating service to any of the District's obligations; or

(l) any information shall have become known which, in the Underwriter's reasonable opinion, makes untrue, incorrect or misleading in any material respect any statement or information contained in the Limited Offering Memorandum, as the information contained therein has been supplemented or amended by other information, or causes the Limited Offering Memorandum, as so supplemented or amended, to contain an untrue, incorrect or misleading statement of a material fact or to omit to state a material fact necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading and upon the receipt of notice of same by the District, the District fails to promptly amend or supplement the Limited Offering Memorandum; or

(m) an event occurs as a result of which the Limited Offering Memorandum, as then amended or supplemented, would include an untrue statement of a material fact or omit to state any material fact which is necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading which, in the reasonable opinion of the Underwriter, requires an amendment or supplement to the Limited Offering Memorandum and, in the reasonable opinion of the Underwriter, materially adversely affects the marketability of the Series 2023 Bonds or the contemplated offering prices thereof and upon the receipt of notice by the District, the District fails to promptly amend or supplement the Limited Offering Memorandum; or

(n) the Internal Revenue Service makes a determination with respect to any special purpose development district formed under State law (referred to herein as a "Special District") deeming that all or certain of such Special Districts are not a "political subdivision" for purposes of Section 103(a) of the Internal Revenue Code, and such determination, in the reasonable opinion of the Underwriter, materially adversely affects the federal tax status of the District, the tax exempt character or marketability of the Series 2023 Bonds, or the contemplated offering prices thereof.

10. Expenses.

(a) The District agrees to pay from the proceeds of the Series 2023 Bonds, and the Underwriter shall be under no obligation to pay, all expenses incident to the performance of the District's obligations hereunder, including but not limited to (1) the cost of the preparation, printing or other reproduction (for distribution prior to, on or after the date of acceptance of this Purchase Agreement) of a reasonable number of copies of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum, (2) the fees and disbursements of Bond Counsel, District Counsel, Underwriter's Counsel, PFM Financial Advisors LLC, as Assessment Consultant and Financial Advisor, David W. McIntosh Associates, Inc., as Consulting Engineer, and any other experts or consultants retained by the District, including, but not limited to, the fees and expenses of the District Manager, (3) the fees and disbursements of the Trustee, Bond Registrar and Paying Agent under the Indenture and (4) out-of-pocket expenses of the District.

(b) The Underwriter shall pay (1) the cost of qualifying the Series 2023 Bonds for sale in various states chosen by the Underwriter and the cost of preparing or printing any Blue Sky and legal investment memoranda to be used in connection with such sale, and (2) out-of-pocket expenses and advertising incurred by it in connection with their offering and distribution of the Series 2023 Bonds.

(c) In the event that either the District or the Underwriter shall have paid obligations of the other as set forth in this Section, adjustment shall be made at or prior to Closing.

12. Parties in Interest. This Purchase Agreement is made solely for the benefit of the District and the Underwriter (including the successors or assignees of the District or the Underwriter) and no other party or person shall acquire or have any right hereunder or by virtue hereof. All representations, warranties, covenants and agreements in this Purchase Agreement shall remain operative and in full force and effect, regardless of (a) any investigations made by or on behalf of the Underwriter, (b) the delivery of and payment for the Series 2023 Bonds pursuant to this Purchase Agreement, or (c) any termination of this Purchase Agreement but only to the extent provided by the last paragraph of Section 8 hereof.

13. Waiver. Notwithstanding any provision herein to the contrary, the performance of any and all obligations of the District hereunder and the performance of any and all conditions contained herein for the benefit of the Underwriter may be waived by the Underwriter in its sole discretion.

14. Effectiveness. This Purchase Agreement shall become effective upon the execution of the acceptance hereof by the Chairman and shall be valid and enforceable at the time of such acceptance.

15. Counterparts. This Purchase Agreement may be executed in several counterparts, each of which shall be regarded as a net original and all of which shall constitute one and the same document.

16. Headings. The headings of the sections of this Purchase Agreement are inserted for convenience only and shall not be deemed to be a part hereof.

17. Florida Law Governs. The validity, interpretation and performance of this Purchase Agreement shall be governed by the laws of the State.

18. Truth In Bonding Statement. Pursuant to the provisions of Section 218.385(2) and (3), Florida Statutes, as amended, the Underwriter provides the following truth-in-bonding statement:

(a) The District is proposing to issue \$[Bond Amount].00 of its Series 2023 Bonds for the purposes described in Section 2 hereof. This obligation is expected to be repaid over a period of approximately [30] years. At a true interest cost of approximately [TIC]%, total interest paid over the life of the obligation will be \$[_____].

(b) The sources of repayment for the Series 2023 Bonds are the Series 2023 Pledged Revenues and the Series 2023 Pledged Funds (as described in Section 2 hereof). Authorizing this obligation will result in an average of approximately \$[_____] not being available to finance other services of the District every year for approximately [30] years; provided however, that in the event that the Series 2023 Bonds were not issued, the

District would not be entitled to impose and collect the Series 2023 Assessments in the amount of the principal of and interest to be paid on the Series 2023 Bonds.

19. No Advisory or Fiduciary Role. The District acknowledges and agrees that (a) the purchase and sale of the Series 2023 Bonds pursuant to this Purchase Agreement is an arm's-length commercial transaction between the District and the Underwriter, (b) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as a principal and is not acting as an advisor (including, without limitation, a Municipal Advisor, as such term is defined in Section 975(e) of the Dodd Frank Wall Street Reform and Consumer Protection Act), agent or fiduciary of the District, (c) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the District with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter or any affiliate of the Underwriter has provided other services or is currently providing other services to the District on other matters) and the Underwriter has no obligation to the District with respect to the offering contemplated hereby except the obligations expressly set forth in this Purchase Agreement, (d) the District has consulted its own legal, financial and other advisors to the extent it has deemed appropriate in connection with the offering of the Series 2023 Bonds, (e) the Underwriter has financial and other interests that differ from those of the District, and (f) the District has received the Underwriter's G-17 Disclosure Letter.

20. Establishment of Issue Price.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2023 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit J, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2023 Bonds.

(b) Except as otherwise set forth in Exhibit A attached hereto, the District will treat the first price at which 10% of each maturity of the Series 2023 Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of Series 2023 Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Series 2023 Bonds, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Series 2023 Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing has occurred, until the 10% test has been satisfied as to the Series 2023 Bonds of that maturity or until all Series 2023 Bonds of that maturity have been sold to the public.

(c) The Underwriter confirms that it has offered the Series 2023 Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit A

attached hereto. Exhibit A also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Series 2023 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2023 Bonds, the Underwriter will neither offer nor sell unsold Series 2023 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2023 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the District when it has sold 10% of that maturity of the Series 2023 Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter acknowledges that sales of any Series 2023 Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(1) "public" means any person other than an underwriter or a related party;

(2) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2023 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2023 Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2023 Bonds to the public);

(3) a purchaser of any of the Series 2023 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

(4) "sale date" means the date of execution of this Purchase Agreement by all parties.

21. Entire Agreement. This Purchase Agreement when accepted by you in writing as heretofore specified shall constitute the entire agreement between us and is made solely for the benefit of the District and the Underwriter (including the successors or assigns of the District or the Underwriter). No other person shall acquire or have any right hereunder or by virtue hereof.

B. RELIANCE

This opinion is solely for the benefit of the (i) District; (ii) Underwriter; and (iii) Trustee; however, the Trustee may only rely on this opinion for the limited purposes of the opinions stated in Sections C.1 and C.3. This opinion may not be relied on by any other party or for any other purpose without our prior written consent. Notwithstanding the foregoing, no attorney-client relationship has existed or exists between the undersigned and the Underwriter or Trustee in connection with the Bonds by virtue of this opinion.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State of Florida, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, *Florida Statutes* ("**Act**"), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Series 2023 Trust Estate to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to authorize and execute the Assessment Resolution and to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are

assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Bonds, (c) Indenture, and (d) Bond Agreements (assuming due authorization, execution and delivery of documents (b) – (d) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court in and for Orange County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "INTRODUCTION," "SUITABILITY FOR INVESTMENT," "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Agreement for Assignment of Development Rights," "– Completion Agreement" and "– True-Up Agreement," "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "District Manager and Other Consultants"), "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS," "VALIDATION," "LITIGATION – District," "CONTINUING DISCLOSURE" (as it relates to the District only), "LEGALITY FOR INVESTMENT," and "AGREEMENT BY THE STATE," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. **Litigation** – Based on inquiry of the District's Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the

imposition, levy or collection of the Debt Assessments or the Series 2023 Trust Estate pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the Project*** – Based on certificates of the District Engineer and the Master Developer and an opinion of Master Developer's Counsel, the District has good right and lawful authority under the Act to undertake the Project being financed with the proceeds of the Bonds, subject to obtaining such licenses, orders or other authorizations as are, at the date hereof, required to be obtained from any agency or regulatory body having lawful jurisdiction in order to undertake the Project.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto. Such assumptions do not apply to District documents.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Bonds. Accordingly, we express no opinion

nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.

2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.

4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.

5. We express no opinion and make no representations with regard to financial information or statistical data. We express no opinion as to compliance with any state or federal tax laws.

6. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to whether any entity is able to convey good and marketable title to any particular real property or interest therein and related to the Project.

7. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of the District.

8. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result and are not binding on the courts or any other entity; rather, our opinions represent our professional judgment based on our review of existing law, and in reliance on the representations and covenants that we deem relevant to such opinions.

Very truly yours,

1. This Certificate is furnished pursuant to Section 8(c)(20) of the Bond Purchase Agreement, dated [BPA Date], between the District and the Underwriter (the "Purchase Agreement"), relating to the sale by the District of its \$[Bond Amount] Postras East Community Development District Special Assessment Revenue Bonds, Series 2023 (2023 Assessment Area) (the "Series 2023 Bonds"). Capitalized terms used, but not defined, herein shall have the meaning assigned thereto in the Purchase Agreement.

2. The Master Developer is a limited liability company organized and existing under the laws of the State of Florida.

3. Representatives of the Master Developer have provided information to the District and the Underwriter to be used in connection with the offering by the District of the Series 2023 Bonds, pursuant to a Preliminary Limited Offering Memorandum dated [PLOM Date] (the "Preliminary Limited Offering Memorandum") and a Limited Offering Memorandum dated [BPA Date] (the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda").

4. The Financing Documents to which the Master Developer is a party constitute valid and binding obligations of the Master Developer enforceable against the Master Developer in accordance with their respective terms.

5. The Master Developer has reviewed and approved the information contained in the Limited Offering Memoranda under the captions "THE CAPITAL IMPROVEMENT PROGRAM AND THE SERIES 2023 PROJECT," "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS," "LAKE NONA," "THE MASTER DEVELOPER," "THE SERIES 2023 ASSESSMENT AREA," "LITIGATION – Master Developer" and "CONTINUING DISCLOSURE – Master Developer Continuing Compliance" and with respect to the Master Developer and the Series 2023 Assessment Area under the captions "INTRODUCTION" and "BONDOWNERS' RISKS" and warrants and represents that such

information did not as of its date, and does not as of the date hereof, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. In addition, the Master Developer is not aware of any other information in the Limited Offering Memoranda that contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

6. The Master Developer represents and warrants that it has complied with and will continue to comply with Chapter 190.048, Florida Statutes.

7. As of the date hereof, there has been no material adverse change in the business, properties, assets or financial condition of the Master Developer which has not been disclosed in the Limited Offering Memoranda and/or in all other information provided by the Master Developer to the Underwriter or the District.

8. The Master Developer hereby consents to the levy of the Series 2023 Assessments on the lands in the District owned by the Master Developer. The levy of the Series 2023 Assessments on the lands in the District owned by the Master Developer will not conflict with or constitute a breach of or default under any agreement, mortgage, lien or other instrument to which the Master Developer is a party or to which its property or assets are subject. The Master Developer agrees and acknowledges that the Series 2023 Assessments are valid and binding first liens on the real property on which they have been levied which is owned by the Master Developer.

9. The Master Developer has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. The Master Developer has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. The Master Developer acknowledges that the Series 2023 Bonds have the debt service requirements set forth in the Limited Offering Memorandum and that the Series 2023 Assessments will be levied by the District at times, and in amounts sufficient, to enable the District to pay debt service on the Series 2023 Bonds when due.

11. To the best of my knowledge, the Master Developer is not in default under any other resolution, ordinance, agreement or indenture, mortgage, lease, deed of trust, note or other instrument to which the Master Developer is subject or by which the Master Developer or its properties are or may be bound, which would have a material adverse effect on the consummation of the transactions contemplated by the Financing Documents or on the development of the Series 2023 Assessment Area, and further, the Master Developer is current in the payment of all ad valorem, federal and state taxes associated with the Series 2023 Assessment Area.

12. Except as otherwise disclosed in the Limited Offering Memoranda, there is no action, suit or proceeding at law or in equity by or before any court or public board or body pending or, solely to the best of my knowledge, threatened against the Master Developer (or any basis therefor) (a) seeking to restrain or enjoin the execution or delivery of the Financing Documents to which the Master Developer is a party, (b) contesting or affecting the validity or enforceability of the Financing Documents, or any and all such other agreements or documents as may be required to be executed, or the transactions contemplated thereunder, or (c) contesting or affecting the establishment or existence of the Master Developer, or of the Master Developer's business, assets, property or conditions, financial or otherwise, or contesting or affecting any of the powers of the Master Developer.

13. To the best of my knowledge after due inquiry, the Master Developer is in compliance in all material respects with all provisions of applicable law in all material matters relating to the development of the Series 2023 Assessment Area as described in the Limited Offering Memoranda, including applying for all necessary permits. Except as otherwise described in the Limited Offering Memoranda, (a) the Series 2023 Assessment Area is zoned and properly designated for its intended use, (b) all government permits other than certain permits, which permits are expected to be received as needed, have been received, (c) the Master Developer is not aware of any default of any zoning condition, permit or development agreement which would adversely affect the Master Developer's ability to complete or cause the completion of development of the Series 2023 Assessment Area as described in the Limited Offering Memoranda and all appendices thereto, and (d) there is no reason to believe that any permits, consents and licenses required to complete the development of the Series 2023 Assessment Area as described in the Limited Offering Memoranda will not be obtained as required.

14. The Master Developer acknowledges that it will have no rights under Chapter 170, Florida Statutes, to prepay, without interest, the Series 2023 Assessments imposed on lands in the District owned by the Master Developer within thirty (30) days following completion of the Series 2023 Project and acceptance thereof by the District.

15. The Master Developer has never failed to timely comply with disclosure obligations pursuant to SEC Rule 15c2-12, other than as noted in the Limited Offering Memorandum under the heading "CONTINUING DISCLOSURE" and the Master Developer is not insolvent.

IN WITNESS WHEREOF, the undersigned has executed this certificate for and on behalf of the Master Developer as of the date set forth above.

FORM OF ISSUE PRICE CERTIFICATE

POITRAS EAST COMMUNITY DEVELOPMENT DISTRICT \$[Bond Amount] Special Assessment Revenue Bonds, Series 2023 (2023 Assessment Area)

The undersigned, on behalf of **MBS CAPITAL MARKETS, LLC** ("MBS"), hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the "Series 2023 Bonds"). Capitalized terms shall have the meaning ascribed in Section 2 hereof.

MBS and the District entered into a Bond Purchase Agreement on the Sale Date in connection with the sale of the Series 2023 Bonds (the "Purchase Agreement"). Pursuant to the terms of the Purchase Agreement, MBS made a bona fide limited offering of the Series 2023 Bonds to a portion of the Public representing accredited investors as required by Florida law at the prices or yields for each such maturity as shown on the cover page of the Limited Offering Memorandum, dated [BPA Date], relating to the Series 2023 Bonds.

1. Sale of the Series 2023 Bonds. As of the date of this certificate, for each Maturity of the Series 2023 Bonds, the first price at which at least 10% of such Maturity was sold to the Public is the respective price listed in Schedule A.

2. Defined Terms.

(a) *District* means Poitras East Community Development District.

(b) *Maturity* means Series 2023 Bonds with the same credit and payment terms. Series 2023 Bonds with different maturity dates, or Series 2023 Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(c) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50% common ownership, directly or indirectly.

(d) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Series 2023 Bonds. The Sale Date of the Series 2023 Bonds is [BPA Date].

(e) *Underwriter* means (i) any person that agrees pursuant to a written contract with the District to participate in the initial sale of the Series 2023 Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Series 2023 Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2023 Bonds to the Public).

3. Reserve Account. A reserve account in an amount equal to the Series 2023 Reserve Account Requirement was necessary in order to market and sell the Series 2023 Bonds given the nature of the Series 2023 Bonds which are secured by special assessments and the delinquent assessment collection procedures related thereto.

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents MBS' interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the District with respect to certain of the representations set forth in the Tax Certificate executed by the District in connection with the issuance, sale and delivery of the Series 2023 Bonds and with respect to compliance with the federal income tax rules affecting the Series 2023 Bonds, and by Bond Counsel in connection with rendering its opinion that the interest on the Series 2023 Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Series 2023 Bonds.

The Series 2023 Bonds are payable from and secured by the Series 2023 Trust Estate, which includes the Series 2023 Pledged Revenues and the Series 2023 Pledged Funds. The Series 2023 Pledged Revenues consist of the revenues received by the District from the Series 2023 Assessments (as further described herein). The Series 2023 Bonds will bear interest at the fixed rates set forth below, calculated on the basis of a 360-day year of twelve 30-day months. Interest on the Series 2023 Bonds is payable semi-annually on each May 1 and November 1, commencing May 1, 2023.

The Series 2023 Bonds are subject to optional, mandatory and extraordinary mandatory redemption at the times, in the amounts and at the redemption prices as more fully described herein. See "DESCRIPTION OF THE SERIES 2023 BONDS – Redemption Provisions" herein.

NEITHER THE SERIES 2023 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THE SERIES 2023 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2023 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2023 BONDS SHALL BE PAYABLE FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2023 TRUST ESTATE PLEDGED TO THE SERIES 2023 BONDS, ALL AS PROVIDED IN THE SERIES 2023 BONDS AND IN THE INDENTURE.

THE SERIES 2023 BONDS INVOLVE A DEGREE OF RISK (SEE "BONDOWNERS' RISKS" HEREIN) AND ARE NOT SUITABLE FOR ALL INVESTORS (SEE "SUITABILITY FOR INVESTMENT" HEREIN). THE UNDERWRITER IS

LIMITING THE OFFERING OF THE SERIES 2023 BONDS TO ACCREDITED INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. HOWEVER, THE LIMITATION OF THE INITIAL OFFERING OF THE SERIES 2023 BONDS TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2023 BONDS. THE SERIES 2023 BONDS ARE NOT CREDIT ENHANCED AND ARE NOT RATED AND NO APPLICATION HAS BEEN MADE FOR CREDIT ENHANCEMENT OR A RATING WITH RESPECT TO THE SERIES 2023 BONDS, NOR IS THERE ANY REASON TO BELIEVE THAT THE DISTRICT WOULD HAVE BEEN SUCCESSFUL IN OBTAINING EITHER CREDIT ENHANCEMENT OR A RATING FOR THE SERIES 2023 BONDS HAD APPLICATION BEEN MADE.

The Series 2023 Bonds are being issued pursuant to the Act (hereinafter defined) and a Master Trust Indenture dated as of January 1, 2023 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture dated as of January 1, 2023, between the District and the Trustee (the "Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), and resolutions adopted by the Board of Supervisors of the District (the "Board") on May 19, 2020 and December 13, 2022, authorizing the issuance of the Series 2023 Bonds. All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture, the form of which appears in composite APPENDIX C attached hereto.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes (the "Act"), the Florida Constitution, and other applicable provisions of law, and established by Ordinance No. 2018-38, enacted by the City Council of the City of Orlando, Florida (the "City"), on July 9, 2018 (the "Ordinance"). The District was established for the purpose, among other things, of financing and managing the acquisition, construction, installation, maintenance, and operation of the major infrastructure within and without the boundaries of the District. The boundaries of the District include approximately 1,061 acres of land located entirely within the City (the "District Lands") in Orange County, Florida (the "County"). For more complete information about the District, its Governing Body and the District Manager, see "THE DISTRICT" herein.

The Act authorizes the District to issue bonds for the purposes, among others, of financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping, operating and maintaining water management, water supply, sewer and wastewater management, bridges or culverts, district roads, recreational

facilities and other basic infrastructure projects within or without the boundaries of the District, all as provided in the Act.

Under the Constitution and laws of the State of Florida (the "State"), including the Act, the District has the power and authority to levy non-ad valorem assessments upon the District Lands and to issue bonds for the purposes of providing community development services and facilities, including those financed with the proceeds of the Series 2023 Bonds as described herein.

Consistent with the requirements of the Indenture and the Ordinance, the Series 2023 Bonds are being issued to (a) finance a portion of the Cost of the Series 2023 Project (hereinafter defined), (b) pay down the revolving line of credit secured by the Series 2020 BAN (hereinafter defined), (c) pay certain costs associated with the issuance of the Series 2023 Bonds, (d) make a deposit into the Series 2023 Reserve Account to be held for the benefit of all of the Series 2023 Bonds, without privilege or priority of one Series 2023 Bond over another, and (e) [pay a portion of the interest to become due on the Series 2023 Bonds].

The District is currently planned to include [2,570] residential units (including 1,800 single-family units and 770 multi-family units), 250,000 square feet of non-residential use and a variety of recreational facilities. The capital improvement program for the District (the "CIP") consists of certain infrastructure improvements for the benefit of the District Lands, including roadway construction, potable water, sanitary sewer, reclaimed water, duct bank undergrounding/streetlights, drainage, landscape/irrigation and soft costs. The initial phase of the CIP to be funded in part with net proceeds of the Series 2023 Bonds is hereinafter referred to as the "Series 2023 Project." See "THE CAPITAL IMPROVEMENT PROGRAM AND THE SERIES 2023 PROJECT" and "THE SERIES 2023 ASSESSMENT AREA" herein.

The Series 2023 Bonds are payable from and secured by the Series 2023 Trust Estate, including the revenues received by the District from the Series 2023 Assessments and amounts in the Funds and Accounts (except for the Series 2023 Rebate Account) established by the Indenture. The Series 2023 Assessments will initially be levied against approximately [] acres of assessable land (the "Series 2023 Assessment Area") anticipated to be developed into 1,267 residential units that are all subject to assessment as a result of the Series 2023 Project as described in the Assessment Report (hereinafter defined).

The Series 2023 Assessments represent an allocation of the costs of the Series 2023 Project, including bond financing costs, to certain lands within the District in accordance with the Assessment Report. The Assessment Report and assessment resolutions with respect to the Series 2023 Assessments (collectively, the "Assessment Proceedings") permit the prepayment in part or in full of the Series 2023 Assessments at any time without penalty, together with interest at the rate on the corresponding Series 2023 Bonds to the Quarterly Redemption Date that is more than forty-five (45) days next succeeding the date of prepayment. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX B – ASSESSMENT REPORT" attached hereto.

Subsequent to the issuance of the Series 2023 Bonds, the District may cause one or more Series of Bonds to be issued pursuant to the Master Indenture, subject to the terms and conditions thereof. Bonds may be issued for the purpose of paying all or part of the

Cost of a Series Project or refunding an Outstanding Series of Bonds or any portion thereof. The District covenants and agrees in the Supplemental Indenture that so long as there are any Series 2023 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Series 2023 Trust Estate other than Bonds issued to refund the Outstanding Series 2023 Bonds. The District further covenants and agrees in the Supplemental Indenture that so long as the Series 2023 Assessments have not been Substantially Absorbed, it shall not issue any Additional Bonds secured by Assessments for capital projects on lands subject at such time to the Series 2023 Assessments without the consent of the Majority Owners; provided, however, that the foregoing shall not preclude the imposition of capital Assessments at any time on property subject to the Series 2023 Assessments which the District certifies are necessary for health, safety, and welfare reasons, to remediate a natural disaster, imposed prior to the issuance of the Series 2023 Bonds, or Operation and Maintenance Assessments. "Substantially Absorbed" is defined in the Supplemental Indenture to mean the date on which the principal amount of the Series 2023 Assessments equaling ninety percent (90%) of the then-Outstanding principal amount of the Series 2023 Bonds is levied on tax parcels within the District with respect to which a certificate of occupancy has been issued for a structure thereon and are owned by end users, as certified by an Authorized Officer and upon which the Trustee may conclusively rely. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – No Parity Bonds; Limitation on Parity Assessments" herein.

There follows in this Limited Offering Memorandum a brief description of the District, Lake Nona and the Series 2023 Assessment Area, together with summaries of the terms of the Series 2023 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statutes and all references to the Series 2023 Bonds are qualified by reference to the definitive forms thereof and the information with respect thereto contained in the Indenture, the form of which appears in composite APPENDIX C attached hereto.

SUITABILITY FOR INVESTMENT

Investment in the Series 2023 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or MBS Capital Markets, LLC (the "Underwriter") to give any information or make any representations, other than those contained in this Limited Offering Memorandum. Additional information will be made available to each prospective investor, including the benefit of a site visit to the District, and the opportunity to ask questions of the District, as such prospective investor deems necessary in order to make an informed decision with respect to the purchase of the Series 2023 Bonds. Prospective investors are encouraged to request such additional information, visit the District and ask such questions.

While the Series 2023 Bonds are not subject to registration under the Securities Act of 1933, as amended (the "Securities Act"), the Underwriter has determined that the Series 2023 Bonds are not suitable for investment by persons other than, and, as required by Chapter 189, Florida Statutes, will offer the Series 2023 Bonds only to, "accredited investors," as such term is utilized in Chapter 517, Florida Statutes, and the rules promulgated thereunder. However, the limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series

2023 Bonds. Prospective investors in the Series 2023 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2023 Bonds and should have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment.

DESCRIPTION OF THE SERIES 2023 BONDS

General Description

The Series 2023 Bonds are issuable as fully registered bonds, without coupons, in denominations of \$5,000 or any integral multiple thereof; provided, however, that the Series 2023 Bonds shall be delivered to the initial purchasers thereof in minimum aggregate principal amounts of \$100,000 and integral multiples of \$5,000 in excess of \$100,000.

The Series 2023 Bonds will be dated their date of issuance and delivery to the initial purchasers thereof and will bear interest payable on each May 1 and November 1, commencing May 1, 2023 (each, an "Interest Payment Date") and shall be computed on the basis of a 360-day year of twelve 30-day months. The Series 2023 Bonds will mature on May 1 of such years, in such amounts and at such rates as set forth on the cover page of this Limited Offering Memorandum.

Interest on the Series 2023 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. Each Series 2023 Bond shall bear interest from the Interest Payment Date to which interest has been paid next preceding the date of its authentication, unless the date of its authentication (a) is an Interest Payment Date to which interest on such Series 2023 Bond has been paid, in which event such Series 2023 Bond shall bear interest from its date of authentication, or (b) is prior to the first Interest Payment Date for the Series 2023 Bonds, in which event, such Series 2023 Bond shall bear interest from its date.

Debt Service on each Series 2023 Bond will be payable on each Interest Payment Date in any coin or currency of the United States of America which, at the date of payment thereof, is legal tender for the payment of public and private debts. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the registered Owner at the close of business on the regular Record Date for such interest, which shall be the fifteenth (15th) day of the calendar month next preceding such Interest Payment Date, or, if such day is not a Business Day on the Business Day immediately preceding such day; provided, however, that on or after the occurrence and continuance of an Event of Default under clause (a) of Section 902 of the Master Indenture, the payment of interest and principal or Redemption Price or Amortization Installments shall be made by the Paying Agent (hereinafter defined) to such person who, on a special record date which is fixed by the Trustee, which shall be not more than fifteen (15) and not less than ten (10) days prior to the date of such proposed payment, appears on the registration books of the Bond Registrar as the registered Owner of a Series 2023 Bond. Any payment of principal, Maturity Amount or Redemption Price shall be made only upon presentation thereof at the designated corporate trust office of U.S. Bank Trust Company, National Association, located in Orlando, Florida, or any alternate or

successor paying agent (collectively, the "Paying Agent"), unless the Series 2023 Bonds are held in the book-entry system in which case presentation shall not be required. Payment of interest shall be made by check or draft (or by wire transfer to the registered Owner if such Owner requests such method of payment in writing on or prior to the regular Record Date for the respective interest payment to such account as shall be specified in such request, but only if the registered Owner owns not less than \$1,000,000 in aggregate principal amount of the Series 2023 Bonds).

The Series 2023 Bonds will initially be registered in the name of Cede & Co., as Nominee for The Depository Trust Company ("DTC"), which will act initially as securities depository for the Series 2023 Bonds and, so long as the Series 2023 Bonds are held in book-entry only form, Cede & Co. will be considered the registered Owner for all purposes hereof. See "- Book-Entry Only System" below for more information about DTC and its book-entry only system.

As more particularly set forth in the Indenture, any Series 2023 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2023 Bonds. Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2023 Bonds so as to reamortize the remaining Outstanding principal balance of the Series 2023 Bonds as set forth in the Supplemental Indenture.

Extraordinary Mandatory Redemption. The Series 2023 Bonds are subject to extraordinary mandatory redemption prior to maturity, in whole on any date or in part on any Quarterly Redemption Date, in the manner determined by the Bond Registrar at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the date of redemption as follows, if and to the extent that any one or more of the following shall have occurred:

(a) on or after the Date of Completion of the Series 2023 Project, by application of moneys transferred from the Series 2023 Acquisition and Construction Account to the Series 2023 Prepayment Subaccount in accordance with the terms of the Indenture; or

(b) from amounts required by the Indenture to be deposited into the Series 2023 Prepayment Subaccount including, but not limited to, Series 2023 Prepayment Principal and any excess amounts in the Series 2023 Reserve Account as a result of the deposit of such Series 2023 Prepayment Principal and any excess amount on deposit in the Series 2023 Reserve Account resulting from a reduction in the Series 2023 Reserve Account Requirement; or

(c) on the date on which the amount on deposit in the Series 2023 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2023 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2023 Bonds shall be called for redemption, the particular Series 2023 Bonds or portions of Series 2023 Bonds to be redeemed shall, unless otherwise provided in the Indenture, be selected by lot by the Bond Registrar as provided in the Indenture.

Notice of Redemption

Notice of each redemption of Series 2023 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2023 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2023 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2023 Bonds or such portions thereof on such date, interest on such Series 2023 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2023 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2023 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Book-Entry Only System

THE INFORMATION IN THIS CAPTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC AND NEITHER THE DISTRICT NOR THE UNDERWRITER MAKES ANY REPRESENTATION OR WARRANTY OR TAKES ANY RESPONSIBILITY FOR THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION.

DTC will act as securities depository for the Series 2023 Bonds. The Series 2023 Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee), or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Series 2023 Bonds and will be deposited with DTC. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (the "Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). DTC has a Standard and Poor's rating of AA+. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission ("SEC"). More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2023 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Series 2023 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2023 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from

the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2023 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2023 Bonds, except in the event that use of the book-entry system for the Series 2023 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2023 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2023 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2023 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2023 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping an account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements made among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2023 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2023 Bonds, as the case may be, to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2023 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2023 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2023 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Registrar on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Registrar or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent for the Series 2023 Bonds. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such

payments to the Beneficial Owners will be the responsibility of the Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2023 Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2023 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2023 Bond certificates will be printed and delivered to DTC.

NEITHER THE DISTRICT NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DTC PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE SERIES 2023 BONDS. THE DISTRICT CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DTC PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE SERIES 2023 BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS

General

The Series 2023 Bonds are payable from and secured by the revenues received by the District from the Series 2023 Assessments and amounts in the Funds and Accounts (except for the Series 2023 Rebate Account) established by the Indenture (collectively, the "Series 2023 Trust Estate"). Series 2023 Assessments will be allocated as described in "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein. The Series 2023 Assessments represent an allocation of the costs of the Series 2023 Project, including bond financing costs, to such benefited land within the District in accordance with the Assessment Report attached hereto as composite APPENDIX B.

NEITHER THE SERIES 2023 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THE SERIES 2023 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2023 BONDS. RATHER, DEBT

SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2023 BONDS SHALL BE PAYABLE FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2023 TRUST ESTATE PLEDGED TO THE SERIES 2023 BONDS, ALL AS PROVIDED IN THE SERIES 2023 BONDS AND IN THE INDENTURE.

No Parity Bonds; Limitation on Parity Assessments

The District covenants and agrees in the Supplemental Indenture that so long as there are any Series 2023 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Series 2023 Trust Estate other than Bonds issued to refund the Outstanding Series 2023 Bonds. The District further covenants and agrees in the Supplemental Indenture that so long as the Series 2023 Assessments have not been Substantially Absorbed, it shall not issue any Additional Bonds secured by Assessments for capital projects on lands subject at such time to the Series 2023 Assessments without the consent of the Majority Owners; provided, however, that the foregoing shall not preclude the imposition of capital Assessments at any time on property subject to the Series 2023 Assessments which the District certifies are necessary for health, safety, and welfare reasons, to remediate a natural disaster, imposed prior to the issuance of the Series 2023 Bonds, or Operation and Maintenance Assessments. "Substantially Absorbed" is defined in the Supplemental Indenture to mean the date on which the principal amount of the Series 2023 Assessments equaling ninety percent (90%) of the then-Outstanding principal amount of the Series 2023 Bonds is levied on tax parcels within the District with respect to which a certificate of occupancy has been issued for a structure thereon and are owned by end users, as certified by an Authorized Officer and upon which the Trustee may conclusively rely.

WHILE NO FUTURE ADDITIONAL BONDS WILL BE PAYABLE FROM OR SECURED BY THE SERIES 2023 ASSESSMENTS PLEDGED AS SECURITY FOR THE SERIES 2023 BONDS, THE DISTRICT, THE CITY, THE COUNTY, THE SCHOOL BOARD OF ORANGE COUNTY, FLORIDA, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF MAY IN THE FUTURE IMPOSE, LEVY AND COLLECT ASSESSMENTS AND TAXES THE LIENS OF WHICH WILL BE CO-EQUAL WITH THE LIEN OF ASSESSMENTS WHICH INCLUDES THE SERIES 2023 ASSESSMENTS SECURING THE SERIES 2023 BONDS. See "– Enforcement and Collection of Series 2023 Assessments" below.

Funds and Accounts

The Indenture requires that the Trustee establish the following Funds and Accounts: (a) an Acquisition and Construction Fund, and therein, a Series 2023 Acquisition and Construction Account and a Series 2023 Costs of Issuance Account; (b) a Debt Service Fund, and therein, (i) a Series 2023 Debt Service Account and therein a Series 2023 Sinking Fund Account, a Series 2023 Interest Account and a Series 2023 Capitalized Interest Account, and (ii) a Series 2023 Redemption Account and therein a Series 2023 Prepayment Subaccount and a Series 2023 Optional Redemption Subaccount; (c) a Reserve Fund, and therein, a Series 2023 Reserve Account, which Series 2023 Reserve Account shall be held for the benefit of all Series 2023 Bonds, without distinction as to Series 2023 Bonds and without privilege or priority of one Series 2023 Bond over another; (d) a Revenue Fund,

and therein, a Series 2023 Revenue Account; and (e) a Rebate Fund, and therein, a Series 2023 Rebate Account.

Series 2023 Reserve Account

The Series 2023 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2023 Reserve Account Requirement. "Series 2023 Reserve Account Requirement" is defined in the Supplemental Indenture to mean, until such time as the Reserve Account Release Conditions are met, an amount equal to fifty percent (50%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2023 Bonds as of the time of any such calculation, which on the date of issuance of the Series 2023 Bonds is equal to \$_____. Upon receipt by the Trustee of the Reserve Release Certifications (hereinafter defined) and thereafter, the Series 2023 Reserve Account Requirement is defined in the Supplemental Indenture to mean an amount equal to ten percent (10%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2023 Bonds as of the time of any such calculation. Excess amounts on deposit in the Series 2023 Reserve Account as a result of the Reserve Account Release Conditions having been met shall be transferred, as directed by an Authorized Officer, as provided in Section 405 of the Supplemental Indenture.

"Reserve Account Release Conditions" is defined in the Supplemental Indenture to mean, collectively, that (a) all residential units/homes subject to the Series 2023 Assessments have been built, sold and closed with end-users, (b) all Series 2023 Assessments are being collected pursuant to the Uniform Method, and (c) there are no Events of Default occurring or continuing under the Indenture with respect to the Series 2023 Bonds. An Authorized Officer shall provide a written certification to the Trustee certifying that the events in clauses (a) and (b) have occurred and affirming clause (c), on which certifications the Trustee may conclusively rely (collectively, the "Reserve Release Certifications").

Except as otherwise provided in the Indenture, amounts on deposit in the Series 2023 Reserve Account shall be used only for the purpose of making payments into the Series 2023 Interest Account and the Series 2023 Sinking Fund Account to pay Debt Service on the Series 2023 Bonds, when due, to the extent the moneys on deposit in such Accounts and available therefor are insufficient and for no other purpose. The Series 2023 Reserve Account shall consist only of cash and Investment Obligations.

Upon satisfaction of the Reserve Account Release Conditions, an Authorized Officer of the District shall provide the Reserve Release Certifications to the Trustee, upon which certifications the Trustee may conclusively rely, and thereupon an Authorized Officer of the District shall recalculate the Series 2023 Reserve Account Requirement and instruct the Trustee to transfer any excess as a result of having met the Reserve Account Release Conditions to the Series 2023 Acquisition and Construction Account to be used for the purposes of such Account unless the Series 2023 Acquisition and Construction Account has been closed in which case such excess shall be transferred to the Series 2023 Prepayment Subaccount.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such forty-

fifth (45th) day), the District shall recalculate the Series 2023 Reserve Account Requirement taking into account any Series 2023 Prepayment Principal on deposit in the Series 2023 Prepayment Subaccount of the Series 2023 Redemption Account and shall direct the Trustee in writing to transfer any amount on deposit in the Series 2023 Reserve Account in excess of the Series 2023 Reserve Account Requirement as a result of such Series 2023 Prepayment Principal to the Series 2023 Prepayment Subaccount as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel. Following the foregoing transfer, such amounts in the Series 2023 Prepayment Subaccount shall be applied to the extraordinary mandatory redemption of the Series 2023 Bonds on the earliest date permitted for redemption therein and in the Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2023 Reserve Account, sufficient monies, after taking into account other monies available therefor, to pay and redeem all of the Outstanding Series 2023 Bonds, together with accrued interest on such Series 2023 Bonds to the earliest date of redemption permitted therein and in the Supplemental Indenture, then the Trustee shall transfer the amount on deposit in the Series 2023 Reserve Account into the Series 2023 Prepayment Subaccount in the Series 2023 Redemption Account to pay and redeem all of the Outstanding Series 2023 Bonds on the earliest date permitted for redemption therein and in the Supplemental Indenture.

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in the Series 2023 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Series 2023 Revenue Account

(a) Pursuant to the Supplemental Indenture, the Trustee is authorized and directed to deposit into the Series 2023 Revenue Account any and all amounts required to be deposited therein by the Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2023 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2023 Revenue Account the Series 2023 Pledged Revenues other than Series 2023 Prepayment Principal, which shall be identified by the District to the Trustee as such in writing upon deposit and which shall be deposited into the Series 2023 Prepayment Subaccount in the Series 2023 Redemption Account, and any other revenues required by other provisions of the Indenture to be deposited therein. The Trustee may conclusively rely on the assumption that, unless otherwise instructed in writing by the District at the time of deposit to the Trustee, Series 2023 Pledged Revenues paid to the Trustee shall be deposited into the Series 2023 Revenue Account, and that Series 2023 Pledged Revenues which the District informs the Trustee constitute Series 2023 Prepayment Principal shall be deposited into the Series 2023 Prepayment Subaccount of the Series 2023 Redemption Account.

(c) On the forty-fifth (45th) day preceding each Quarterly Redemption Date with respect to the Series 2023 Bonds (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2023 Prepayment Subaccount of the Series 2023 Redemption Account and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2023 Revenue Account for deposit into the Series 2023 Prepayment Subaccount, an amount sufficient to increase the amount on deposit therein to the next highest integral multiple of \$5,000 (provided that there are sufficient funds remaining therein to pay Debt Service coming due on the Series 2023 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2023 Bonds in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2023 Prepayment Subaccount in accordance with the provisions for extraordinary redemption of the Series 2023 Bonds set forth in the form of Series 2023 Bonds attached to the Supplemental Indenture and in accordance with the provisions of the Indenture.

(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day next preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2023 Capitalized Interest Account to the Series 2023 Interest Account the lesser of (x) the amount of interest coming due on the Series 2023 Bonds on such May 1 or November 1, less the amount already on deposit therein, or (y) the amount remaining in the Series 2023 Capitalized Interest Account.

Following the foregoing transfers, on each May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day next preceding such May 1 or November 1), the Trustee shall then transfer from the amounts on deposit in the Series 2023 Revenue Account to the Funds and Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2023 Interest Account, an amount equal to the amount of interest payable on all Series 2023 Bonds then Outstanding on such May 1 or November 1, less any amount transferred from the Series 2023 Capitalized Interest Account in accordance with Sections 403(b) and 408(d) of the Supplemental Indenture, and less any other amount already on deposit in the Series 2023 Interest Account not previously credited;

SECOND, on May 1, 20__, and each May 1 thereafter, to the Series 2023 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2023 Bonds subject to mandatory sinking fund redemption on such May 1, and the amount already on deposit in the Series 2023 Sinking Fund Account not previously credited;

THIRD, to the Series 2023 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2023 Reserve Account Requirement; and

FOURTH, the balance shall be retained in the Series 2023 Revenue Account.

(e) On any date required by the Tax Regulatory Covenants, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2023 Revenue Account to the Series 2023 Rebate Account established for the Series 2023 Bonds in the Rebate Fund in accordance with the Master Indenture, the amount due and owing, if any, to the United States, which amount shall be paid, to the United States, when due, in accordance with such Tax Regulatory Covenants.

Investments

Anything in the Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2023 Bonds shall be invested only in Investment Obligations, and further, earnings on the Series 2023 Acquisition and Construction Account, the Series 2023 Interest Account and the Series 2023 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2023 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2023 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2023 Reserve Account shall be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2023 Reserve Account as of the most recent date on which amounts on deposit in the Series 2023 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2023 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2023 Reserve Account shall be deposited into the Series 2023 Capitalized Interest Account through [_____] 1, 2023, and thereafter earnings in the Series 2023 Reserve Account shall be allocated to and deposited into the Series 2023 Revenue Account and used for the purpose of such Account; and

(b) if as of the last date on which amounts on deposit in the Series 2023 Reserve Account were valued by the Trustee there was a deficiency (as defined in Section 509 of the Master Indenture), or if after such date withdrawals have been made from the Series 2023 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2023 Reserve Account shall be deposited into the Series 2023 Reserve Account until the amount on deposit therein is equal to the Series 2023 Reserve Account Requirement, and then earnings on investments in the Series 2023 Reserve Account shall be deposited into the Series 2023 Capitalized Interest Account through [_____] 1, 2023, and thereafter shall be allocated to and deposited into the Series 2023 Revenue Account and used for the purpose of such Account.

Notwithstanding the foregoing, if there is a deficiency in the Series 2023 Reserve Account, prior to the deposit of any earnings in the Series 2023 Revenue Account, the amount of such proposed transfer shall instead be deposited into the Series 2023 Reserve Account until the balance on deposit therein is equal to the Series 2023 Reserve Account Requirement.

Series 2023 Acquisition and Construction Account

Amounts on deposit in the Series 2023 Acquisition and Construction Account shall be applied to pay Costs of the Series 2023 Project upon compliance with the requisition provisions set forth in Section 503(b) of the Master Indenture and the form attached as Exhibit A to the Master Indenture. The Trustee shall have no duty to review the requisition to determine if the amount requested is for payment of a cost permitted under the Indenture. Anything in the Master Indenture to the contrary notwithstanding, the Consulting Engineer shall establish a Date of Completion for the Series 2023 Project, and any balance remaining in the Series 2023 Acquisition and Construction Account (taking into account the moneys currently on deposit therein to pay any accrued but unpaid Costs of the Series 2023 Project which are required to be reserved in the Series 2023 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be deposited to the Series 2023 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2023 Bonds in accordance with the Indenture and in the manner prescribed in the form of Series 2023 Bonds attached to the Supplemental Indenture. Notwithstanding the foregoing, the District shall not establish a Date of Completion for the Series 2023 Project until after the Reserve Account Release Conditions have been satisfied and all moneys that have been transferred from the Series 2023 Reserve Account into the Series 2023 Acquisition and Construction Account as a result of such satisfaction pursuant to Section 405 of the Supplemental Indenture have been expended or the Consulting Engineer has certified in writing to the District and the Trustee that such amount is in excess of the amount needed to complete the Series 2023 Project. At such time as there are no amounts on deposit in the Series 2023 Acquisition and Construction Account and either the Reserve Account Release Conditions have been met or the Date of Completion of the Series 2023 Project has been established, the Series 2023 Acquisition and Construction Account shall be closed.

Agreement for Assignment of Development Rights

Contemporaneously with the issuance of the Series 2023 Bonds, TDCP, LLC, a Florida limited liability company (the "Master Developer") and the District will enter into a [Collateral Assignment and Assumption of Development and Contract Rights Relating to the Series 2023 Project] (the "Collateral Assignment"). The Collateral Assignment provides, among other things, that in the event the Master Developer defaults in the payment of Series 2023 Assessments levied on lands owned by the Master Developer, the District may exercise its remedial rights thereunder. Pursuant to the Collateral Assignment, the Master Developer agrees, subject to the provisions of the Collateral Assignment, to collaterally assign to the District all of its development rights and contract rights relating to lands benefited by the Series 2023 Project (the "Development and Contract Rights") as security for the Master Developer's payment and performance and discharge of its obligation to pay the Series 2023 Assessments levied against the lands owned by the Master Developer within the District. Such Development and Contract Rights specifically exclude any such portion of the Development and Contract Rights which relate solely to any property which has been conveyed to a landowner resulting from the sale of land in the ordinary course of business, the City, the County, the District, any applicable homeowner's association or other governing entity or association as may be

required by applicable permits, approvals, plats, entitlements or regulations affecting the Series 2023 Assessment Area, if any.

Completion Agreement

In connection with the issuance of the Series 2023 Bonds, the District and the Master Developer will enter into an agreement (the "Completion Agreement") pursuant to which the Master Developer will agree to provide funds to complete the Series 2023 Project to the extent that proceeds of the Series 2023 Bonds and any future Series of Bonds are insufficient therefor. Remedies for a default under the Completion Agreement include damages and/or specific performance.

True-Up Agreement

In connection with the issuance of the Series 2023 Bonds, the District and the Master Developer will enter into an agreement (the "True-Up Agreement") pursuant to which the Master Developer agrees to timely pay all Series 2023 Assessments on lands owned by the Master Developer within the Series 2023 Assessment Area and to pay when requested by the District any amount of Series 2023 Assessments allocated to unplatted acres in excess of the allocation in place at the time of issuance of the Series 2023 Bonds.

Enforcement of Completion Agreement and True-Up Agreement

Pursuant to the Indenture, the District, either through its own actions or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the Completion Agreement and the True-Up Agreement and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, shall act on behalf of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything in the Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the Completion Agreement and the True-Up Agreement upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture without benefit of any period for cure.

Owner Direction and Consent with Respect to Series 2023 Acquisition and Construction Account upon Occurrence of Event of Default

In accordance with the provisions of the Indenture, the Series 2023 Bonds are secured solely by the Series 2023 Pledged Revenues and the Series 2023 Pledged Funds comprising the Series 2023 Trust Estate. Anything in the Indenture to the contrary notwithstanding, the District acknowledges that (a) the Series 2023 Pledged Funds include, without limitation, all amounts on deposit in the Series 2023 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2023 Bonds, the Series 2023 Pledged Funds may not be used by the District (whether to pay Costs of the Series 2023 Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the

Series 2023 Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2023 Bonds, the Series 2023 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Series 2023 Project after the occurrence of an Event of Default unless authorized in writing by the Majority Owners.

Events of Default and Remedies

The Master Indenture provides that each of the following shall be an "Event of Default" with respect to the Series 2023 Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

- (a) any payment of Debt Service on the Series 2023 Bonds is not made when due;
- (b) the District shall for any reason be rendered incapable of fulfilling its obligations under the Indenture;
- (c) the District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the Series 2023 Project;
- (d) the District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;
- (e) the District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;
- (f) under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;
- (g) any portion of the Series 2023 Assessments shall have become Delinquent Assessments and, as the result thereof, the Trustee has withdrawn funds in an amount greater than twenty-five percent (25%) of the amount on deposit in the Series 2023 Reserve Account to pay Debt Service on the Series 2023 Bonds;
- (h) more than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to the Series 2023 Assessments are not paid by the date such are due and payable, and such default continues for sixty (60) days after the date when due; and

(i) the District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Series 2023 Bonds or in the Indenture on the part of the District to be performed (other than a default in the payment of Debt Service on the Series 2023 Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Series 2023 Bonds then Outstanding and affected by such default; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such thirty (30) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as, the District shall commence such performance within such thirty (30) day period and shall diligently and continuously prosecute the same to completion.

The District covenants and agrees in the Indenture that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Series 2023 Bonds. Notwithstanding anything to the contrary in the Indenture, and unless otherwise directed by the Majority Owners of the Series 2023 Bonds and allowed pursuant to federal or State law, the District acknowledges and agrees that (a) upon failure of any property owner to pay an installment of Series 2023 Assessments collected directly by the District when due, that the entire Series 2023 Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel, and (b) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Provisions Relating to Bankruptcy or Insolvency of Landowner

The provisions of Section 913 of the Master Indenture, as summarized below, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least three percent (3%) of the Series 2023 Assessments pledged to the Series 2023 Bonds then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

The District acknowledges and agrees in the Indenture that, although the Series 2023 Bonds were issued by the District, the Owners of the Series 2023 Bonds are categorically the party with the ultimate financial stake in the transaction and,

consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(a) the District agrees that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2023 Bonds then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2023 Assessments relating to the Series 2023 Bonds then Outstanding, the Series 2023 Bonds then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Majority Owners shall be deemed to have consented to the proposed action if the District does not receive a written response from the Majority Owners or the Trustee, acting at the direction of such Majority Owners, within sixty (60) days following delivery to the Majority Owners and the Trustee of a written request for consent);

(b) the District agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2023 Assessments relating to the Series 2023 Bonds then Outstanding, the Series 2023 Bonds then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee or the Majority Owners;

(c) the District agrees that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Majority Owners shall be deemed to have consented to the proposed action if the District does not receive a written response from the Majority Owners and the Trustee within sixty (60) days following delivery to the Majority Owners or the Trustee of a written request for consent);

(d) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Series 2023 Assessments relating to the Series 2023 Bonds then Outstanding, would have the right to pursue and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Series 2023 Assessments relating to the Series 2023 Bonds then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(e) the District shall not challenge the validity or amount of any claim submitted in good faith in such Proceeding by the Trustee or any valuations of the lands owned by any

Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Series 2023 Assessments relating to the Series 2023 Bonds then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (i) file a proof of claim with respect to the Series 2023 Assessments pledged to the Series 2023 Bonds then Outstanding, (ii) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) defend any objection filed to said proof of claim.

The District acknowledges and agrees in the Indenture that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this section shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2023 Assessments relating to the Series 2023 Bonds then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (d) above.

Enforcement and Collection of Series 2023 Assessments

The primary source of payment for the Series 2023 Bonds is the Series 2023 Assessments imposed on each landowner within the District which is specially benefited by the Series 2023 Project. To the extent that landowners fail to pay such Series 2023 Assessments, delay payments, or are unable to pay such Series 2023 Assessments, the successful pursuit of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2023 Bonds. The Act provides for various methods of collection of delinquent special assessments by reference to other provisions of the Florida Statutes. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein for a summary of special assessment payment and collection procedures appearing in the Florida Statutes.

Pursuant to the Indenture, when permitted by law, Series 2023 Assessments levied on platted lots and pledged to secure the Series 2023 Bonds shall be collected pursuant to the uniform method for the levy, collection and enforcement of Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, as amended (the "Uniform Method") and Series 2023 Assessments levied on unplatted lots or on platted lots owned by the Master Developer and pledged to secure the Series 2023 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless otherwise directed by the Trustee acting at the direction of the Majority Owners during an Event of Default. All

Series 2023 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2023 Assessments shall not be deemed to be Delinquent Assessments unless and until such Series 2023 Assessments are not paid by the applicable Interest Payment Date with respect to which they have been billed.

If the owner of any lot or parcel of land shall be delinquent in the payment of any Series 2023 Assessment, then such Series 2023 Assessment shall be enforced in accordance with the provisions of the Act and Chapters 170 and/or 197, Florida Statutes, as amended, including but not limited to the sale of tax certificates and tax deeds as regards such Delinquent Assessment. In the event the provisions of Chapter 197, Florida Statutes, are inapplicable or unavailable, then upon the delinquency of any Series 2023 Assessment, the District, either on its own behalf or through the actions of the Trustee, may, and shall, if so directed in writing by the Majority Owners of the Series 2023 Bonds then Outstanding, declare the entire unpaid balance of such Series 2023 Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapter 173, and Sections 190.026 and/or 170.10, Florida Statutes, or otherwise as provided by law.

If any tax certificates relating to Delinquent Assessments which are pledged to secure the payment of the principal of and interest on the Series 2023 Bonds are sold by the Tax Collector (hereinafter defined) pursuant to the provisions of Section 197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Delinquent Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the Series 2023 Revenue Account.

If any property shall be offered for sale for the nonpayment of any Series 2023 Assessment and no person or persons shall purchase such property for an amount greater than or equal to the full amount due on the Series 2023 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may, but is not required to, then be purchased by the District for an amount equal to or less than the balance due on the Series 2023 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series 2023 Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Owners of the Series 2023 Bonds, but shall not be obligated, to direct the District with respect to any action taken pursuant to this section. The District, either through its own actions or actions caused to be taken through the Trustee, shall have the power to lease or sell such property and deposit all of the net proceeds of any such lease or sale into the Series 2023 Revenue Account. Not less than ten (10) days prior to the filing of any foreclosure action as provided in the Indenture, the District shall cause written notice thereof to be mailed to any designated agents of the Owners of the Series 2023 Bonds. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the District, it shall give written notice

thereof to such representatives. The District, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for the listing for sale of property acquired by it as trustee for the benefit of the Owners of the Series 2023 Bonds within sixty (60) days after the receipt of the request therefor signed by the Majority Owners or the Trustee, acting at the written request of such Majority Owners, of the Series 2023 Bonds then Outstanding.

THERE CAN BE NO ASSURANCE THAT ANY SALE, PARTICULARLY A BULK SALE, OF LAND SUBJECT TO DELINQUENT ASSESSMENTS WILL PRODUCE PROCEEDS SUFFICIENT TO PAY THE FULL AMOUNT OF SUCH DELINQUENT ASSESSMENTS PLUS OTHER DELINQUENT TAXES AND ASSESSMENTS APPLICABLE THERETO.

Additional Covenants Regarding Assessments

The District covenants in the Indenture to comply with the terms of the proceedings heretofore adopted with respect to the Series 2023 Assessments, including the Assessment Report, and to levy the Series 2023 Assessments and any required true-up payments set forth in the Assessment Report, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2023 Bonds, when due. The Assessment Report shall not be materially amended without the prior written consent of the Majority Owners.

Re-Assessment

Pursuant to the Master Indenture, if any Series 2023 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Series 2023 Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Series 2023 Assessment when it might have done so, the District shall either (a) take all necessary steps to cause a new Series 2023 Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (b) in its sole discretion, make up the amount of such Series 2023 Assessment from legally available moneys, which moneys shall be deposited into the Series 2023 Revenue Account. In case any such subsequent Series 2023 Assessment shall also be annulled, the District shall obtain and make other Series 2023 Assessments until a valid Series 2023 Assessment shall be made.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2023 Bonds is the revenues received by the District from the collection of Series 2023 Assessments to be imposed on certain lands in the District specially benefited by the Series 2023 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX B – ASSESSMENT REPORT" attached hereto.

The imposition, levy, and collection of Series 2023 Assessments must be done in compliance with the provisions of State law. Failure by the District, the Orange County

Tax Collector (the "Tax Collector") or the Orange County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2023 Assessments during any year. Such delays in the collection of Series 2023 Assessments, or complete inability to collect any Series 2023 Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2023 Bonds. See "BONDOWNERS' RISKS" herein. To the extent that landowners fail to pay the Series 2023 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2023 Bonds.

For the Series 2023 Assessments to be valid, the Series 2023 Assessments must meet two requirements: (a) the benefit from the Series 2023 Project to the lands subject to the Series 2023 Assessments must exceed or equal the amount of the Series 2023 Assessments; and (b) the Series 2023 Assessments must be fairly and reasonably allocated across all such benefited properties. At closing, the Assessment Consultant (hereinafter defined) will certify that these requirements have been met with respect to the Series 2023 Assessments.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2023 Assessments through a variety of methods. See "BONDOWNERS' RISKS" herein. Initially, and for undeveloped properties owned by the Master Developer and subsequent landowners and platted properties owned by the Master Developer, the District will directly issue annual bills to landowners requiring payment of the Series 2023 Assessments and will enforce such bill through foreclosure proceedings. As lands are platted or transferred to builders or end-users, the Series 2023 Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX B – ASSESSMENT REPORT" attached hereto. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapter 170, Florida Statutes, and the Act, the District may directly levy, collect and enforce the Series 2023 Assessments. In this context, Section 170.10, Florida Statutes, provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2023 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one-year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to

foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2023 Assessments and the ability to foreclose the lien of such Series 2023 Assessments upon the failure to pay such Series 2023 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2023 Assessments. See "BONDOWNERS' RISKS" herein.

Uniform Method Procedure

Subject to certain conditions, and for developed lands, the District may alternatively elect to collect the Series 2023 Assessments using the Uniform Method. The Uniform Method is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2023 Assessments to be levied and collected in this manner.

If the Uniform Method is used, the Series 2023 Assessments will be collected together with City, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments, including the Series 2023 Assessments, are to be billed together and landowners in the District are required to pay all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2023 Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2023 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item would cause the Series 2023 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2023 Bonds.

Under the Uniform Method, if the Series 2023 Assessments are paid during November when due or during the following three (3) months, the taxpayer is granted a variable discount equal to four percent (4%) in November and decreasing one percentage point per month to one percent (1%) in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2023 Bonds that (a) the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2023 Assessments, (b) future landowners and taxpayers in the District will pay such Series 2023 Assessments, (c) a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (d) the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2023 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2023 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2023 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than eighteen percent (18%)).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently eighteen percent (18%). The Tax Collector does not collect any money if tax certificates are issued, or "struck off," to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than eighteen percent (18%) per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2023 Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of five percent (5%), unless the rate borne by the certificates is zero percent (0%). The proceeds of such redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is affected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven (7) years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two (2) years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven (7) years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two (2) years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the governing board of the County that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three (3) years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2023 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2023 Assessments, which are the primary source of payment of the Series 2023 Bonds. Additionally, legal proceedings under federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS" herein.

THE DISTRICT

General

The District is a local unit of special purpose government duly organized and existing under the provisions of the Act and established by the Ordinance. The boundaries of the District include approximately 1,061 acres of land located entirely within the City.

Legal Powers and Authority

The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development.

The Act provides that community development districts have the power to issue general obligation, revenue and special assessment revenue debt obligations in any combination to pay all or part of the cost of infrastructure improvements authorized under the Act. The Act further provides that community development districts have the power under certain conditions to levy and assess ad valorem taxes or non-ad valorem assessments, including the Series 2023 Assessments, on all taxable real property within their boundaries to pay the principal of and interest on debt obligations issued and to

provide for any sinking or other funds established in connection with any such debt obligation issues. Pursuant to the Act, such assessments may be levied, collected and enforced in the same manner and time as county property taxes.

Among other provisions, the Act gives the District's Board of Supervisors the authority to: (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and wastewater management reclamation and re-use systems or any combination thereof, and to construct and operate connecting intercepting or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) district roads equal to or exceeding the applicable specifications of the county in which such district roads are located; roads and improvements to existing public roads that are owned by or conveyed to the local general-purpose government, the State, or the federal government; street lights; alleys; landscaping; hardscaping; undergrounding of electric utility lines; buses, trolleys, transit shelters, ridesharing facilities and services, parking improvements, and related signage; (iv) conservation areas, mitigation areas, and wildlife habitat, including the maintenance of any plant or animal species, and any related interest in real or personal property; (v) any other project, facility or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District; and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses; and security, including, but not limited to, guardhouses, fences and gates, and electronic intrusion-detection systems; (b) borrow money and issue bonds of the District; (c) levy, collect and enforce special assessments; (d) impose and foreclose special assessment liens as provided in the Act; and (e) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District authorized by the Act.

The Act does not empower the District to adopt and enforce land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are collectively performed by the City or County and its respective departments of government.

The Act exempts all property of the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any Owner of bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with such bonds, including the Series 2023 Bonds.

Board of Supervisors

The Act provides for a five-member Board of Supervisors (as previously defined, the "Board") to serve as the governing body of the District. Members of the Board must be residents of the State and citizens of the United States. Pursuant to the Act, six (6) years after establishment and after 250 qualified electors reside within the District, the seats of Board members whose terms expire are filled by votes of the qualified electors of the District, except as described below. A qualified elector is a registered voter who is a

resident of the District and the State and a citizen of the United States. At the election where Board members are first elected by qualified electors, two Board members must be qualified electors and be elected by qualified electors, both to four-year terms. A third Board member is elected through an election of the landowners of the District. Thereafter, as terms expire, all Board members must be qualified electors and are elected to serve four-year terms with staggered expiration dates in the manner set forth in the Act. The current members of the Board and their respective term expiration dates are set forth below.

<u>Name</u>	<u>Title</u>	<u>Expiration of Term</u>
Richard Levey*	Chairman	November 2026
Rob Adams*	Vice Chairman	November 2024
Brent Schademan*	Assistant Secretary	November 2026
Julie Salvo*	Assistant Secretary	November 2024
Frank Paris*	Assistant Secretary	November 2024

* Affiliate or employee of the Master Developer.

The Act empowers the Board to adopt administrative rules and regulations with respect to any projects of the District, and to enforce penalties for the violation of such rules and regulations. The Act permits the Board to levy taxes under certain conditions, and to levy special assessments, and to charge, collect and enforce fees and user charges for use of District facilities.

District Manager and Other Consultants

The Act authorizes the Board to hire a District Manager as the chief administrative official of the District. The Act provides that the District Manager shall have charge and supervision of the works of the District and shall be responsible for (a) preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, (b) maintaining and operating the equipment owned by the District, and (c) performing such other duties as may be prescribed by the Board.

PFM Group Consulting LLC has been retained as the firm to provide district management services for the District (in such capacity, the "District Manager"). The District Manager's office is located at 3501 Quadrangle Boulevard, Suite 270, Orlando, Florida 32817 and their phone number is (407) 723-5900.

The District Manager's typical responsibilities can briefly be summarized as directly overseeing and coordinating the District's planning, financing, purchasing, staffing, and reporting and acting as governmental liaison for the District. The District Manager's responsibilities also include requisitioning moneys to pay construction contracts and the related accounting and reporting that is required by the Indenture.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Bryant Miller Olive P.A., Orlando, Florida, as Bond Counsel; Kutak Rock LLP, Tallahassee, Florida, as District Counsel; Donald W. McIntosh Associates, Inc., Winter Park, Florida, as Consulting Engineer; and PFM Financial Advisors LLC, Orlando, Florida, as Assessment Consultant and financial advisor to the District (in such capacity, the "Financial Advisor").

PRIOR DISTRICT INDEBTEDNESS

The District previously issued its not-to-exceed \$25,000,000 Bond Anticipation Note, Series 2020 (the "Series 2020 BAN"), pursuant to a Master Trust Indenture dated as of September 1, 2020, as supplemented by a First Supplemental Trust Indenture dated as of September 1, 2020. The Series 2020 BAN is currently Outstanding in the principal amount of \$[17,811,099.64]. Proceeds of the Series 2020 BAN were in part utilized to fund a portion of the Series 2023 Project. As described herein, the District will issue its Series 2023 Bonds to reduce the outstanding balance of the Series 2020 BAN to \$0 and to fund the acquisition and/or construction of additional portions of the Series 2023 Project. The Series 2023 Bonds are secured by the Series 2023 Assessments which are levied on lands constituting the Series 2023 Assessment Area, which encompasses approximately [_____] acres planned for 1,267 single-family and townhome units (as previously defined, the "Series 2023 Assessment Area"). Concurrent with the issuance of the Series 2023 Bonds, the not-to-exceed par amount of the Series 2020 BAN will be reduced to \$[_____] million and the Series 2020 BAN Assessments securing the Series 2020 BAN will be levied on an equal acreage basis on the approximately [_____] acres of undeveloped land in the District (the "Series 2020 BAN Assessment Area"). The Series 2023 Assessment Area and Series 2020 BAN Assessment Area are separate and distinct and do not overlap.

THE CAPITAL IMPROVEMENT PROGRAM AND THE SERIES 2023 PROJECT

Detailed information concerning the capital improvement program for the District (as previously defined, the "CIP") is contained in the Engineer's Report and Capital Improvement Program dated May 19, 2020, revised August 12, 2020 and November 28, 2022 (the "Engineer's Report"), prepared by David W. McIntosh Associates, Inc. (the "Consulting Engineer") and attached hereto as composite APPENDIX A. The information in this section relating to the CIP and the Series 2023 Project is qualified in its entirety by reference to such Engineer's Report, which should be read in its entirety.

The CIP is estimated to cost approximately \$53.7 million and primarily consists of major transportation roadways traversing the District, including the construction of certain roadway segments for (a) Luminary Boulevard, a primary east-west spine road extending west from Narcoossee Road at the main entry of the District, (b) Centerline Drive, a north-south roadway connecting north to the existing Lake Nona development and south to Boggy Creek Road, (c) Selten Way, a north-south roadway connecting Laureate Boulevard to Luminary Boulevard, and (d) Pearson Avenue (Street A), a roadway connection between Luminary Boulevard and Boggy Creek Road running north-south through the approximate center of the District.

The initial phase of the CIP (as previously defined, the "Series 2023 Project") is estimated to cost \$39.9 million and specifically includes (a) the extension of Luminary Boulevard to its current terminus at the roundabout at Centerline Drive, (b) the segment of Centerline Drive (Segment G) extending north from the roundabout at Luminary Boulevard, (c) the extension of Selten Way south from Laureate Boulevard to Luminary Boulevard, and (d) the extension of Pearson Avenue (Street A) from Luminary Boulevard to Boggy Creek Road.

Work on the Series 2023 Project is underway. Work on all roadway segments included in the Series 2023 Project are anticipated to be complete by the second quarter of 2023. In addition, work on two (2) sanitary sewage lift stations and associated force mains, an off-site force main and certain turn lane and traffic signal improvements included in the Series 2023 Project have been completed.

In addition to reducing the outstanding balance of the Series 2020 BAN to \$0, proceeds of the Series 2023 Bonds will fund the acquisition and/or construction of a portion of the Series 2023 Project in the approximate amount of \$[] million*. It is the intent of the District to issue one or more additional Series of Bonds to fund the remainder of the Series 2023 Project and additional portions of the CIP not funded with proceeds of the Series 2023 Bonds. The remainder of the Series 2023 Project not previously funded with proceeds of the Series 2020 BAN or funded with proceeds of the Series 2023 Bonds or a future Series of Bonds is anticipated to be funded with proceeds from the Master Developer. At the time of issuance of the Series 2023 Bonds, the Master Developer and the District will enter into the Completion Agreement whereby the Master Developer will agree to complete those portions of the Series 2023 Project not funded with proceeds of the Series 2023 Bonds or any future Series of Bonds issued by the District. The District cannot make any representation that the Master Developer will have sufficient funds to complete the Series 2023 Project. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Completion Agreement" and "BONDOWNERS' RISKS – Completion of Series 2023 Project" herein.

ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS

PFM Financial Advisors LLC (in such capacity, the "Assessment Consultant") has prepared the Master Assessment Methodology Report dated May 2020 (the "Master Assessment Report") and the Supplemental Assessment Methodology Report, Phase 1 Project Area, Series 2023 Bonds dated December 2022 (the "Supplemental Assessment Report" and, together with the Master Assessment Report, the "Assessment Report"), each attached hereto as composite APPENDIX B.

The Series 2023 Assessments securing the Series 2023 Bonds will initially be levied on an equal per acre basis on the lands within the Series 2023 Assessment Area, comprising approximately [] acres planned for 1,267 units in four (4) distinct neighborhoods. As the assessable parcels of land within the Series 2023 Assessment Area are developed and platted, the Series 2023 Assessments are then allocated to each of the platted units by product type as set forth in the Supplemental Assessment Report. The Series 2023 Assessments are ultimately expected to be allocated on a per unit basis to the 1,267 units planned within the Series 2023 Assessment Area. As discussed herein, [1,228] units have been platted thereby resulting in the allocation of approximately \$[] million or []% of the principal amount of the Series 2023 Assessments to platted units. The unassigned portion of the Series 2023 Assessments will be allocated to the remaining [thirty-nine (39)] planned units in the Series 2023 Assessment Area upon their platting.

LAKE NONA

Lake Nona is a seventeen (17) square-mile master-planned community located in the City of Orlando, Florida. The master-planned community consists of more than 9,000 acres and is generally located north of the Orange/Osceola County line, south of Dowden Road, east of Boggy Creek Road and west of Narcoossee Road. Lake Nona is located adjacent to the Orlando International Airport. Downtown Orlando, Walt Disney World and the Space Coast can all be reached in less than a fifty (50) minute drive. As discussed herein, the District comprises the acreage in Lake Nona located in the southernmost portion of the

community, comprising 1,061 acres generally extending from the existing residential neighborhood known as Laureate Park of Lake Nona south to Boggy Creek Road.

Entitlements/Zoning

Lake Nona is located within the 9,044-acre Lake Nona Planned Development Zoning District (the "Lake Nona PD") which is an amalgamation of three (3) previously approved planned unit developments, rezoned and approved as the consolidated Lake Nona PD in July 2021. The Lake Nona PD provides for the development of 20,817 residential units, 2,355,248 square feet of commercial/retail/service uses, 14,110,989 square feet of airport support uses, 8,516,689 square feet of office uses, 3,658 hotel/resort villa rooms, community park areas, fire stations, schools and other civic uses, which may be exchanged in accordance with the land use exchange matrix, subject to certain maximum land use and entitlement limitations.

Development of the property comprising the District will be undertaken in accordance with the Lake Nona PD as more specifically described below.

- *Land Use.* The land use entitlements within the District are authorized pursuant to the Lake Nona PD and are further assigned to specific parcels within the District. The Lake Nona PD contemplates lands within the District will be developed in seven (7) distinct parcels, denoted Parcels N-1 through N-7, with final approval of land uses thereon to be made in a respective "Specific Parcel Master Plan" ("SPMP"). Pursuant to the Lake Nona PD, the District lands are conceptually designed to offer a collection of neighborhoods supported by a mixed-use village center, neighborhood centers and neighborhood parks and schools. Parcel N-1 includes a neighborhood center district which provides walkable destinations for neighborhood focused retail and/or civic activities. Parcel N-2 also includes, without limitation, a neighborhood center, community park and school. Further, in addition to multi-family development, Parcel N-5 provides mixed-use opportunities in a centrally located village center. The remaining lands within Parcels N-1 through N-7 have been designated for residential neighborhood development. To date, the Master Developer has received SPMP approval for Parcels N-2 (Phase 1), N-3, N-4 (East), N-5, N-6 and [N-7].

- *Education.* The Lake Nona PD stipulates that an elementary school shall be located to serve every two (2) to three (3) neighborhoods and shall be situated so students from each neighborhood can easily walk or bike to school along safe, low traffic streets. Consistent with the provisions of the Lake Nona PD, the Master Developer and the School Board of Orange County (the "School Board") entered into the School Mitigation Agreement for Capacity Enhancement, which specified a proportionate share mitigation payment of \$2,195.80 per single-family unit and \$1,453.65 per multi-family unit, payable prior to the recording of a final plat for single-family units or obtaining a building permit for a phase of multi-family units. The Master Developer shall also pay school impact fees for any residential units in the District. An approximately 30-acre site just south of Luminary Boulevard and west of Pearson Avenue, in Parcel N-2, is owned by the School Board and planned for the construction of an elementary school and a middle school. The middle school is scheduled to open in 2024 and the elementary school is scheduled to open in 2026.

- *Recreation and Open Space.* At least 25% of the Lake Nona PD is required to be set aside as open space. The Master Developer has conveyed approximately fourteen (14) acres in Parcel N-2 to the City for use as a community park in exchange for park impact fee credits. The Master Developer is required to provide utilities to the site, with stormwater retention being located off-site. The Master Developer is estimated to receive \$6.39 million in total park impact fee credits. Further, neighborhood parks are required to be prominent in the residential neighborhoods, with a minimum percentage of residents required to be within 0.25 miles of a public park or trail within their neighborhood.

- *Fire Station.* The Master Developer is required to convey an approximately two (2) acre parcel in Parcel N-[] for dedication to the City for use as a fire station.

- *Transportation.* The transportation improvements required for the lands within the District and certain Master Developer-owned lands adjacent and to the west of the District have been specified and approved in a circulation plan ("Circulation Plan").

The Circulation Plan incorporates connectivity and roadway standards and further defines specific-site conditions for rights-of-way, street cross sections, a signalization and traffic control plan, traffic calming strategies, a trail and multi-use path network, and pedestrian facilities. The Circulation Plan further incorporates four (4) primary roadway connections, providing connectivity east-west through the District and north to the existing Lake Nona development:

- *Luminary Boulevard* is a major roadway that will extend west from Narcoossee Road through the length of the District to its planned intersect at Medical City Drive. To date, the Master Developer has substantially completed portions of Luminary Boulevard extending from Narcoossee Road to its current terminus located in the District at the roundabout at Centerline Drive. Work on the initial segments of the roadway running through the District is anticipated to be completed in the first quarter of 2023. Additional work on the roadway running from the roundabout at Centerline Drive to Jim Branch Creek is included in the District's CIP and will be completed in a future phase. [Those segments of the roadway outside of the District and not included in the CIP will be funded by adjoining developments.]
- *Centerline Drive* is the westernmost throughway in the District. The north-south road will connect Nemours Parkway in the existing Lake Nona development to Luminary Boulevard and continue south to Boggy Creek Road. Work on the initial segment of the road (Segment G) extending north from the Luminary Boulevard roundabout is underway and anticipated to be completed in the first quarter of 2023. Additional work on the roadway extending south from the roundabout at Luminary Boulevard to Boggy Creek Road is included in the District's CIP and will be completed in a future phase.
- *Pearson Avenue* is a roadway connection between Luminary Boulevard and Boggy Creek Road, running north-south through the approximate center of the District. To date, the Master Developer has completed portions of Pearson Avenue extending south at the roundabout at Luminary Boulevard along the western boundary of Parcel N-3. Work on the segment of the roadway extending from its current terminus to Boggy Creek Road has commenced and is anticipated to be completed in the [fourth quarter of 2022]. Pursuant to the SPMP for Parcel N-3, the number of certificates of occupancy for such parcel cannot exceed 100 until the extension of Pearson Avenue from Luminary Boulevard to Boggy Creek Road has been completed. [As discussed above, Pearson Avenue is anticipated to be completed by year end.]
- *Selten Way* is a continuation of the existing street, connecting Laureate Boulevard and Luminary Boulevard. Selten Way is complete and runs along the eastern edge of the Primary Conservation Network and Parcel N-5. The roadway will function as the primary access street to the village center located in Parcel N-5.

In addition to the defined roadways above, the Master Developer has entered into a reimbursement agreement for the Boggy Creek Road expansion to identify and fund transportation impact fee sharing for the impact of the development of the District parcels and adjacent [parcels] on Boggy Creek Road.

Permitting

The Master Developer has obtained permits from the U.S. Army Corps of Engineers and the South Florida River Water Management District for stormwater management and wetland mitigation for all of the District for which permits have expiration dates of [_____, 20__] and [_____, 20__], respectively. The Master Developer has further obtained the remaining necessary permits to construct the Series 2023 Project which includes the initial phase of master infrastructure for the District. The Series 2023 Project is anticipated to be complete by the second quarter of 2023.

In addition to the permits described above, the Master Developer, Pulte Homes, Toll Brothers and any successor or additional residential neighborhood developers will be required to obtain various permits and approvals pertaining to the improvements necessary for parcel development. To date, SPMP approval for all parcels included in the Series 2023 Assessment Area have been obtained, including Parcels N-2 (Phase 1), N-3, N-4 (East), N-6 and [N-7]. In addition, [1,228] of the 1,267 planned lots in the Series 2023 Assessment Area have been platted. The remaining [thirty-nine (39)] lots in the Series 2023 Assessment Area, which are located in Parcel N-4, are anticipated to be platted by the second quarter of 2023. Further, development of 1,028 of the 1,267 planned lots within the Series 2023 Assessment Area are either complete or nearing completion, with work on the remaining lots underway.

Upon issuance of the Series 2023 Bonds, the Consulting Engineer will certify that all such permits and approvals not previously obtained are expected to be obtained in the ordinary course of business.

Environmental

In 2017, a Phase 1 Environmental Site Assessment was commissioned for all of the lands in the District from Professional Service Industries, Inc. (the "Phase 1 ESA"). The Phase 1 ESA revealed no evidence of environmentally recognized conditions.

Utilities

The County will provide wastewater services and the City will provide reclaimed water services to the District. Potable water and electric power are being provided by the Orlando Utilities Commission. Telephone, internet and cable are being provided by Dais Communications, an affiliate of the Master Developer.

Absorption/New Home Sales

Lake Nona has achieved a new home sales pace of [____], [____], and [____] homes, respectively for 2020, 2021 and 2022. Based upon the historical pace of sales at Lake Nona in conjunction with the wide spectrum of product currently and anticipated to continue to be offered in the District, the Master Developer reasonably expects that new home sales will continue at a pace of greater than [____] homes per year.

The aforementioned projections are based upon estimates and assumptions that are inherently uncertain, though considered reasonable, and are subject to significant business, economic and competitive uncertainties and contingencies, all of which are difficult to predict. As a result, there can be no assurance that such projections will occur or be realized in the time frames anticipated. See "BONDOWNERS' RISKS" herein.

Marketing

The Master Developer employs a comprehensive marketing, vision and branding program for Lake Nona. Current components of the marketing program include online, social media, print media, television, radio, billboard and other signage and other forms of marketing and promotion. A preview of Lake Nona and the branding material can also be seen online at www.lakenona.com. The marketing effort is primarily funded via a marketing fee payable by each of the developers/homebuilders in the Series 2023 Assessment Area. Further, each of the developers/homebuilders in the Series 2023 Assessment Area also employ their own marketing efforts to market their respective neighborhoods.

Schools

Based upon current school districting, school children residing in the District will attend Laureate Park Elementary, Lake Nona Middle School, and Lake Nona High School, all of which received an "A" rating from the Florida Department of Education for 2022. However, future capacity limitations or redistricting could result in a change to which schools children residing in the District would attend.

The District is also planned to include a school site for an elementary school and middle school in Parcel N-2. The middle school is scheduled to open in 2024 and the elementary school is scheduled to open in 2026. The timing of the construction and opening of additional schools within the larger Lake Nona master-planned community is dependent upon population growth.

Fees and Assessments

Each homeowner in the Series 2023 Assessment Area will pay annual taxes, assessments, and fees on an ongoing basis as a result of their ownership of property within

the Series 2023 Assessment Area, including ad valorem property taxes, homeowner's association fees, the Series 2023 Assessments levied in connection with the Series 2023 Bonds issued by the District, and administrative, operation and maintenance assessments levied by the District as described in more detail below.

Property Taxes. The current millage rate for the area of the County where the District is located is 18.1516. Assuming a \$550,000 taxable value, the annual property tax would be approximately \$9,983.

Homeowner's Association Fees. All homeowners residing in the Series 2023 Assessment Area will be subject to annual master homeowner's association ("HOA") fees for architectural review, landscape maintenance, deed restriction enforcement and maintenance of any HOA-owned facilities. The current annual master HOA fee is \$[___]. In addition, all homeowners in the Series 2023 Assessment Area will be subject to HOA fees for sub-associations established for each neighborhood within the Series 2023 Assessment Area. Such fees will vary by neighborhood based upon the level of services being provided and annually based upon the adopted budget by each respective sub-association for a particular year.

District Special Assessments. All homeowners residing in the Series 2023 Assessment Area will be subject to the Series 2023 Assessments levied in connection with the Series 2023 Bonds. In addition, all homeowners in the Series 2023 Assessment Area will be subject to annual operation and maintenance assessments ("O&M Assessments") levied by the District which are derived from the District's annual budget and are subject to change each year. The table below illustrates the aforementioned annual assessments that will be levied by the District for each of the respective product types.

Competition

Lake Nona has and continues to be its own submarket with a lengthy history of home sales activity. It is anticipated that competition will primarily come from new home sales and resales within the overall Lake Nona master-planned community.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds secured by special assessments issued by a public authority or governmental body in the State. Certain of these risks are described in the section above entitled "ENFORCEMENT OF ASSESSMENT COLLECTIONS." However, certain additional risks are associated with the Series 2023 Bonds offered hereby. This section does not purport to summarize all risks

that may be associated with purchasing or owning the Series 2023 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum including all appendices hereto in its entirety to identify investment considerations relating to the Series 2023 Bonds.

Limited Pledge

The principal security for the payment of Debt Service on the Series 2023 Bonds is the timely collection of the Series 2023 Assessments. The Series 2023 Assessments do not constitute a personal indebtedness of the owners of the land subject thereto but are secured by a lien on such land. There is no assurance that the Master Developer or any subsequent landowner will be able to pay the Series 2023 Assessments or that they will pay such Series 2023 Assessments even though financially able to do so. Neither the Master Developer nor any subsequent landowner is a guarantor of payment of any Series 2023 Assessment and the recourse for the failure of the Master Developer or any subsequent landowner to pay the Series 2023 Assessments is limited to the collection proceedings against the land. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The District has not granted, and may not grant under State law, a mortgage or security interest in the Series 2023 Project. Furthermore, the District has not pledged the revenues, if any, from the operation of the Series 2023 Project as security for, or a source of payment of, the Series 2023 Bonds. The Series 2023 Bonds are payable solely from, and secured solely by, the Series 2023 Trust Estate, including the Series 2023 Assessments. The failure of the Master Developer or any subsequent landowner to pay the required Series 2023 Assessment on its property will not result in an increase in the amount of Series 2023 Assessments other landowners are or would be required to pay.

Concentration of Land Ownership and Bankruptcy Risks

Until assessable properties within the District are sold to end users, payment of the Series 2023 Assessments is substantially dependent upon their timely payment by the Master Developer. In the event of the institution of bankruptcy or similar proceedings with respect to the Master Developer or any other subsequent significant owner of property subject to the Series 2023 Assessments, delays and impairment could occur in the payment of Debt Service on the Series 2023 Bonds as such bankruptcy could negatively impact the ability of (a) the Master Developer or any other landowner being able to pay the Series 2023 Assessments, (b) the County to sell tax certificates in relation to such property with respect to the Series 2023 Assessments being collected pursuant to the Uniform Method, and (c) the District's ability to enforce collection with respect to the Series 2023 Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2023 Bonds, the Trustee and the District upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including during a bankruptcy of the Master Developer or any other landowner, the remedies specified by federal, State and local law and in the Indenture and the Series 2023 Bonds, including, without limitation, enforcement of the obligation to pay Series 2023 Assessments and the ability of the District to foreclose the lien of the Series 2023 Assessments, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various

legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce available remedies respecting the Series 2023 Bonds could have a material adverse impact on the interest of the Owners thereof.

Delay and Discretion Regarding Remedies

Beyond legal delays that could result from bankruptcy, the ability of the County to sell tax certificates in regard to delinquent Series 2023 Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two (2) years. Similarly, the ability of the District to enforce collection of delinquent Series 2023 Assessments collected directly by the District will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2023 Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2023 Assessments which are not being collected pursuant to the Uniform Method and that are delinquent, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action.

Limitation on Funds Available to Exercise Remedies

In the event of a default by a landowner in payment of Series 2023 Assessments that are not collected pursuant to the Uniform Method, the District is required under the Indenture to fund the costs of foreclosure of such delinquent Series 2023 Assessments. It is possible that the District will not have sufficient funds and will be compelled to request the Owners of the Series 2023 Bonds to allow funds on deposit under the Indenture to be used to pay such costs. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amount of Series 2023 Bond proceeds that can be used for such purpose. As a result, there may be insufficient funds for the exercise of remedies.

Determination of Land Value upon Default

The assessment of the benefits to be received by the benefited land within the Series 2023 Assessment Area as a result of implementation and development of the Series 2023 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. In other words, the value of the land could potentially be ultimately less than the debt secured by the Series 2023 Assessments associated with it. To the extent that the realizable or market value of the land benefited by the Series 2023 Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land, or the District to realize sufficient value from a foreclosure action, may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2023 Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of Debt Service on the Series 2023 Bonds.

Landowner Challenge of Assessed Valuation

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2023 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2023 Assessment, even though the landowner is not contesting the amount of the Series 2023 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least seventy-five percent (75%) of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Failure to Comply with Assessment Proceedings

The District is required to comply with statutory procedures in levying the Series 2023 Assessments. Failure of the District to follow these procedures could result in the Series 2023 Assessments not being levied or potential future challenges to such levy. As of the date hereof, the Assessment Proceedings with respect to the imposition and levy of the Series 2023 Assessments are not complete. It will be a condition to closing on the Series 2023 Bonds that such Assessment Proceedings be completed prior to the issuance of the Series 2023 Bonds.

Other Taxes and Assessments

The willingness and/or ability of a landowner within the District to pay the Series 2023 Assessments could be affected by the existence of other taxes and assessments imposed upon the property. Public entities whose boundaries overlap those of the District, such as the City, the County, the Orange County School District and other special districts could, without the consent of the owners of the land within the District, impose additional taxes or assessments on the property within the District. County, municipal, school and special district taxes and assessments, including the Series 2023 Assessments, and any additional voter-approved ad valorem taxes, are payable at the same time when collected pursuant to the Uniform Method, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment, such taxpayer cannot designate specific line items on the tax bill as deemed paid in full. Therefore, any failure by a landowner to pay any one line item, whether or not it is the Series 2023 Assessments, would result in such landowner's Series 2023 Assessments to not be fully collected, which could have a significant adverse impact on the District's ability to make full or punctual payment of Debt Service on the Series 2023 Bonds.

As referenced herein, the Series 2023 Assessments are levied on lands within the District that are also subject to O&M Assessments and HOA fees. See "THE SERIES 2023 ASSESSMENT AREA – Fees and Assessments" herein.

Limited Secondary Market

The Series 2023 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2023 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2023 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2023 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2023 Bonds, depending on the progress of the Series 2023 Assessment Area, existing market conditions and other factors.

Inadequacy of Series 2023 Reserve Account

Some of the risk factors described herein, if materialized, could result in a delay in the collection of the Series 2023 Assessments or a failure to collect the Series 2023 Assessments, but may not affect the timely payment of Debt Service on the Series 2023 Bonds because of the Series 2023 Reserve Account established by the District for the Series 2023 Bonds. However, the ability of the District to fund deficiencies caused by delinquent or delayed Series 2023 Assessments is dependent upon the amount, duration and frequency of such deficiencies or delays. If the District has difficulty in collecting the Series 2023 Assessments, the Series 2023 Reserve Account could be rapidly depleted and the ability of the District to pay Debt Service on the Series 2023 Bonds could be materially adversely affected. Owners should note that although the Indenture contains the Series 2023 Reserve Account Requirement for the Series 2023 Reserve Account, and a corresponding obligation on the part of the District to replenish the Series 2023 Reserve Account to the Series 2023 Reserve Account Requirement, the District does not have a designated revenue source for replenishing the Series 2023 Reserve Account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2023 Assessments in order to provide for the replenishment of the Series 2023 Reserve Account.

Moneys on deposit in the Series 2023 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys available in the Series 2023 Reserve Account to make up deficiencies or delays in collection of Series 2023 Assessments.

Regulatory and Environmental Risks

The Series 2023 Assessment Area is subject to comprehensive federal, State and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the Series 2023 Assessment Area.

See "THE SERIES 2023 ASSESSMENT AREA – Entitlements/Zoning" and "THE SERIES 2023 ASSESSMENT AREA – Permitting" herein.

The value of the land within the District, the ability to complete the Series 2023 Project or develop the Series 2023 Assessment Area, and the likelihood of timely payment of Debt Service on the Series 2023 Bonds could be affected by environmental factors with respect to the lands in the District, such as contamination by hazardous materials. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the lands within the District. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE SERIES 2023 ASSESSMENT AREA – Environmental" herein.

Economic Conditions

The proposed Series 2023 Assessment Area may be affected by changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Master Developer or the District. Although the Series 2023 Assessment Area is anticipated to be developed as described herein, there can be no assurance that such development will occur or be realized in the manner or schedule currently anticipated.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurance can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of Debt Service on the Series 2023 Bonds.

Infectious Viruses and/or Diseases

A novel coronavirus outbreak first identified in 2019 is causing coronavirus disease 2019 ("COVID-19"), which was characterized by the World Health Organization on March 11, 2020, as a pandemic. Responses to COVID-19 have varied at the local, state and national levels. On March 13, 2020, then President Trump declared a national emergency in response to COVID-19. Both prior and subsequent to the President's declaration, a variety of federal agencies, along with state and local governments, implemented efforts designed to limit the spread of COVID-19. Since the pandemic declaration, COVID-19 has negatively affected travel, commerce, and financial markets globally, and is widely expected to continue to negatively affect economic growth and financial markets worldwide, including within the State. How long this negative impact will last cannot be determined at this time. However, these negative impacts could reduce property values, slow or cease development and sales within the Series 2023 Assessment Area and/or otherwise have a

negative financial impact on the Master Developer or subsequent landowners. While the foregoing describes certain risks related to the current outbreak of COVID-19, the same risks may be associated with any contagious epidemic, pandemic or disease.

Damage to District from Natural Disasters

The value of the lands subject to the Series 2023 Assessments could be adversely affected by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the lands within the District unable to support the construction of the Series 2023 Project or the CIP. The occurrence of any such events could materially adversely affect the District's ability to collect Series 2023 Assessments and pay Debt Service on the Series 2023 Bonds. The Series 2023 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Change in Development Plans

The Master Developer has the right to modify or change plans for development of certain property within the District, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Completion of Series 2023 Project

The Series 2023 Bond proceeds will not be sufficient to finance the completion of the Series 2023 Project. The portions of the Series 2023 Project not funded with proceeds of the Series 2023 Bonds are expected to be funded with contributions from the Master Developer. There is no assurance that the Master Developer will be able to pay for the cost of any of these improvements. Upon issuance of the Series 2023 Bonds, the Master Developer will enter into the Completion Agreement with respect to any portions of the Series 2023 Project not funded with the proceeds of the Series 2023 Bonds or any future Series of Bonds. Such obligation of the Master Developer is an unsecured obligation. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Completion Agreement" and "THE CAPITAL IMPROVEMENT PROGRAM AND THE SERIES 2023 PROJECT" herein.

Undeveloped or partially developed land is inherently less valuable than developed land and provides less security to the Owners of the Series 2023 Bonds should it be necessary to institute proceedings due to the nonpayment of the Series 2023 Assessments. Failure to complete or substantial delays in the completion of the Series 2023 Project or the CIP due to litigation or other causes may reduce the value of the lands in the District and increase the length of time during which Series 2023 Assessments will be payable from undeveloped property and may affect the willingness and ability of the landowners to pay the Series 2023 Assessments when due and likewise the ability of the District to make full or punctual payment of Debt Service on the Series 2023 Bonds.

District May Not be Able to Obtain Permits

In connection with a foreclosure of lien of assessments prior to completion of a development, the Circuit Court in and for Lake County, Florida concluded that a community development district had no right, title or interest in any permits and approvals owned by the owner of the parcels so foreclosed. As discussed herein, the District and the Master Developer will enter into the Collateral Assignment upon issuance of the Series 2023 Bonds in which the Master Developer collaterally assigns to the District certain of their development and contract rights relating to the Series 2023 Project. Notwithstanding the foregoing, in the event that the District forecloses on the property subject to the lien of the Series 2023 Assessments to enforce payment thereof, the District may not have the right, title or interest in the permits and approvals owned by the Master Developer and failure to obtain any such permits or approvals in a timely manner could delay or adversely affect the completion of the Series 2023 Assessment Area. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Agreement for Assignment of Development Rights" herein.

Interest Rate Risk; No Rate Adjustment for Taxability

The interest rates borne by the Series 2023 Bonds are, in general, higher than interest rates borne by other bonds of political subdivisions that do not involve the same degree of risk as investment in the Series 2023 Bonds. These higher interest rates are intended to compensate investors in the Series 2023 Bonds for the risk inherent in the purchase of the Series 2023 Bonds. However, such higher interest rates, in and of themselves, increase the amount of Series 2023 Assessments that the District must levy in order to provide for payment of Debt Service on the Series 2023 Bonds and, in turn, may increase the burden of landowners within the District, thereby possibly increasing the likelihood of non-payment or delinquency in payment of such Series 2023 Assessments.

The Indenture does not contain an adjustment of the interest rates on the Series 2023 Bonds in the event of a determination of taxability of the interest thereon. Such a change could occur as a result of the District's failure to comply with tax covenants contained in the Indenture or the Tax Certificate executed by the District upon issuance of the Series 2023 Bonds or due to a change in the United States income tax laws. Should interest on the Series 2023 Bonds become includable in gross income for federal income tax purposes, Owners of the Series 2023 Bonds will be required to pay income taxes on the interest received on such Series 2023 Bonds and related penalties. Because the interest rates on such Series 2023 Bonds will not be adequate to compensate Owners of the Series 2023 Bonds for the income taxes due on such interest, the value of the Series 2023 Bonds may decline. Prospective purchasers of the Series 2023 Bonds should evaluate whether they can own the Series 2023 Bonds in the event that the interest on the Series 2023 Bonds becomes taxable and/or the District is ever determined to not be a political subdivision for purposes of the Code and/or Securities Act.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of

this paragraph, the "Audited Bonds") issued by Village Center Community Development District ("Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local governmental body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements was closed without change to the tax-exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to Village Center CDD.

On February 23, 2016, the IRS issued a notice of proposed rulemaking containing proposed regulations (the "Proposed Regulations") that provided guidance as to the definition of a political subdivision for purposes of the rules for tax-exempt bonds. However, on July 24, 2017, in response to Executive Order 13789 issued by President Trump, the Secretary of the Treasury (the "Secretary") identified the Proposed Regulations among a list of eight regulations that (a) impose an undue financial burden on U.S. taxpayers, (b) add undue complexity to the federal tax laws, or (c) exceed the statutory authority of the IRS. On October 2, 2017, in his Second Report to the President on Identifying and Reducing Tax Regulatory Burdens, the Secretary reported that the Treasury Department and the IRS believed that the Proposed Regulations should be withdrawn in their entirety, and the Treasury Department and the IRS withdrew the Proposed Regulations on October 20, 2017. The Secretary further provided that the Treasury Department and the IRS would continue to study the legal issues relating to political subdivisions and may propose more targeted guidance in the future. Because the Proposed Regulations have been withdrawn, it is not possible to determine the extent to which all or a portion of the discussion herein regarding the Village Center CDD and the TAMs may continue to be applicable in the absence of further guidance from the IRS.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by applicable State law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six (6) years or when there are 250 qualified electors in the District. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all members of the Board were elected by the landowners in the District and none were elected by qualified electors. Although it is impossible to predict whether the IRS will select the Series 2023 Bonds for audit, the District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2023 Bonds are advised that, if the IRS does audit the Series 2023 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2023 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2023 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds would adversely affect the availability of any secondary market for the Series 2023 Bonds. Should interest on the Series 2023 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2023 Bonds be required to pay income taxes on the interest received on such Series 2023 Bonds and related penalties, but because the interest rates on such Series 2023 Bonds will not be adequate to compensate Owners of the Series 2023 Bonds for the income taxes due on such interest, the value of the Series 2023 Bonds may decline. See also "TAX MATTERS" herein.

Legislative Proposals and State Tax Reform

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2023 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2023 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2023 Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Series 2023 Bonds. For example, in connection with federal deficit reduction, job creation and tax law reform efforts, proposals have been made and others are likely to be made that could significantly reduce the benefit of, or otherwise affect, the exclusion from gross income of interest on obligations like the Series 2023 Bonds. There can be no assurance that any such legislation or proposal will be enacted and, if enacted, what form it

may take. The introduction or enactment of any such legislative proposals may affect, perhaps significantly, the market price for or marketability of the Series 2023 Bonds.

It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2023 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "the state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the assessments and to fulfill the terms of any agreement made with the holders of such bonds and that it will not impair the rights or remedies of such holders."

Loss of Exemption from Securities Registration

Since the Series 2023 Bonds have not been, and will not be, registered under the Securities Act or any state securities laws, pursuant to the exemption for political subdivisions, and regardless of any potential IRS determination that the District is not a political subdivision for purposes of the Code, it is possible that federal or state regulatory authorities could independently determine that the District is not a political subdivision for purposes of federal and state securities laws. Accordingly, the District and purchasers of the Series 2023 Bonds may not be able to rely on the exemption from registration relating to securities issued by political subdivisions. In that event, the Owners of the Series 2023 Bonds would need to ensure that subsequent transfers of the Series 2023 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

Prepayment and Redemption Risk

The Series 2023 Bonds are subject to extraordinary mandatory redemption as a result of Prepayments of the Series 2023 Assessments by the Master Developer or subsequent owners of property within the District. Any such redemptions of the Series 2023 Bonds would be at the principal amount of such Series 2023 Bonds being redeemed plus accrued interest to the date of redemption. In such event, Owners of the Series 2023 Bonds may not realize their anticipated rate of return on the Series 2023 Bonds and Owners of any Premium Bonds (hereinafter defined) may receive less than the price they paid for the Series 2023 Bonds. See "DESCRIPTION OF THE SERIES 2023 BONDS – Redemption Provisions" herein.

Performance of District Professionals

The District has represented to the Underwriter that it has selected its District Manager, District Counsel, Consulting Engineer, Assessment Consultant, Trustee and other professionals with the appropriate due diligence and care. While the foregoing professionals have each represented that they have the requisite experience to accurately and timely perform the duties assigned to them in such roles, the District does not guarantee the performance of such professionals.

No Rating or Credit Enhancement

No application for a rating or credit enhancement on the Series 2023 Bonds has been made, nor is there any reason to believe that the District would have been successful in obtaining either for the Series 2023 Bonds had application been made.

Mortgage Default and FDIC

In the event a bank forecloses on property in the District because of a default on a mortgage with respect thereto and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2023 Assessments. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action on such property for failure to pay Series 2023 Assessments.

TAX MATTERS

General

The Code establishes certain requirements which must be met subsequent to the issuance of the Series 2023 Bonds in order that interest on the Series 2023 Bonds be and remain excluded from gross income for purposes of federal income taxation. Non-compliance may cause interest on the Series 2023 Bonds to be included in federal gross income retroactive to the date of issuance of the Series 2023 Bonds, regardless of the date on which such non-compliance occurs or is ascertained. These requirements include, but are not limited to, provisions which prescribe yield and other limits within which the proceeds of the Series 2023 Bonds and the other amounts are to be invested and require that certain investment earnings on the foregoing must be rebated on a periodic basis to the Treasury Department of the United States. The District has covenanted in the Indenture with respect to the Series 2023 Bonds to comply with such requirements in order to maintain the exclusion from federal gross income of the interest on the Series 2023 Bonds.

In the opinion of Bond Counsel, assuming compliance with certain covenants, under existing laws, regulations, judicial decisions and rulings, interest on the Series 2023 Bonds is excluded from gross income for purposes of federal income taxation. Interest on the Series 2023 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax; however, for tax years beginning after December 31, 2022, interest on the Series 2023 Bonds may be included in the "adjusted financial statement income" of certain "applicable corporations" that are subject to the 15-percent alternative minimum tax under Section 55 of the Code.

Except as described above, Bond Counsel will express no opinion regarding other federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of Series 2023 Bonds. Prospective purchasers of Series 2023 Bonds should be aware that the ownership of Series 2023 Bonds may result in collateral federal income tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry Series 2023 Bonds; (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by fifteen percent (15%) of certain items, including interest on Series 2023 Bonds; (iii) the inclusion of interest on Series 2023 Bonds in earnings of certain foreign corporations doing business in the United States for purposes of the branch profits tax; (iv) the inclusion of interest on Series 2023 Bonds in passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year; and (v) the inclusion of interest on Series 2023 Bonds in "modified adjusted gross income" by recipients of certain Social Security and Railroad Retirement benefits for the purposes of determining whether such benefits are included in gross income for federal income tax purposes.

As to questions of fact material to the opinion of Bond Counsel, Bond Counsel will rely upon representations and covenants made on behalf of the District, certificates of appropriate officers and certificates of public officials (including certifications as to the use of proceeds of the Series 2023 Bonds and of the property financed or refinanced thereby), without undertaking to verify the same by independent investigation.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2023 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDOWNERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES DESCRIBED ABOVE. PROSPECTIVE BONDOWNERS SHOULD CONSULT WITH THEIR TAX SPECIALISTS FOR INFORMATION IN THAT REGARD.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2023 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2023 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2023 Bonds, under certain circumstances, to "backup withholding" at the rate specified in the Code with respect to payments on the Series 2023 Bonds and proceeds from the sale of Series 2023 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2023 Bonds. This withholding generally applies if the owner of Series 2023 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2023 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

Other Tax Matters Relating to the Series 2023 Bonds

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2023 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2023 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2023 Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Series 2023 Bonds.

Prospective purchasers of the Series 2023 Bonds should consult their own tax advisors as to the tax consequences of owning the Series 2023 Bonds in their particular state or local jurisdiction and regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

On February 22, 2016, the Internal Revenue Service (the "IRS") issued a notice of proposed rulemaking containing proposed regulations (the "Proposed Regulations") that provide guidance as to the definition of a political subdivision for purposes of the rules for

tax-exempt bonds. If adopted, the Proposed Regulations would have affected certain State and local governments that issue tax-exempt bonds, including community development districts such as the District. However, on July 24, 2017, in response to Executive Order 13789 issued by President Trump (the "Executive Order"), the Secretary of the Treasury (the "Secretary") identified the Proposed Regulations among a list of eight regulations that (i) impose an undue financial burden on U.S. taxpayers, (ii) add undue complexity to the federal tax laws, or (iii) exceed the statutory authority of the IRS. On October 2, 2017, in his Second Report to the President on Identifying and Reducing Tax Regulatory Burdens, the Secretary reported that Treasury and the IRS believe that the Proposed Regulations should be withdrawn in their entirety, and the Treasury Department and the IRS withdrew the Proposed Regulations on October 20, 2017. The Secretary further provided that Treasury and the IRS will continue to study the legal issues relating to political subdivisions and may propose more targeted guidance in the future.

Because the Proposed Regulations have been withdrawn, it is not possible to determine the extent to which all or a portion of the discussion herein regarding the Villages and the Villages TAM (each as defined below) may continue to be applicable in the absence of further guidance from the IRS. Bond Counsel will render its opinion regarding the exclusion from gross income of interest on the Series 2023 Bonds as described below.

On May 30, 2013, the IRS delivered to Village Center CDD, a Florida special district established under Chapter 190, Florida Statutes, a private ruling, called a technical advice memorandum (the "Villages TAM"), in connection with the examination by the IRS of bonds issued by the Village Center CDD (the "Audited Bonds"). The Villages TAM concluded that, despite having certain eminent domain powers, the Village Center CDD is not a political subdivision permitted to issue tax-exempt bonds based on a number of facts including that its governing board is elected by a small group of landowners, and that it "was organized and operated to perpetuate private control and avoid indefinitely responsibility to a public electorate, either directly or through another elected state or local governmental body."

The Villages TAM, as a private, non-precedential, ruling, binds only the IRS and the Village Center CDD, and only in connection with the Audited Bonds. Moreover, the cited legal basis for the Villages TAM is extremely limited, and, therefore, the value of the Villages TAM as guidance is also limited. Nonetheless, the breadth and force of the language used in the Villages TAM may reflect the disfavor of the IRS toward governmental entities with governing boards elected by landowners, and this position may lead the enforcement branch of the IRS to select bonds of other issuers with landowner-controlled boards for examination.

In July 2016, the IRS closed the examination of the Audited Bonds with no change to their tax-exempt status. Although the audit was closed with no adverse impact on the Audited Bonds, the IRS's motivations and rationale for closing the examination are unknown. The Village Center CDD refunded the Audited Bonds with taxable bonds in 2014.

Like the board of the Village Center CDD, the Board of Supervisors of the District is necessarily elected by the landowners in the District since there are not yet enough qualified electors residing in the District to transition the Board of Supervisors to a resident-elected Board of Supervisors. The Act, which contains the uniform statutory

charter for all community development districts and by which the District is governed, delegates to the District certain traditional sovereign powers including, but not limited to, eminent domain, ad valorem taxation and regulatory authority over rates, fees and charges for district facilities. On the basis of the Act and certain representations by the District forming a part of the District's tax certificate as to its reasonable expectations of transition to a resident-elected Board of Supervisors, it does not appear from the facts and circumstances that the District was organized to avoid indefinitely responsibility to a public electorate. On the basis of the foregoing and other factors, Bond Counsel has concluded that under current law the District is a political subdivision for purposes of Section 103 of the Code, notwithstanding that its Board of Supervisors is temporarily elected by landowners. Bond counsel intends to deliver its unqualified approving opinion in the form attached hereto as "APPENDIX D – FORM OF OPINION OF BOND COUNSEL."

The release of the Villages TAM may cause an increased risk of examination of the Series 2023 Bonds. Owners of the Series 2023 Bonds are advised that if the IRS does audit the Series 2023 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the owners of the Series 2023 Bonds may have limited rights to participate in such procedure. The Indenture does not provide for any adjustment to the interest rates borne by the Series 2023 Bonds in the event of a change in the tax-exempt status of the Series 2023 Bonds. The commencement of an audit or an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds could adversely impact both liquidity and pricing of the Series 2023 Bonds in the secondary market.

Tax Treatment of Original Issue Discount

Under the Code, the difference between the maturity amount of the Series 2023 Bonds maturing on _____ 1, 20__ through and including _____ 1, 20__ (collectively, the "Discount Bonds"), and the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity and, if applicable, interest rate, was sold is "original issue discount." Original issue discount will accrue over the term of the Discount Bonds at a constant interest rate compounded periodically. A purchaser who acquires the Discount Bonds in the initial offering at a price equal to the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period he or she holds the Discount Bonds, and will increase his or her adjusted basis in the Discount Bonds by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or disposition of the Discount Bonds. The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of the Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Bondowners of the Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, redemption or other disposition of the Discount Bonds and with respect to the state and local tax consequences of owning and disposing of the Discount Bond.

Tax Treatment of Bond Premium

The difference between the principal amount of the Series 2023 Bonds maturing on _____ (collectively, the "Premium Bonds"), and the initial offering price to the public, (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Premium Bonds of the same maturity, and, if applicable, interest rate, was sold constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of each of the Premium Bonds, which ends on the earlier of the maturity or call date for each of the Premium Bonds which minimizes the yield on such Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. Bondholders of the Premium Bonds are advised that they should consult with their own tax advisors with respect to the state and local tax consequences of owning such Premium Bonds.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975. The District is not and has not ever been in default as to principal and interest on its bonds or other debt obligations.

VALIDATION

The Series 2023 Bonds are a portion of the Bonds that were validated by a Final Judgment of the Circuit Court of the Ninth Judicial Circuit of Florida, in and for Orange County, Florida, entered on August 10, 2020. The period during which an appeal can be taken has expired.

LITIGATION

District

There is no pending or, to the knowledge of the District, any threatened litigation against the District of any nature whatsoever which in any way questions or affects the validity of the Series 2023 Bonds, or any proceedings or transactions relating to their issuance, sale, execution, or delivery, or the execution of the Indenture. Neither the creation, organization nor existence of the District, nor the title of the present members of the Board has been challenged.

From time to time, the District expects to experience routine litigation and claims incidental to the conduct of its affairs. In the opinion of District Counsel, there are no actions presently pending or threatened, the adverse outcome of which would have a material adverse effect on the availability of the Series 2023 Trust Estate or the ability of the District to pay the Series 2023 Bonds from the Series 2023 Trust Estate.

Master Developer

In connection with the issuance of the Series 2023 Bonds, the Master Developer will represent to the District that there is no litigation of any nature now pending or, to the knowledge of the Master Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Master Developer to complete the Series 2023 Assessment Area as described herein or materially and adversely affect the ability of the Master Developer to perform its obligations described in this Limited Offering Memorandum.

CONTINUING DISCLOSURE

General

In order to comply with the continuing disclosure requirements of Rule 15c2-12(b)(5) of the SEC (the "Rule"), the District, the Master Developer and PFM Group Consulting LLC, as dissemination agent (the "Dissemination Agent") will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the form of which is attached hereto as APPENDIX E. Pursuant to the Disclosure Agreement, the District and the Master Developer have each covenanted for the benefit of the Owners of the Series 2023 Bonds to provide to the Dissemination Agent certain financial information and operating data relating to the District, the Series 2023 Assessment Area and the Series 2023 Bonds (the "Reports"), and to provide notices of the occurrence of certain enumerated material events. Such covenants by the District and the Master Developer shall only apply so long as the Series 2023 Bonds remain Outstanding under the Indenture or so long as the District or the Master Developer remains an "obligated person" pursuant to the Rule.

The Reports will be filed by the Dissemination Agent with the Municipal Securities Rulemaking Board's Electronic Municipal Markets Access ("EMMA") repository described in the form of the Disclosure Agreement attached hereto as APPENDIX E. The notices of material events will also be filed by the Dissemination Agent with EMMA. The specific nature of the information to be contained in the Reports and the notices of material events are described in APPENDIX E. The Disclosure Agreement will be executed at the time of issuance of the Series 2023 Bonds. With respect to the Series 2023 Bonds, no parties other than the District and the Master Developer are obligated to provide, nor are expected to provide, any continuing disclosure information with respect to the Rule. The foregoing covenants have been made in order to assist the Underwriter in complying with the Rule.

District Continuing Compliance

Since this is the first publicly offered bond issuance of the District, the District has not previously entered into any continuing disclosure undertakings as an obligated person during the past five (5) Fiscal Years.

11. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the District, the Master Developer and the Dissemination Agent (if the Dissemination Agent is not the District) may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of Sections 3(a), 4, 5(a), 6 or 7, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the District and/or the Master Developer, or the type of business conducted;

(b) the Disclosure Agreement, as amended or taking into account such waiver, would, in the opinion of counsel expert in federal securities laws, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) the amendment or waiver either (i) is approved by the holders or Beneficial Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of holders or Beneficial Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or Beneficial Owners of the Bonds.

Notwithstanding the foregoing, the District, the Master Developer and the Dissemination Agent shall have the right to adopt amendments to this Disclosure Agreement necessary to comply with modifications to and interpretations of the provisions of the Rule as announced by the SEC from time to time without any other conditions.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the District and/or the Master Developer shall describe such amendment in its next Annual Report or Quarterly Report, as applicable, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change in accounting principles, on the presentation) of financial information or operating data being presented by the District or the Master Developer, as applicable. In addition, if the amendment relates to the accounting principles to be followed by the District in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 7(a), and (ii) the Annual Report or Audited Financial Statements, as applicable, for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

12. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the District or the Master Developer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report, Quarterly Report, or notice of occurrence of a Listed Event in addition to that which is required by this Disclosure Agreement. If the District or the Master Developer chooses to include any information in any Annual Report, Quarterly Report, or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the District or the Master Developer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report, Quarterly Report, or notice of occurrence of a Listed Event.

13. Default. In the event of a failure of the District, the Master Developer, the Disclosure Representative of the District, the Disclosure Representative of the Master Developer, or the Dissemination Agent to comply with any provision of this Disclosure Agreement, the Trustee may (and, at the request of the Participating Underwriter or the Beneficial Owners of more than fifty percent (50%) aggregate principal amount of Outstanding Bonds and receipt of indemnity satisfactory to the Trustee, shall) or any Beneficial Owner of a Bond may take such actions as may be necessary and appropriate,

including seeking mandate or specific performance by court order, to cause the District, the Master Developer, the Disclosure Representative of the District, the Disclosure Representative of the Master Developer, or the Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. No default hereunder shall be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the District, the Master Developer, the Disclosure Representative of the District, the Disclosure Representative of the Master Developer, or the Dissemination Agent, to comply with this Disclosure Agreement shall be an action to compel performance.

14. Duties of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. The Dissemination Agent shall have no obligation to notify any other party hereto of an event that may constitute a Listed Event. Any filings under this Disclosure Agreement made to the MSRB through EMMA shall be in an EMMA compliant format. Anything herein to the contrary notwithstanding, in the event that the applicable Disclosure Representative and the Dissemination Agent are the same party, such party's limited duties in their capacity as Dissemination Agent, as described hereinabove, shall not in any way relieve or limit such party's duties in their capacity as Disclosure Representative under this Disclosure Agreement.

15. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the District, the Master Developer, the Dissemination Agent, the Trustee, the Participating Underwriter and Beneficial Owners of the Bonds (the Trustee, the Participating Underwriter and Beneficial Owners of the Bonds being hereby deemed express third-party beneficiaries of this Disclosure Agreement) and shall create no rights in any other person or entity.

16. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

17. Governing Law. This Disclosure Agreement shall be governed by the laws of the State and federal law.

18. Trustee Cooperation. The District represents that the Dissemination Agent is a bona fide agent of the District and directs the Trustee to deliver to the Dissemination Agent, at the expense of the District, any information or reports it requests that the District has a right to request from the Trustee (inclusive of balances, payments, etc.) that are in the possession of and readily available to the Trustee.

19. Binding Effect. This Disclosure Agreement shall be binding upon each party to this Disclosure Agreement and upon each successor and assignee of each party to this Disclosure Agreement and shall inure to the benefit of, and be enforceable by, each party to this Disclosure Agreement and each successor and assignee of each party to this Disclosure Agreement. Notwithstanding the foregoing, as to the Master Developer or any assignee or successor thereto that becomes an Obligated Person pursuant to the terms of this Disclosure Agreement, only successors or assignees to such parties who are, by definition, Obligated Persons, shall be bound or benefited by this Disclosure Agreement.

20. Undertakings. The Master Developer represents that it has instituted internal processes to provide information to the Dissemination Agent on a timely basis and obtained assurances from the Dissemination Agent that they will in turn request the required reporting information timely and file such information timely with the appropriate Repository.
