Re: \$24,655,000 Poitras East Community Development District (City of Orlando, Florida)
Special Assessment Revenue Bonds, Series 2023 ("Bonds")

Poitras East Community Development District ("Client") has requested that we prepare certain computations related to the above-described Bonds for the period ended February 13, 2026 ("Computation Period"). The scope of our engagement consisted of the preparation of computations to determine the Rebatale Arbitrage for the Bonds for the Computation Period as described in Section 148(f) of the Internal Revenue Code of 1986, as amended ("Code"), and this report is not to be used for any other purpose.

In order to prepare these computations, we were provided by the Client with and have relied upon certain closing documents for the Bonds and investment earnings information on the proceeds of the Bonds during the Computation Period. The attached schedule is based upon the aforementioned information provided to us. The assumptions and computational methods we used in the preparation of the schedule are described in the Summary of Notes, Assumptions, Definitions and Source Information. A brief description of the schedule is also attached.

The results of our computations indicate a negative Cumulative Rebatale Arbitrage of \$(36,306.81) at February 13, 2026. As such, no amount must be on deposit in the Rebate Fund.

As specified in Form 8038G, the calculations have been performed based upon a Bond Yield of 5.1156%. Accordingly, we have not recomputed the Bond Yield.

The scope of our engagement was limited to the preparation of a mathematically accurate Rebatale Arbitrage for the Bonds for the Computation Period based on the information provided to us. The Rebatale Arbitrage has been determined as described in the Code, and regulations promulgated thereunder ("Regulations"). We have no obligation to update this report because of events occurring, or information coming to our attention, subsequent to the date of this report.

\$24,655,000 (City of Orlando, Florida) Special Assessment Revenue Bonds, Series 2023

For the period ended February 13, 2026

NOTES AND ASSUMPTIONS

1. The issue date of the Bonds is February 14, 2023.
2. The end of the first Bond Year for the Bonds is February 13, 2024.
3. Computations of yield are based upon a 30-day month, a 360-day year and semiannual compounding.
4. We have assumed that the only funds and accounts relating to the Bonds that are subject to rebate under Section 148(f) the Code are shown in the attached schedule.
5. For investment cash flow purposes, all payments and receipts are assumed to be paid or received, respectively, as shown in the attached schedule. In determining the Rebatale Arbitrage for the Bonds, we have relied on information provided by you without independent verification, and we can therefore express no opinion as to the completeness or suitability of such information for such purposes. In addition, we have undertaken no responsibility to review the tax-exempt status of interest on the Bonds.
6. We have assumed that the purchase and sale prices of all investments as represented to us are at fair market value, exclusive of brokerage commissions, administrative expenses, or similar expenses, and representative of arms' length transactions that did not artificially reduce the Rebatale Arbitrage for the Bonds, and that no "prohibited payments" occurred and no "imputed receipts" are required with respect to the Bonds.
7. Ninety percent (90%) of the Rebatale Arbitrage as of the next "computation date" ("Next Computation Date") is due to the United States Treasury not later than 60 days thereafter ("Next Payment Date"). (An issuer may select any date as a computation date, as long as the first computation date is not later than five years after the issue date, and each subsequent computation date is no more than five years after the previous computation date.) No other payment of rebate is required prior to the Next Payment Date. The Rebatale Arbitrage as of the Next Computation Date will not be the Rebatale Arbitrage reflected herein but will be based on future computations that will include the period ending on the Next Computation Date. If all of the Bonds are retired prior to what would have been the Next Computation Date, one hundred percent (100%) of the unpaid Rebatale Arbitrage computed as of the date of retirement will be due to the United States Treasury not later than 60 days thereafter.
8. For purposes of determining what constitutes an "issue" under Section 148(f) of the Code, we have assumed that the Bonds constitute a single issue and are not required to be aggregated with any other bonds.

NOTES AND ASSUMPTIONS (cont'd)

9. The accrual basis of accounting has been used to calculate earnings on investments. Earnings accrued but not received at the last day of the Computation Period are treated as though received on that day. For investments purchased at a premium or a discount (if any), amortization or accretion is included in the earnings accrued at the last day of the Computation Period. Such amortization or accretion is computed in such a manner as to result in a constant rate of return for such investment. This is equivalent to the “present value” method of valuation that is described in the Regulations.
10. No provision has been made in this report for any debt service fund. Under Section 148(f)(4)(A) of the Code, a “bona fide debt service fund” for public purpose bonds issued after November 10, 1988, is not subject to rebate if the average maturity of the issue of bonds is at least five years and the rates of interest on the bonds are fixed at the issue date. It appears and has been assumed that the debt service fund allocable to the Bonds qualifies as a bona fide debt service fund, and that this provision applies to the Bonds.
11. The proceeds of the Series 2023 Bonds were used for the following purposes: (a) to finance a portion of the District’s Capital Improvement Program; (b) to pay down the revolving line of credit secured by the District’s Special Assessment Revenue Bond Anticipation Note, Series 2020 (the “Series 2020 BAN”) which Series 2020 BAN was issued to provide interim financing for the Project; (c) to fund a deposit to the Series 2023 Reserve Account in the amount of the Series 2023 Reserve Account Requirement on the date of issuance; and (d) to pay the costs and expenses incurred in connection with the issuance of the Series 2023 Bonds.

DEFINITIONS

1. *Bond Year*: Each one-year period that ends on the day selected by the Client. The first and last Bond Years may be shorter periods.
2. *Bond Yield*: The yield that, when used in computing the present value (at the issue date of the Bonds) of all scheduled payments of principal and interest to be paid over the life of the Bonds, produces an amount equal to the Issue Price.
3. *Allowable Earnings*: The amount that would have been earned if all nonpurpose investments were invested at a rate equal to the Bond Yield, which amount is determined under a future value method described in the Regulations.
4. *Computation Date Credit*: A credit allowed by the Regulations as a reduction to the Rebtable Arbitrage on certain prescribed dates.
5. *Rebtable Arbitrage*: The excess of actual earnings over Allowable Earnings and Computation Date Credits.
6. *Issue Price*: Generally, the initial offering price at which a substantial portion of the Bonds is sold to the public. For this purpose, 10% is a substantial portion.

Poitras East Community Development District
c/o PFM Group Consulting LLC
3501 Quadrangle Blvd., Suite 270
Orlando, Florida 32817

Thank you for choosing LLS Tax Solutions Inc. ("LLS Tax") to provide arbitrage services to Poitras East Community Development District ("Client") for the following bond issue. This Engagement Letter describes the scope of the LLS Tax services, the respective responsibilities of LLS Tax and Client relating to this engagement and the fees LLS Tax expects to charge.

- \$24,655,000 Poitras East Community Development District (City of Orlando, Florida) Special Assessment Revenue Bonds, Series 2023

SCOPE OF SERVICES

The procedures that we will perform are as follows:

- Assist in calculation of the bond yield, unless previously computed and provided to us.
- Assist in determination of the amount, if any, of required rebate to the federal government.
- Issuance of a report presenting the cumulative results since the issue date of the issue of bonds.
- Preparation of necessary reports and Internal Revenue Service ("IRS") forms to accompany any required payment to the federal government.

As a part of our engagement, we will read certain documents associated with each issue of bonds for which services are being rendered. We will determine gross proceeds of each issue of bonds based on the information provided in such bond documents. You will have sole responsibility for determining any other amounts not discussed in those documents that may constitute gross proceeds of each series of bonds for the purposes of the arbitrage requirements.

TAX POSITIONS AND REPORTABLE TRANSACTIONS

Because the tax law is not always clear, we will use our professional judgment in resolving questions affecting the arbitrage calculations. Unless you instruct us otherwise, we will take the reporting position most favorable to you whenever reasonable. Any of your bond issues may be selected for review by the IRS, which may not agree with our positions. Any proposed adjustments are subject to certain rights of appeal. Because of the lack of clarity in the law, we cannot provide assurances that the positions asserted by the IRS may not ultimately be sustained, which could result in the assessment

of potential penalties. You have the ultimate responsibility for your compliance with the arbitrage laws; therefore, you should review the calculations carefully.

The IRS and some states have promulgated “tax shelter” rules that require taxpayers to disclose their participation in “reportable transactions” by attaching a disclosure form to their federal and/or state income tax returns and, when necessary, by filing a copy with the Internal Revenue Service and/or the applicable state agency. These rules impose significant requirements to disclose transactions, and such disclosures may encompass many transactions entered into in the normal course of business. Failure to make such disclosures will result in substantial penalties. In addition, an excise tax is imposed on exempt organizations (including state and local governments) that are a party to prohibited tax shelter transactions (which are defined using the reportable transaction rules). Client is responsible for ensuring that it has properly disclosed all “reportable transactions” and, where applicable, complied with the excise tax provision. The LLS Tax services that are the subject of this Engagement Letter do not include any undertaking by LLS Tax to identify any reportable transactions that have not been the subject of a prior consultation between LLS Tax and Client. Such services, if desired by Client, will be the subject of a separate engagement letter. LLS Tax may also be required to report to the IRS or certain state tax authorities certain tax services or transactions as well as Client’s participation therein. The determination of whether, when and to what extent LLS Tax complies with its federal or state “tax shelter” reporting requirements will be made exclusively by LLS Tax. LLS Tax will not be liable for any penalties resulting from Client’s failure to accurately and timely file any required disclosure or pay any related excise tax nor will LLS Tax be held responsible for any consequences of its own compliance with its reporting obligations. Please note that any disclosure required by or made pursuant to the tax shelter rules is separate and distinct from any other disclosure that Client might be required to or choose to make with its tax returns (e.g., disclosure on federal Form 8275 or similar state disclosure).

PROFESSIONAL FEES AND EXPENSES

Our professional fees for the services listed above for the annual calculation period beginning February 14, 2026, through the period ending February 13, 2027, is \$500, which includes reasonable out-of-pocket expenses. We will bill you upon completion of our services. Our invoices are payable upon receipt. Additionally, you may request additional consulting services from us upon occasion; we will bill you for these consulting services at a beforehand agreed upon rate.

Unanticipated factors that could increase our fees beyond the estimate given above include the following (without limitation). Should any of these factors arise we will alert you before additional fees are incurred.

- Investment data provided by you is not in good order or is unusually voluminous.
- Proceeds of bonds have been commingled with amounts not considered gross proceeds of the bonds (if that circumstance has not previously been communicated to us).
- A review or other inquiry by the IRS with respect to an issue of bonds.

ACCEPTANCE

You understand that the arbitrage services, report and IRS forms described above are solely to assist you in meeting your requirements for federal income tax compliance purposes. This Engagement Letter constitutes the entire agreement between Client and LLS Tax with respect to this engagement, supersedes all other oral and written representations, understandings or agreements relating to this engagement, and may not be amended except by the mutual written agreement of the Client and LLS Tax.

Please indicate your acceptance of this agreement by signing in the space provided below and returning a copy of this Engagement Letter to us. Thank you again for this opportunity to work with you.

Very truly yours,
LLS Tax Solutions Inc.

About FIA

Florida Insurance Alliance (“FIA”), authorized and regulated by the Florida Office of Insurance Regulation, is a non-assessable, governmental insurance Trust. FIA was created in September 2011 at a time when a large number of Special Taxing Districts were having difficulty obtaining insurance.

Primarily, this was due to financial stability concerns and a perception that these small to mid-sized Districts had a disproportionate exposure to claims. Even districts that were claims free for years could not obtain coverage. FIA was created to fill this void with the goal of providing affordable insurance coverage to Special Taxing Districts. Today, FIA proudly serves and protects over 1,000 public entity members.

Competitive Advantage

FIA allows qualifying Public Entities to achieve broad, tailored coverages with a cost-effective insurance program. Additional program benefits include:

- Insure-to-value property limits with no coinsurance penalties
- First dollar coverage for “alleged” public official ethics violations
- Proactive in-house claims management and loss control department
- Risk management services including on-site loss control, property schedule verification and contract reviews
- Complimentary Property Appraisals
- Online Risk Management Education & Training portal
- Online HR & Benefits Support portal
- HR Hotline
- Safety Partners Matching Grant Program

How are FIA Members Protected?

FIA employs a conservative approach to risk management. Liability risk retained by FIA is fully funded prior to the policy term through member premiums. The remainder of the risk is transferred to reinsurers. FIA’s primary reinsurers, Lloyds of London and Hudson Insurance Company, both have AM Best A XV (Excellent) ratings and surplus of \$2Billion or greater.

In the event of catastrophic property losses due to a Named Storm (i.e., hurricane), the program bears no risk as all losses are passed on to the reinsurers.

What Are Members Responsible For?

As a non-assessable Trust, our members are only responsible for two items:

- Annual Premiums
- Individual Member Deductibles

FIA Bylaws prohibit any assessments or other fees.

Additional information regarding FIA and our member services can be found at www.fia360.org.
